

# Kardashians & the NBA: 10 Flings to Remember

There's no shortage of publicity following the Kardashians—and Kris Jenner is happy to keep it that way. But few trends have become as notorious as the rumored 'Kardashian Kurse', which is alleged to follow athletes who date one of the siblings and subsequently post the worst numbers of their careers.

With over a dozen NBA stars alone on the list of paramours for the Kardashians, no sporting sector is as at-risk of a pop culture curse as basketball. Even so, not every relationship has led to disastrous results for athletes who mingle with the dynastic family.

With players like James Harden and Blake Griffin both having spent ample time with Khloe and Kendall respectively, it's

clear there's an emphasis on success. Both players are now on the Brooklyn Nets' roster, where they're joined by Kyrie Irving and Kevin Durant.

Though Griffin had a few slow years in Detroit and Harden failed to bring Houston an NBA championship title, the future is bright at Barclays Center in Brooklyn. And with sports betting expanding to more and more US states, fans can take advantage of [Illinois free bets](#) and similar bonus offers when they're looking to back teams like the Nets.

Though there's no word if the Kardashians are willing to wager on their exes' performances, we certainly hope Khloe isn't betting too much on husband Tristan Thompson.

**Here are the ten most impressive NBA boyfriends who dated a Kardashian, ranked from best performance on the court to worst. Spoiler alert: Khloe's got the eye for talent.**

**James Harden**

*Khloe, 2018*

Though names ranked below Harden on this list have at least one NBA Championship ring, no other athletes have earned the accolades that the former King of Houston posted. During the height of his fame in Houston, Harden and Khloe Kardashian got cozy for nearly a year.

Though Harden's success on the court (with MVP and All-Star accolades) is proof that the Kardashian Kurse is mere speculation, he did open up about the difficulties that come with dating a global superstar.

### **Lamar Odom**

*Khloe, 2009-2016*

As one of the most infamous relationships of any Kardashian to date, Khloe's marriage with Odom remains a topic of speculation from the media. With an Olympic gold medal and two NBA Championships to his name, Odom was a force on and off the court.

Unfortunately for both Odom and Khloe, their seven-year relationship ended in a maelstrom of drama. However, the pair remain on amicable terms—and, yet again, Odom's downfall had little to do with Khloe.

### **Blake Griffin**

*Kendall, 2017-2018*

Though Griffin has yet to take home a Championship title, he's got multiple All-Star awards, All-NBA honors, and a Rookie of the Year accolade to keep him motivated in Brooklyn. His peek stardom coincided with his fling with Kendall in 2017. Oddly enough, for one of their first dates, Kendall and Griffin went on a double date with her former NBA paramour, Chandler Parsons, and his girlfriend at the time.

### **Tristan Thompson**

*Khloe, 2016-present*

Few men could make Lamar Odom's public meltdown in 2015 look worse, but Tristan Thompson was up for the challenge. Since beginning their relationship in 2016, Thompson and Khloe have undergone multiple public trials as a couple.

Though he's got one NBA Championship title under his belt,

Thompson likely has LeBron to thank for that, as his stats are less than impressive for a man with a finals ring.

### **Rick Fox**

*Khloe, 2015*

Given Fox's long and storied history in the NBA, which ended all the way back in 2004, news that he and Khloe were dating immediately made headlines after her split from Odom in 2015. With three NBA titles under his belt from his time with Kobe and Shaq with the Lakers, Fox may be one of the most impressive players on this list. Even so, it wasn't enough to keep him and Khloe together.

### **Devin Booker**

*Kendall, 2020-present*

One of the youngest players on this list, Booker is an All-Rookie and All-Star team recipient. However, he's also known for his recent involvement with Kendall Jenner. The pair have made headlines in the past year as they jet-set around the world. According to Entertainment Tonight in early March 2021, the pair are closer than ever.

### **Ben Simmons**

*Kendall, 2018-2019*

Though he's been the undisputed starting guard for the 76ers since he joined the team in 2016, some believe Simmons' lackluster performance on the court since 2019 is proof the Kardashians may muddle athletic careers. However, Simmons has since kicked these rumors, after a 2019 and 2020 place on the NBA All-Star team, as well as turning around the 76ers franchise.

### **Chandler Parsons**

*Kendall, 2014-2017*

Before Kendall took Parsons on her first date with Blake

Griffin or even met an athlete named Devin Booker, she spent years cozying up to Chandler Parsons. Though he's spent the most time with Kendall than any other athlete on this list, his NBA record is by far the least impressive—though he's never cited the Kardashian Kurse when interviewed about his time with Kendall.

### **Kris Humphries**

*Kim, 2011*

For reference to how successful Humphries' career in the NBA was, he's largely remembered for his 72-day marriage to Kim Kardashian. Since joining the NBA, Humphries had circulated around trying to find a place as a power forward—but to little success. After spending fourteen seasons in the NBA, he retired in 2017 with no accolades to show for it. During that time, he featured on more than eight rosters.

