What are some things to consider before getting a divorce?

Cupid’s Advice:

Calling it quits on a marriage and filing for a divorce is a tough decision to make. Here are some things to keep in mind before taking that route:

1. A brighter future: Divorces are absolutions to marriages, which is a huge step. Make sure that you’re not just looking for an easy way out. If times are hard, they may get better in time. For better or worse and there might be better days in the future.

2. The repercussions: If there are children involved, especially younger children, it's not going to be easy. Custody battles ensue as well as splitting money and properties. Make sure that you are prepared to deal with what is to come.

3. Communicate: Does your partner know how you are feeling? If you are sensing problems in your marriage, before filing for divorce see if they have similar views. Try to work things out before calling it quits.
