

Celebrity Break-Up: Find Out Why Katie Holmes Ended Relationship with Jamie Foxx

By [Ashley Johnson](#)

In the latest [celebrity break-up](#) news, [Katie Holmes](#) officially made solidified her split from Jamie Foxx after six years, on Monday, August 19. Just four days earlier, Foxx had been spotted out with a mysterious blonde, and then not too long after was spotted with singer Sela Vave in Hollywood. According to *UsMagazine.com*, a source said, "It has been many years of him stepping out with other women. He's disrespectful and their lives were different. His partying ways don't fit with hers as she's focused on raising her daughter and working."

In celebrity break-up news, Katie Holmes had her reasons for breaking things off with “disrespectful” Jamie Foxx. What are some ways to know your partner is respectful?

Cupid’s Advice:

Break-ups can be hard, especially when it involves [Hollywood couples](#) in the spotlight. Luckily, Cupid is here to give you [relationship advice](#) on how to know if your partner is respectful, so you can avoid having relationship problems like Katie Holmes and Jamie Foxx:

1. Makes room for ‘quality time’: Everyone has busy lives and a multitude of responsibilities to deal with on a daily basis. However, if you and your partner can prioritize your relationship and make time for each other, that shows you two truly respect the relationship. You can tell your partner really makes an effort to spend quality time with you when they stick to important plans and don’t constantly try to reschedule, or when they make an effort to show up on time for special events.

2. Appreciates your differences: Each and every one of us are different: we all have different personalities, pet peeves, needs, desires, etc. While it is unlikely that you and your partner are going to agree on everything or have the same exact perspective, it is important that you and your partner embrace the differences between each other. If your partner really respects you they will try to understand your way of thinking, if not completely agree with it... they may even learn

something new if they are willing to appreciate the differences between you two, rather than discourage them.

3. Supports your goals: Your partner should be your #1 supporter, and if they are not, maybe they are not the best person for you to share your life and dreams with. Having a support system and someone who believes in you is essential in any relationship. If your partner doesn't rain on your parade and does nothing but shower you in love and support, then they are probably a keeper.

This celebrity couple has stayed almost entirely out of the limelight. What are some ways to keep your relationship on the down-low?

Cupid's Advice:

Sometimes, it's better to keep your relationship between you and your partner. If you're looking to keep your relationship quiet for the time being, read these tips straight from Cupid:

1. Keep it offline: In a world ruled by social media, it's important to refrain from posting or sharing anything related to your personal relationship! While your personal life might not be as documented by the tabloids, people in your news feeds will definitely talk and share the news with those around them. If you don't want others to know, keep it off the Internet until you're ready.

2. Stay in on weekends: Weekends are the days when most people go out, so if you're wanting to keep your relationship quiet, it's better to stay in. If you and your partner want to do things together out in public, there always is a risk of seeing somebody you know. Have day dates (if you can) or go out during the weekday, when most people are at home!

3. Don't talk: Loose lips sink ships! If you feel like your best friend or members of your family will spread the news of your new relationship to everyone in their general vicinity,

don't share it with them! It's your relationship so if you're not ready to talk about it – you don't have to.

Celebrity News: Katie Holmes & Jamie Foxx Take Romantic Trip to Paris

By [Noelle Downey](#)

Despite their efforts to be super discreet, [famous celebrity couple Katie Holmes](#) and Jamie Foxx made [celebrity news](#) recently by taking a [romantic getaway](#) to Paris. According to [EOnline.com](#), Foxx had recently wrapped on filming his starring role as Little John in the new Robin Hood film, and Holmes joined him to celebrate. This celebrity news has us rooting

for this mysterious couple. What are some ways to keep your relationship away from prying eyes?

Cupid's Advice:

In today's world, keeping a relationship on the down low can be a bit tricky. Here are the top tips for keeping things between you and your significant other private:

1. Stay away from social media: If you're looking to keep your relationship private and away from prying eyes, the first step is to make sure your social media is in line with that goal. If you're constantly snapping romantic pics of your partner and posting them on the web, people are going to put two and two together. Still want the experience of sharing your special moments, but want to control who gets to see those posts? Make sure your privacy settings on apps like Facebook and Instagram are set in such a way that you can limit who gets to take a peek into your private life.

Related Link: [Celebrity News: Jamie Foxx Celebrates 48th Birthday with Katie Holmes](#)

2. Practice polite shutdowns: We've all come face to face with a nosy person in our lifetime who is way too interested in the intimate minutiae of our private lives. If someone is trying to press you for more information than you're willing to give about your romantic relationship or anything else, practice kindly but firmly indicating that that information is private and you'd like to change the topic. For instance, try something non-confrontational but clear at first like, "Thanks for your interest, but honestly I usually like to keep those details private. Would you mind if we talked about something else?" And if the person keeps pressing? There's no harm in simply saying, "Like I said, that's not really something I

want to discuss right now,” and extracting yourself from the conversation.