### **Rashad McCants**

*Khloe, 2008-2009*

If James Harden is proof that the Kardashian Kurse doesn't exist, and Chandler Parsons is proof that not every athlete gives the Kurse credence, then Rashad McCants is the naysayer looking to set the record straight.

Currently a free agent, McCants' prospects continuing his basketball career aren't great. Unable to top his prestigious collegiate career with the Sacramento Kings following a year-long stint with Khloe in 2008-09, McCants publicly blamed their relationship. Considering the Kardashians didn't ascend to global super-stardom until 2010 (for reference, Kim appeared on *Dancing with the Stars* in 2008), McCants' claims fall flat upon further inspection.

She's been flying in to see him whenever she can."

## **In celebrity news, Kendall and Ben may be giving their romance another chance. What are some factors to consider before giving your ex a second chance?**

### **Cupid's Advice:**

When you break up with someone, it's meant to be a final decision. That said, sometimes things change and there are good reasons to consider giving your ex a second chance. It's important to make sure you're doing it for the right reasons, however. Cupid has factors to consider:

**1. Why you broke up in the first place:** There's a wild difference between breaking up because your partner cheated on you to splitting because you were both busy with your careers. If a trust issue was at the heart of your issues, it may not make sense to jump back into things. If it was simply a lack of time that led to your break-up, you two could very well be in a different place now, making it okay to give things a second chance.

**Related Link:** [Celebrity Parents: Kendall Jenner Jokes on Social Media About Starting a Family](#)

**2. What page you're both on now:** It's crucial to have an open and honest conversation about where you both are in your lives right now. If the issues that led to your break-up before are still very real, there's no point in giving it a second shot, hoping for a different outcome. If some key things have changed that will make things easier this time around, that's great!

**Related Link:** [Celebrity Workout: Group Classes That'll Have You Sweating With Obsession](#)

**3. The reasons you want to be in the relationship:** When we break up with someone, it leaves a hole in your heart that your partner used to fill. Not only are you missing the romance, but you're missing that person you told everything to and who you spent the most time with. When you're deciding whether to get back together with someone, you need to make sure you aren't just doing it because you're lonely. The only reason to date someone is because you really see yourself with them romantically and they'll add to your life in a positive way.

When you are in a relationship that has true potential to become long-term, you and your partner should enjoy each other's company, have chemistry, and feel comfortable just being yourselves around one another. Cupid has some advice to help you decide if your relationship is built to last:

**1. You feel at ease being your true self with your partner:** Everyone is on their best behavior when dating someone new, but once you have been together a while and have reached the point you are considering your relationship becoming long-term you should be comfortable around your partner. Each of you should feel at ease being yourself with one another without worrying the other will be put-off by your personality.

doesn't necessarily mean you and your partner have to spend 100% of your time together. There will be times you want to go out with your friends without your significant other, and that is fine. If the two of you still have your independence without giving each other the guilt trip, this is another good sign you might be with the right person for a long-term commitment.

## Fitness Tips: Prepare for a Day of Hiking

By [Mara Miller](#)

Celebrities like [Kate Hudson](#), [Jessica Biel](#), and [Kendall Jenner](#) say hiking helps them stay crazy-fit, so why not think about taking a hike yourself with this [fitness tip](#)? Pack up your gear, grab your sweetie or your dog, and go for a nice long walk. Taking a hike is a good way to reduce stress levels, it makes you unplug from electronics, and it helps you lose weight!

**In this fitness tip, we'll explore what you need in order to have a safe hike for a mini getaway from life.**

It's important to be prepared for your hike. If you're not used to hiking and decide to do it spur of the moment, it can have some disastrous consequences like dehydration or injury. If you follow these tips, you'll have fun on your hike and won't have to worry about any of the negatives:

**1. Make sure you have a buddy:** Depending on the trail you take, it can be dangerous to hike alone. It's best to plan your hike with your partner or a friend in case anything happens on your hike. Remember, you've probably chosen a day of hiking to be closer to nature, but nature (and snakes and other wildlife) will be closer to you!

**Related Link:** [Travel Tips: Top Five Romantic Spots in the Bluegrass State](#)

**2. Research the trail you've chosen:** Finding a map of the place you plan to hike is important. You don't want to get lost and it's a good idea to know where it comes out so you don't end up hiking for days.

[Travel Tips: Three Historical Colonial Towns You Need to Visit](#)

**3. Make sure you're physically prepared:** Hiking is just like any other workout. You want to make sure you're prepared so you don't injure yourself. Yoga is a good way to prepare because you're stretching out your muscles before you do any intense walking.

**4. Dress smart:** Cotton dries slowly, which can cause chafing, and loses its thermal properties when wet. Try modern backpacking clothes, which do away with all the problems cotton can cause. And don't forget a good pair of hiking boots—the more lightweight, the better—either.

