Where are three tropical paradises that make a good wedding venue?

Cupid's Advice:

With a lot of celebrities getting married in remote, tropical locations as opposed to churches and courthouses, your interest in an outdoor, luxurious wedding may have been piqued. Don't worry, we've got you covered! Below are three tropical paradises that make great wedding venues:

1. Aruba: One of the main reasons why this island makes for a great wedding venue is because of its predictable weather. Aruba presents a dry climate and it's outside of the hurricane

belt, so you can expect sunshine all year round! Once on the island, specific destinations to consider are the Divi group, which is all-inclusive for families and budget conscious, or the Bucuti and Tara beach resorts for its “adults only” spin.

2. Cancun/Riviera Maya: Because of the ecological diversity in this Mexican region, there are multiple, beautiful locations for weddings beyond the beaches. The historic Mayan ruins and lush rainforests can also create a picturesque ceremony. But, if you're looking for specifics, Dreams Puerto Aventuras is perfect for families, while Secrets Capri Riviera Cancun works wonders for an adult-only, all-inclusive event.

What are the differences in preparing for a baby girl versus a boy?

Cupid's Advice.

Aside from the obvious, there are inherent differences between girls and boys, and it's your job as a parent to be able to develop your child's skills accordingly. Here are some tips:

1. Research: As a new parent, do the proper research to know the ways in which baby boys differ from girls in terms of early childhood development.

2. Your childhood: Ask your family or your partner's family about the habits you each had as a baby. Your bundle of joy will probably have similar traits, and you'll be better equipped to deal with it.

3. Color scheme and theme: Of course you're going to decorate certain ways and purchase specific toys according to your baby's gender. Consider switching it up a bit; instead of pink and blue, go for yellow and green.