3. Choose your friends wisely: If you’re trying to keep your relationship more private, be mindful of the people with whom you share the details of your life with. If you have a friend who loves spreading the latest gossip and posting photos of people without their knowledge or permission, then you might want to think twice about sharing news of your relationship with them. Focus on finding the people in your life who will respect your wishes to keep things quiet and make sure before you go on a double date or take your significant other to meet your friends that you’re sure everyone there is willing to help you keep your relationship private.

Celebrity Interview: Courtney Paige Talks About ‘The

Arrangement' and If It's Really About Tom Cruise and Katie Holmes

Interview by [Lori Bizzoco](#). Written by [Whitney Johnson](#) and [Miriana Rexrode](#).

If you're as hooked on E!'s hit scripted series *The Arrangement* as we are, then there's no doubt that Courtney Paige has made a lasting impression on you as the mysterious (and up-to-no-good) Annika. In our exclusive [celebrity interview](#) with the star, she opens up about her role on the show and what fans can expect in tomorrow night's finale. Plus, she talks to us about her film company Crazy Sunshine Films as well as her love life.

Celebrity Interview: Courtney Paige Talks About *The Arrangement*

As fans know, *The Arrangement* is a 10-episode series that follows the journey of up-and-coming actress Megan Morrison, who receives a lucrative offer to enter a staged marriage with movie star Kyle West. Paige's character Annika is working behind-the-scenes as hired help to ensure that their [celebrity relationship](#) lasts. Of playing the scandalous and manipulative villain of the show, Paige says, "Annika is so different from anyone I've played before because she has so many layers. It's quite a challenge for me."

Of course, playing the bad girl can be fun. "It's such a treat," she adds. "You never know what she's going to do next."

We've read that Annika has a "big secret" to reveal in this season's finale episode. When asked about what's next for her character, the Canadian native reveals, "I think all of the characters on *The Arrangement* have some sort of big secret. The viewers are really left on the edge of their seats until the end. It's really well written."

It's been rumored that the show's storyline is based on a celebrity couple that we're all familiar with: [Tom Cruise](#) and [Katie Holmes](#). Luckily, the actress clears up any suspicions and says, "I think arranged relationships have been going on since before our time – long before Tom and Katie. So if anyone thinks it's deliberately about them, it's really not."

Related Link: [Celebrity News: Jamie Foxx Celebrates 48th Birthday with Katie Holmes](#)

The actress is lucky to share the small screen with a number

of famous faces, including Michael Vartan. “Michael is so lovely and so talented,” she shares in our celebrity interview. “It’s amazing how humble everyone is on set. Everyone is so nice to each other, and it’s a great cast to be apart of.” Thanks to the show’s addicting storyline and great cast, we were excited to learn that writers are already working on the second season.

Not only is Paige an actress, but she’s also an up-and-coming writer and film director. She started her own film company called Crazy Sunshine Films and has a feature film in the works called *Neon Candy*, set to premiere in September. She, of course, shares her thoughts on the potential strike of the Writers Guild of America (WGA). Although she is not part of the WGA, she believes that if anyone is not feeling valued or being underpaid, then they should take a stand. We couldn’t agree more!

Courtney Paige on Her Love Life

The Arrangement may be filled with romantic drama, but off-screen, Paige’s love life is much more low-key. While she’s not currently looking for a celebrity relationship, she’s not opposed to finding someone special. “I’m still single, and I’m really focusing on my career, but if you know any single guys...,” she says with a laugh.

When it comes to her dream date, she likes to keep things simple. “I’m a pretty big country girl. I love to get out of the city and do anything outdoorsy. Fishing, hiking, watching the stars, or something else in nature is right up my alley,” she shares.

Related Link: [Date Idea: Get Close with Nature](#)

Every man’s dream girl, right? Not according to Paige. “I’m a lot to handle,” she adds. “Actresses are emotional, and they wear their hearts on their sleeve.”

Of course, Paige's first love is acting, dating back to her early years in the theatre. To young girls watching *The Arrangement* and hoping to become actresses, she advises, "Make sure that you start in the theatre. I think it's important to not get caught up in all of the Hollywood glitz and fluffiness and to really stay true to your roots. Always remember what's important about the craft."

