Cupid's Advice:

Do you agree with Teddy that a secret is unavoidable in certain circumstances during a relationship? Cupid has some reasons to avoid keeping secrets from your partner and why secrets, even if they're harmless, can ruin your relationship.

1. Keeping a secret from your partner proves you're being dishonest: In a relationship, honesty is always the best policy. Keeping a secret from your significant other is very similar to lying and can break the trust in a relationship.

3. Deceit quickly multiplies into mistrust: Once you've let your secret lead to deceit, the more it will affect your relationship. Deceit can often lead to breaking the trust in your relationship.

4. Keeping secrets is a breeding ground for betrayal: Avoiding to mention important facts to your partner can lead to further deception or betrayal. Being open and honest with your partner will encourage trust and open communication.

5. Relationships are often ruined by lies: Secrets and lies cause couples to grow apart. It's difficult to forgive your

partner once you've found out that they've lied to you and kept a secret from you.
