Cupid's Advice:

Decorating isn't always the best part of planning for a wedding, but hosting a theme can really liven up the occasion. Themed weddings are always fun as they allow a couple to really express their style and creativity. It proves to be much more immersive as the theme can tie into invitations, hashtags, wedding cake, and more! Here are Cupid's suggestions of fun themes to consider for your wedding:

1. Under-the-sea wedding: A personal favorite is a wedding that has an underwater theme because it is a fun and unique way to entertain your guests! You can get crazy with table decorations by incorporating brightly colored fish into the centerpieces, print off aquatic invitations, and you can even set-up a photobooth station with a sea-life backdrop for everyone to take fun photos in front of. The color palette for this theme is so varied, you don't even have to worry about colors clashing. And, if you're invested enough, you might even be able to host your reception at a real aquarium!

Guests could come dressed up to the ceremony or reception in any costume they pleased as the decorations

and meal revolve around the spooky day. There's not a shortage of inspiration for ideas to really get into the Halloween spirit. Besides, who wouldn't want to come to a wedding that doubles as a costume party?

3. *Game of Thrones* wedding: With *Game of Thrones* ending earlier this year, a themed wedding of the series is great for any die-hard fan! Wedding planning can be quite the adventure, but why make it seem like a chore when it can be filled with mothers of dragons, iron thrones, and medieval undertones? This themed wedding will excite any fan that wants to experience the series one last time!