Catch Courtney Paige on the season finale of The Arrangement on E! on Sunday, May 7th at 10 p.m. EST. You can follow her on [Twitter](#) and [Instagram](#).

Celebrity Couple Predictions: Katie Holmes, Gigi Hadid and Miranda Lambert

By [Shoshi](#)

If you're looking for the latest celebrity news on Hollywood romances, you've come to the right place! Below, I consider the future of three new [celebrity couples](#).

Shoshi's Predictions For These Celebrity Couples

Katie Holmes and Jamie Foxx: If you believe the media, Foxx and Holmes are secretly in love with each other. The thought of that makes me giggle. I always think that Tom Cruise has sent Foxx in to be his spy to find out what Suri is up to. While they would be a weird couple, it could also work. Foxx has always been tight lipped about who he's dating and Holmes never reveals if she's dating anyone. Both of them seem to spend more time with their children than anyone else. Could they be the perfect pair? I don't see Holmes and Foxx in a steady relationship. However, I do see friends with benefits. They're both sexy and single. Why not participate in some extracurricular activities from time to time? Don't believe

the media hype, but just know that we'll be the last to know if they are officially a couple. Neither of them are going to talk.

Related Link: [Celebrity News: Jamie Foxx Celebrates 48th Birthday with Katie Holmes](#)

Gigi Hadid and Zayn Malik: All media eyes are on model and personality Gigi Hadid and former One Direction singer, Zayn Malik. It even looks like they spent New Year's Eve together. At least, that's what their photos would lead us to believe. Isn't that what "couples" do? With all of the time they've been spending together, we should file them in the couple category. At least for now. Hadid has the attention span of a gnat when it comes to her relationships and love. She is fickle, but she's perfectly entitled to be that way. She's young, hot, and figuring it all out. If I were her, I would do the same thing. This relationship will run its course soon enough. Hadid doesn't have time for a serious relationship since she tends to be busy modeling and hanging with the Jenner's. Right now she's having fun causing a stir on Instagram with Malik. Guess they don't have anything else better to do.

Related Link: [New Celebrity Couple Alert! Gigi Hadid & Zayn Malik Are Dating](#)

Miranda Lambert and Anderson East: We all know that Blake Shelton is currently dating Gwen Stefani. But it looks like his ex, Miranda Lambert, is now seeing Anderson East. A photo on Instagram captured the two of them cuddling with the caption, "The snuggle is real." As if we needed the clarification. Just who is this Anderson East? A rhythm and blues singer from Alabama. I had never heard of him until Lambert's selfie. By the looks of it, this new relationship is the most interesting thing about him. When I look at this new celebrity couple, I don't see much to the fling. I predict the main reason that she's seeing him is to keep up with Blake and

Gwen. The celebrity exes are playing a game of who can move on quicker. The media is falling in love with *The Voice* co-stars as they go on adventures around the globe. The last thing Lambert wants is to look pitiful and brokenhearted. Blake is all over the place having fun, it's time for her to start posting her own "moving on" pictures. That's not to say that she isn't generally into East, I'm just not fooled by her calculated move. Lambert will move on when she finds someone better. If the rumors about her are true, East shouldn't get to attached to her. As soon as someone better comes along Lambert will move on.

a. Yes? Do NOT hook up. Have a little consideration for those around you. Hooking up should only be done in private.

b. No? Proceed to the next question.

5. Is the guy you're thinking about hooking up with young enough to be your kid?

a. Yes? Do NOT hook up. Look, I'm not trying to be all ageist, but you're bordering on being really creepy.

b. No? Proceed to the next question.

6. Is hooking up with this guy something you hope to keep secret?

a. Yes? Do NOT hook up. Nothing ever stays a secret—especially not hooking up.

b. No? Proceed to the next question.

7. If/when word spreads about this hookup, are you likely to feel embarrassed or humiliated?

a. Yes? Do NOT hook up. Word WILL spread. So, make sure you're cool with that.

b. No? Proceed to the next question.

8. Is there a significant chance you will regret this?

a. Yes? Do NOT hook up. And even if you think the idea is awesome when you're in the heat of the moment, think long and hard before hooking up with a coworker or neighbor. Having to repeatedly run into someone makes it hard to put the whole thing behind you if you do end up regretting it later.

b. No? Go for it!