**5. Water, water, water:** Make sure you bring enough water to support you while you're hiking. The last thing you want to do is get so dehydrated that you have a migraine for two days after you are finished with the hike, especially if you choose to do it on a hot day. Dehydration is dangerous, and it can be more dangerous when you are cut off from the world if your cell phone loses signal on the hike.

**In celebrity news, this duo misses each other when they aren't**

# together. What are some benefits to missing your partner?

## Cupid's Advice:

Every couple needs space, some more than others. It really all depends on who the people are. Missing someone can actually be a good thing though. Cupid has some benefits to missing your other half:

**1. Distance does make the heart grow fonder:** When you miss someone, you get that warm feeling inside that makes you think about how much you love them. This can stir up some cute and/or sexy texts, phone calls, or video chats. Embrace the distance instead of completely hating it. And when you see each other again, it's on, let the in-person loving resume.

**2. You'll have more to talk about:** Don't get us wrong, when the right people are together, they never run out of things to discuss. However, when you're away from the other person, you obviously have more to tell. This is a good opportunity to also work on your story-telling skills!

**3. You both get to do your own thing:** Whether you're out learning something new, doing anything productive, or just having fun – do you. You can also come back and bring something new to the table after you both go out and do things because technically you guys are “covering more ground.”

What a celebration!

**In celebrity baby news, Khloe enjoyed a baby shower while also celebrating her partner's birthday. What are some ways to balance celebrations in your family?**

#### **Cupid's Advice:**

Celebrating two events in a day can create some very busy energy, but that doesn't make it any less fun! Cupid has some ideas on ways to maintain the balance between both family celebrations:

**1. Plan ahead and thoroughly:** One event takes time to plan, so imagine two. You don't want to stress yourself out. Ask for help planning if needed. There are many things to consider when planning, so make an agenda and get started when possible. When planning both events side by side, you are more likely to keep them balanced as well.

**Related Link:** [Rachel McAdams Is Pregnant With Her First Child](#)

**2. Make the events equal in size:** Of course this depends on

what type of events you are coordinating, but if you want to create two balanced ones on the same day, without one event outshining the other, it could be a good idea to make them the same size. When thinking of size, you should consider guest lists, themes, decorations, amount of food, etc. Again, this depends on the type of events.

**Related Link:** [Meghan Markle Gets Baptized at Chapel Royal at St. James Place Prior to Celebrity Wedding](#)

**3. Schedule properly:** Time management is important. One event should be during the day and the other in the evening, ideally. Plan accordingly by scheduling the events at specific times for specific time periods, with enough room to change clothes if necessary and traveling. There should be a reasonable gap in between, so in order to consider this properly, the events should be on a somewhat tight schedule for the best, stress free results.

# Beauty Trend: 5 Face Masks to Try

By [Rachel Sparks](#)

Fall is coming. That means sugary delights, flavored coffees, chunky sweaters, and all those knits you've been dying to wear for the past six months. That also means dry skin, and what's worse than a flaky face? Celebrities like [Kendall Jenner](#) always have glowing skin, despite the season. How do they do it?

# Follow this beauty trend, and check out our winter season face mask recommendations for all your skin care needs.

Our skin needs change as seasons move on. Age, hormones, stress, and make-up all add their set of troubles. When choosing a mask, focus on what your skin needs and what issue you want to target. Whatever your concern, be it wrinkles, hydration, brightening, lifting, or acne, we've got your introduction to masks.

**1. Honey and coconut mask:** Soothe those winter wrinkles with this double-power hydrating mask. Winter dries you out and no matter your age, those cold winds wear down the skin. Give your skin a break by re-hydrating, brightening, and lifting with a honey coconut mask.

**Related Link:** [Beauty Tricks: 7 Ways to Maintain a Young-Looking Face](#)

**2. Moisture bomb:** For ultimate hydration, try a sheet mask. Sheet masks are the newest beauty trend and are worth trying; you'll fall in love! They cool, soothe, hydrate, and decrease puffiness. For extra hydration, don't wash your face immediately after taking off the mask; let your skin soak up as much moisture as it can.

**3. Brightening mask:** Brighten your skin for that healthy summer glow all winter long. Look for paraben, sulfate, and phthalate-free masks to avoid further chemical pollution. Continue use weekly, or as needed, until you find your skin to have that photo-ready glow.

**Related Link:** ['Botched' Star Dr. Paul Nassif Launches New Anti-Aging Skincare Line](#)

**4. Purifying mask:** Clay masks used to be all the rage, and for this clarifying option we urge you to return to that trend. Letting the clay rest on your skin brings toxins to the surface, and whether it's a peel or scrub off type of mask, both options rid your skin of contaminants for a clear complexion.

**5. Mud firming treatment:** Mud masks are great outside of the spa, too. They pull the skin inward, tightening loose sections and reducing age lines by years. reproduce spa day at home for a return to a younger version of yourself.
