Real life couple Kristen Stewart and Rob Pattinson reunite on the big screen as Bella Swan and Edward Cullen. Now, officially a Cullen and a vampire, Bella will stand by Edward through thick and thin to protect her new family and new husband. The Volturi, the official authority of vampires, has learned of the birth of a half human half-vampire child and fears for the safety of vampires as a whole. They seek out to destroy the child, but the Cullens stand together and will fight before they let that happen. The trailer alone sends chills down your spine and lures you in just a bit closer to the screen, wanting to watch the entire movie.

Who To Take: Anyone! It has action and gore for the boys while still having all of that romance and vampire glamour for the girls. Go with a parent, girlfriends or your partner. In the trailer, not only does your heart start pumping but we are also given a glimpse into the lives of Bella and Edward Cullen as a newly married couple of the same species. In the last movie we were introduced to the couple as an official husband and wife, but not as a vampire husband and a vampire wife. The two seem to be closer than ever as Edward explains that the two are now the same temperatures. It seems that with now being the same species, the two have a deeper connection. This deeper connection is also further developed with the arrival of their daughter and the desire to protect her from the Volturi. The Cullens ban together as a solid family unit to stand for their own, allowing Bella and Edward to come together as a newly married couple with a fantastic support

system.

What are some ways to strengthen a relationship emotionally?

Cupid's Advice:

What are some possible ways to further advance as a couple – emotionally? Here are some tips on how to deepen your connection to your significant other:

1. Time investment: The more time you spend with someone, the stronger your connection will become automatically. By experiencing new things together and creating new memories, the two of you will have something to laugh about and look back on. Take some dancing lessons or go ice-skating and create a scrapbook together afterwards.

2. Emotional investment: In order to be completely open to strengthening and deepening your relationship, you have to be honest with yourself and with your partner. Keeping secrets is only going to push them further away which will not result in deepening a relationship.

3. Physical investment: Physical attraction and displays of affection (notice I did not say public displays of affection) is a great way to build on an emotional level. For many people relationships are a mixture of physical needs and emotional needs, not just one or the other.

Rob Pattinson Thinks Kristen Stewart Looks “Amazing” as a Bride

A side from the Royal Wedding and Kim Kardashian's fairy tale nuptials, the *Twilight Saga: Breaking Dawn Part I* is due to premiere in just a couple of days with one of the most anticipated "I do's" of the year. To the building anticipation to see Kristen Stewart make her way down the aisle, Rob Pattinson had this to say: "It's a white dress," he joked. "But it's beautiful, it's an incredible dress. She looks amazing." Not only did Pattinson enjoy seeing his on-and-off-screen girlfriend all glammed up in her wedding dress, but he also gained a new appreciation for real-life nuptials, according to [People](#). As the on-screen groom, he realized that

his role in the wedding was minuscule compared to Stewart's. "She had to deal with all the nerves, all the heavy lifting in the scene," said Pattinson. "You suddenly realize that the role of a man, the role of a groom in a wedding, is that of a prop."

What are three ways that a man can best contribute to the planning of his wedding?

Cupid's Advice:

Weddings can be stressful and exciting at the same time. Don't let your man miss out on all the hard work or the fun. Here are some ways to have him contribute:

1. Taste tester: Men love any excuse to eat, so take them along to taste all the possible flavors for your wedding cake and dinner meal. Along with the joy of sitting next to his bride-to-be, a satisfied belly can only add to the happiness. Also, if alcohol is being served at the reception, make sure his favorites are on the menu.

2. Let him manage the budget: If he has good math skills, let him handle the money side of things. This way he will feel in charge, while you still have the opportunity to pick the theme and create the wedding of your dreams ... without going broke.

3. Help make the lists: There are two important lists that contribute to a wedding's success: the invitation list and the DJ's playlist. Sit down and write the them together. It'll be a good way to get even more excited about the big day together.

Kellan Lutz Says Past Girlfriends Have Made the First Moves

Fans of *Twilight* hunk Kellan Lutz can stop speculating. Like many other male celebrities, Lutz has fallen victim to gay rumors. However, he assures his fans they are not true and that only insecure girls believe such nonsense. “Most of the girlfriends I’ve had have come after me. So it’s really funny when girls get offended because I don’t hit on them. They’ll transform their insecurity into ‘Oh that makes sense because I heard you’re into guys and have a boyfriend’...” The star has a lot of love for the LGBT community, despite the rumors.

[RadarOnline](#) reports that he even prefers gay men as roommates because they're typically cleaner. So ladies, if you ever want to approach Kellan Lutz, remember to be bold and secure with your tactics.

As a woman, what are some appropriate ways to make the first move?

Cupid's Advice:

Making the first move is a bold approach. Remember to look your best and be confident in your choice of words and actions:

1. Buy them a drink: Some guys may try to flip the script and buy you a drink, but stand your ground. This shows you're a person of interest and that you're independent and can hold your own.

2. Compliments: A good way to break the ice is to compliment them. Whether it's their clothes, shoes, or eyes, this helps to get the conversation flowing.

3 Ask them to dance: Although this is a little risky because not everyone likes to dance , it does show that you want to have fun, which is an attractive characteristic. If the guy you choose can't dance, hit them with some old school dances and make everyone laugh.

To counter that feeling, she decides to get her parents back together by moving her father in with her and her new husband, much to Charlie's dismay.

Through laughs and tears, this family finds a way to make it work despite all the emotional struggles they're going through.

What are the benefits of marriage counseling?

Cupid's Advice:

Marriage counseling does not guarantee a lack of divorce, but there are definitely benefits to the process even if it doesn't work:

1. Communication: The main thing that counseling does is provide a place to air all of your grievances. You can tell your partner all of the things you've been holding in. That way, everything you need to work on is on the table ready to be tackled.

2. Solutions: Whether the solution ends up being a divorce or getting back together, a decision is definitely necessary when you're at odds with your spouse. Marriage counseling provides a neutral place to decide.

3. Last shot: Marriage counseling comes before a split so that if there's any chance whatsoever that you may be able to work out your issues, you can do it. It's the last stop shop before making the decision to call it quits.

Robert Pattinson and Kristen Stewart: Date Night in Vancouver

R
obert Pattinson and Kristen Stewart got a taste of Spain last weekend at La Bodega, a tapas bar in downtown Vancouver. Though this date may have had the markings of a vampire coven when *Breaking Dawn* co-star Kellan Lutz along with a bodyguard joined them, it seems that sangria may have been the closest thing to blood that the *Twilight* stars were drinking at their hidden corner table. According to [People](#), the group left the bar in high spirits. Filming of the final chapter of *The Twilight Saga* is set to continue in Vancouver until mid-April.

Is it a date if you go out in a group?

Cupid's Advice:

The answer is "yes." As the *Twilight* stars have discovered, double dates, triple dates or even just dates with your friends can be bloodsucking fun:

1. Being a couple doesn't mean being exclusive: There are things that couples should exclusively share, but enjoying the company of others while out on a date can actually bring you closer as a couple.

2. Bring friends: Most couples share mutual friends. Why not share a night out on the town with them?

3. Double up: Double dates are always a fun start to the weekend.