How Celebrities Celebrate Thanksgiving

By Meghan Fitzgerald and Molly Jacob

Thanksgiving is one of the most family-oriented holidays in the United States. Relationships strengthen as families come together in celebration. As fall has now arrived and the

leaves have begun to fall, new romances blossom and couples gather at their family houses for a lovely meal. Even celebrities are getting in the spirit of the holiday. Find out how these celebrities celebrate Thanksgiving:

Ellen DeGeneres: DeGeneres will be one of the celebrities not eating turkey this season. In 2011, she was Farm Sanctuary's *Adopt-A-Turkey Project* spokesperson, encouraging people to donate money to this organization to adopt a turkey instead of eating one at Thanksgiving dinner. DeGeneres and wife Portia de Rossi are both vegan.

Oprah Winfrey: According to *UsMagazine.com*, Winfrey celebrates her Thanksgiving with sweet potatoes spiced with freshly pickled rosemary. She also shared her top secret cranberry recipe with the source. Winfrey keeps a gratitude journal where she records five things she's thankful for. "I've learned from experience that if you pull the lever of gratitude every day, you'll be amazed at the results," she said.

Katie Holmes: Holmes has been spending her Thanksgivings with her immediate family post-split from Tom Cruise. Holmes also runs an annual local turkey trot, according to *Huffington Post*.

I let other people do the Turkey," she told *UsMagazine.com*.

Balance Work and Love Like a Celebrity Couple

By Lori Zaslow and Jennifer Zucher for [Project Soulmate](#)

It's no secret that we are all envious of celebrities and the lavish lifestyles they lead, most especially their wardrobes. After all, they're dripping in diamonds and designer ensembles. Let's face it: Who wouldn't want to raid Victoria Beckham or Angelina Jolie's closet? But their favorite arm candy to show off is not their Birkin Bags; it's their men.

Hollywood Relationships and Love Lives

While celebrities may have fame and fortune, when it comes to relationships and love, they don't always have the best luck. Constantly being in the spotlight and traveling for work is not the best mix when it comes to being in a committed partnership. We've seen many [Hollywood relationships](#) unravel because of the constant pressure of being in the public eye, but some celebrity couples have learned to balance their careers with their personal lives.

Finding the perfect balance of being successful in work *and* in your relationship can be tricky for anyone. Some famous couples have made maintaining their relationship look easy, while others crumble to the ground.

Victoria Beckham and David Beckham have become one of Hollywood's most iconic pairs. From their perfect physiques to their trendy clothing lines, this duo is constantly in the media. However, somehow, they've been able to stay grounded and keep their private lives to themselves. They both have successful careers, which helps balance their power in the relationship and allows them to have their own lives in addition to the life that they share together. This is important because, in order to have a successful

relationship, you must keep your own interests and friends. The Beckham's have different careers, but they share a love for family and fashion, which helps to keep them united.

Another celebrity couple that we can't seem to get enough of is [Angelina Jolie](#) and [Brad Pitt](#) – otherwise known as Brangelina. This Hollywood relationship may have started out with a bit of a scandal, but their connection has blossomed into quite the love story. They're able to maintain their busy schedules and keep the spark alive. They visit each other on sets with their children and have even written love notes to each other while they were filming on opposite sides of the world – talk about romance! They also take many family celebrity vacations together and even tied the knot this past year to show their children just how much they love each other.

Not All Celebrity Couples Last Forever

On the other hand, some celebrity couples like Tom Cruise and Katie Holmes fall apart at the seams. We first learned of their relationship when Cruise infamously jumped on Oprah's sofa and announced his love for the *Dawson's Creek* star. But perhaps, he spoke too soon. The pair became a media frenzy, and with the pressure from the public along with their busy work schedules, they couldn't seem to make it work. They both shared the same career and both converted to Scientology, which may have strained their celebrity relationship.

Given these examples, it's best to follow the behavior of the Beckham's or Brangelina. Maintain your independence no matter how in love you are. If they can find a lasting relationship and love, you can too!

The bride wore a Vera Wang gown and was walked down the aisle by her step-father, Bruce Jenner.

9. Katy Perry and Russell Brand: When the singer and actor wed back in 2010, it was nothing short of magical. If you are in a new relationship and trying to keep it on the down low there are a few things you can do so people don’t question your relationship. So what are some ways you can keep your new relationship under wraps? Cupid has some advice for you:

1. No PDA: If people see you holding hands, hugging and kissing in public there is no fooling anyone. If you are trying to keep your relationship under wraps at first try steering away from excessive PDA.

2. Spend time apart: It’s definitely okay to spend time with your new partner, but also remember to spend time with friends and family. If people start seeing you two together more often than not people are going to start thinking that things are getting more serious than just being friends.

3. Hang out in groups: Hanging out with your new partner with your other friends or with your family is a good way to take the attention off of you and your relationship. Hanging out with your new partner in a group setting will make it harder for people to suggest that you are dating each other.
