

Beauty Tips: Colored Eyeliner

By [Melissa Lee](#)

The beauty world is constantly changing, and sometimes it feels a little difficult to keep up. On top of that, it can

get easy to get super bored with your every day makeup routine. A solution to both of these worries comes in the form of 2017's hottest beauty trend – colored eyeliner! While it may sound a little intimidating, don't worry. There are plenty of ways to rock this look, regardless if you're looking to go bold or subtle. Head below to check out ways to wear colored eyeliner this season.

Check out some of Cupid's beauty tips on how to rock colored eyeliner below!

1. Start light: If your every day makeup look is relatively neutral, try starting with white eyeliner. This look has been rocked by celebs like Kerry Washington, who made white eyeliner look super classy on the red carpet. Paired with a natural eye look, line the your eyelids with white eyeliner. If you're feeling a little bolder, try a cateye by adding small flicks to the ends.

2. Blue is the new black: Lady Gaga is notorious for ditching black eyeliner for blue, and has been showing this look off on her tours. Take a page out of Gaga's book with this neon dream. Sweep a fun eye shadow color over your lids (green, pink, even purple) and pair with neon blue eyeliner on your waterline.

3. Multicolored: Looking for something even crazier? Try this out: multicolored liquid eyeliner. Emily Ratajkowski showed this amazing look off at this year's Met Gala and it was a hit! Her makeup artist blended together two different liquid eyeliner colors (blue and green) and lined her lash line. Extend the eyeliner a little past your lids for a cute cateye look and you're all good to go!

4. Reverse it: Dianna Agron tried reverse eyeliner out on the red carpet last year and we're obsessed! She lined her lids with regular black eyeliner (a cateye, of course), but made a bold statement by sweeping neon pink eye liner on her waterline. This graphic look is guaranteed to stand out, especially when paired with neutral lips and face makeup.

5. Sharp and clean: If you want the colored eyeliner to be the complete star of the show, consider trying this look out. Line the tops of your lids with a fun eyeliner color (blue, red, maybe even purple too!), and call it a day. Apply some mascara to your eyelashes and finish with a dewy, natural face.

Celebrity Couple Predictions: Jessica Biel, Faith Hill and Kerry Washington

By [Shoshi](#)

For today's column, I want to look at three celebrity couples that tend to keep their relationship out of the spotlight but

are faced with tabloid rumors nonetheless:

Jessica Biel and Justin Timberlake: This A-list pair recently celebrated a year of marriage – which means that this union has already lasted longer than many predicted. Every few months, there's a story about Timberlake cheating with a hot blonde or mystery brunette; it's a shame, but there may be something to it. When I look at their energy, the actress seems to be 100 percent into the marriage, while her husband isn't as present. That's not to say he doesn't love his wife; it's just to note that there is a piece of himself that isn't completely committed to their relationship. His energy appears to be up and down, which could be trouble in the long run.

Biel is a beautiful woman who seems quite lovely as a person, but she's rather boring. It can be argued that maybe that is why the marriage works. A part of the sexy singer wants stability, which his wife gives him, but there's also a side of him that craves something else.

I do see baby energy circling the couple, so expect a pregnancy announcement really soon. Wishing them the best on the pitter-patter of little feet!

Faith Hill and Tim McGraw: Country music's most beautiful couple is rumored to be getting a divorce (yet again). Don't hold your breath on this one, ladies. Hill isn't going anywhere, and there won't be a breakup (at least for now). Rumors are swirling about McGraw having an affair with Taylor Swift and having bisexual relations with men. Normally, within any set of rumors, there are some truths. Even so, Hill knows who her man is, which is the only important thing.

The rumors are, however, taking a toll on their relationship. My spiritual sources tell me that these two have an understanding: What happens on the road, stays on the road.

Still, it's hard to not bring some of it home. They are working through all of it as they have worked out other issues in the past. Sometimes, McGraw may sleep on the couch, but if you're waiting for divorce papers between these two, you'll be waiting a long time. It's not even a consideration for this power duo.

Kerry Washington and Nnamdi Asomugha: There are plenty of Hollywood couples that have drama around them, so I decided to take a look at a very happy pair: Kerry Washington and her new hubby Nnamdi Asomugha. Their wedding came as quite a surprise to most people because the actress doesn't like to talk about her personal life in interviews. There is even a rumor circulating that this private pair are *not* married – which is a prime example of why she kept her relationship a secret, even from her friends. Let's keep it real: Some friends cannot keep their mouths shut.

Not long ago, Washington announced that a baby was on board, and two weeks before she confirmed her pregnancy, I saw baby energy circling her when she was on a talk show. She is quite literally glowing. What could be better than a hit show, handsome husband, and baby on the way?

The only issue this couple has right now is that Asomugha, a football player, recently got cut from the San Francisco 49ers. The good news is he made some decent money from his contract, so even though he's unemployed, there's no need to worry about them being broke when the baby arrives. Other than that, these two are doing great; they are well matched and support one another.

Marries NFL Beau Nnamdi
Asomugha**

Django Unchained starlet, Kerry Washington wed San Francisco 49ers player, Nnamdi Asomugha in a secret ceremony last month.

A source dished to [People](#), “Everything was held at one of Kerry’s friend’s houses. They flew a few people out on this little private plane.” The ceremony was very simple and small, with only family and close friends in attendance. Washington also chose a minimalistic chic plain white dress.

How do you keep your wedding simple and sweet?

Cupid’s Advice:

If you’re looking to follow Washington’s lead and have a simple and sweet wedding, then you’re in luck because Cupid has some advice for you:

1. Guest list: If you want the ceremony to be more intimate then don’t go crazy with your guest list. Only invite immediate family members and friends that you’re super close with.

2. Simple attire: A low-key wedding means low-key attire. Opt for a simplistic chic wedding dress that you’ll be able to wear again. Your hubby can rent a tuxedo rather than go through the hassle and expense of purchasing his own.

3. Don’t try to impress people: Once you get into trying to show off to your friends and family is when your wedding becomes more of a show than a ceremony. Your guests are there to celebrate your union as a couple, not for you to show off to.

Kerry Washington Weds Nnamdi Asomugha

By Petra Halbur

Kerry Washington and Nnamdi Asomugha tied the knot in a very private ceremony on June 24 in Hailey, Idaho. According to

People, the witnesses at the wedding were listed as Washington's parents. Though the couple began dating last summer, they have worked to keep their relationship out of the public eye. After her split with her fiancée, David Moscow, in 2007, Washington told *People* that she, "was always that girl who was in long-term relationships ... I am totally the girl who gets introduced to someone through a mutual friend and a dinner party, falls in love and then is with them for like two years."

What are some ways to keep your wedding plans under wraps?

Cupid's Advice:

Nothing exacerbates the stress of planning a wedding quite like the constant prying and "helpful advice" from well-meaning friends and family. Sometimes it's best to keep your wedding plans under wraps. Cupid has some ideas for how to do that:

1. Keep it simple: Plan a low-key ceremony that does not require a lot of preparation (by wedding standards). This will not only make it easier for you to keep your wedding plans hidden, it will also minimize the stress of planning a wedding in which so few people are available to help you.

2. Be vocal about what you want: It's not rude to let people know when you announce the engagement that you would like to keep your wedding plans under wraps. This is your wedding and you are entitled to plan it however you wish.

3. Get a support team: If you are going to limit the number of people involved in your wedding preparations, then organization is of the utmost importance. Assemble a support team of close friends or wedding professionals (preferably both!) to help you pull this wedding off.
