

Kardashians & the NBA: 10 Flings to Remember

There's no shortage of publicity following the Kardashians—and Kris Jenner is happy to keep it that way. But few trends have become as notorious as the rumored 'Kardashian Kurse', which is alleged to follow athletes who date one of the siblings and subsequently post the worst numbers of their careers.

With over a dozen NBA stars alone on the list of paramours for the Kardashians, no sporting sector is as at-risk of a pop culture curse as basketball. Even so, not every relationship has led to disastrous results for athletes who mingle with the dynastic family.

With players like James Harden and Blake Griffin both having spent ample time with Khloe and Kendall respectively, it's

clear there's an emphasis on success. Both players are now on the Brooklyn Nets' roster, where they're joined by Kyrie Irving and Kevin Durant.

Though Griffin had a few slow years in Detroit and Harden failed to bring Houston an NBA championship title, the future is bright at Barclays Center in Brooklyn. And with sports betting expanding to more and more US states, fans can take advantage of [Illinois free bets](#) and similar bonus offers when they're looking to back teams like the Nets.

Though there's no word if the Kardashians are willing to wager on their exes' performances, we certainly hope Khloe isn't betting too much on husband Tristan Thompson.

Here are the ten most impressive NBA boyfriends who dated a Kardashian, ranked from best performance on the court to worst. Spoiler alert: Khloe's got the eye for talent.

James Harden

Khloe, 2018

Though names ranked below Harden on this list have at least one NBA Championship ring, no other athletes have earned the accolades that the former King of Houston posted. During the height of his fame in Houston, Harden and Khloe Kardashian got cozy for nearly a year.

Though Harden's success on the court (with MVP and All-Star accolades) is proof that the Kardashian Kurse is mere speculation, he did open up about the difficulties that come with dating a global superstar.

Lamar Odom

Khloe, 2009-2016

As one of the most infamous relationships of any Kardashian to date, Khloe's marriage with Odom remains a topic of speculation from the media. With an Olympic gold medal and two NBA Championships to his name, Odom was a force on and off the court.

Unfortunately for both Odom and Khloe, their seven-year relationship ended in a maelstrom of drama. However, the pair remain on amicable terms—and, yet again, Odom's downfall had little to do with Khloe.

Blake Griffin

Kendall, 2017-2018

Though Griffin has yet to take home a Championship title, he's got multiple All-Star awards, All-NBA honors, and a Rookie of the Year accolade to keep him motivated in Brooklyn. His peek stardom coincided with his fling with Kendall in 2017. Oddly enough, for one of their first dates, Kendall and Griffin went on a double date with her former NBA paramour, Chandler Parsons, and his girlfriend at the time.

Tristan Thompson

Khloe, 2016-present

Few men could make Lamar Odom's public meltdown in 2015 look worse, but Tristan Thompson was up for the challenge. Since beginning their relationship in 2016, Thompson and Khloe have undergone multiple public trials as a couple.

Though he's got one NBA Championship title under his belt,

Thompson likely has LeBron to thank for that, as his stats are less than impressive for a man with a finals ring.

Rick Fox

Khloe, 2015

Given Fox's long and storied history in the NBA, which ended all the way back in 2004, news that he and Khloe were dating immediately made headlines after her split from Odom in 2015. With three NBA titles under his belt from his time with Kobe and Shaq with the Lakers, Fox may be one of the most impressive players on this list. Even so, it wasn't enough to keep him and Khloe together.

Devin Booker

Kendall, 2020-present

One of the youngest players on this list, Booker is an All-Rookie and All-Star team recipient. However, he's also known for his recent involvement with Kendall Jenner. The pair have made headlines in the past year as they jet-set around the world. According to Entertainment Tonight in early March 2021, the pair are closer than ever.

Ben Simmons

Kendall, 2018-2019

Though he's been the undisputed starting guard for the 76ers since he joined the team in 2016, some believe Simmons' lackluster performance on the court since 2019 is proof the Kardashians may muddle athletic careers. However, Simmons has since kicked these rumors, after a 2019 and 2020 place on the NBA All-Star team, as well as turning around the 76ers franchise.

Chandler Parsons

Kendall, 2014-2017

Before Kendall took Parsons on her first date with Blake

Griffin or even met an athlete named Devin Booker, she spent years cozying up to Chandler Parsons. Though he's spent the most time with Kendall than any other athlete on this list, his NBA record is by far the least impressive—though he's never cited the Kardashian Kurse when interviewed about his time with Kendall.

Kris Humphries

Kim, 2011

For reference to how successful Humphries' career in the NBA was, he's largely remembered for his 72-day marriage to Kim Kardashian. Since joining the NBA, Humphries had circulated around trying to find a place as a power forward—but to little success. After spending fourteen seasons in the NBA, he retired in 2017 with no accolades to show for it. During that time, he featured on more than eight rosters.

Rashad McCants

Khloe, 2008-2009

If James Harden is proof that the Kardashian Kurse doesn't exist, and Chandler Parsons is proof that not every athlete gives the Kurse credence, then Rashad McCants is the naysayer looking to set the record straight.

Currently a free agent, McCants' prospects continuing his basketball career aren't great. Unable to top his prestigious collegiate career with the Sacramento Kings following a year-long stint with Khloe in 2008-09, McCants publicly blamed their relationship. Considering the Kardashians didn't ascend to global super-stardom until 2010 (for reference, Kim appeared on *Dancing with the Stars* in 2008), McCants' claims fall flat upon further inspection.

Long distance relationships can be difficult to navigate, no matter how prepared you may feel to take on the challenge of living in different places. However, with some hard work, long distance relationships can be successful. If you are looking for ways to make a long distance relationship work, Cupid has some advice for you:

Celebrity Couple News: Khloé Kardashian & Tristan Thompson Want to Buy a New Home Together

By Diana Iscenko

In the latest [celebrity news](#), [Khloé Kardashian](#) and Tristan Thompson are searching for a new home together after the [celebrity exes](#) reunited during the pandemic. A source close to the pair told *UsMagazine.com* of their plans to live together after their breakup in February 2019: “Tristan wants to prove

to Khloé that he has changed and wants to make this permanent with a family home.” The [celebrity couple](#) shares a two-year-old daughter, True.

In celebrity couple news, Khloé and Tristan are on such good terms again that they’re looking to buy a home together. What do you do if you and your partner disagree on the features you want in a home?

Cupid’s Advice:

When you and your partner are ready to move into a new place together, you’re likely excited about this next step in your relationship. Unfortunately, you might find out you and your partner can’t agree on what you want in a home. If you’re worried about making this compromise, Cupid has some advice for you:

1. Decide your must-haves: Both you and your partner should make separate lists of your must-haves for your new home. Compare lists afterward and find out what you agree on from the get-go. Use these features you already agree on as the foundation for your house search.

2. Focus on your budget: Most couples have a hard time deciding on a budget. A good rule of thumb is your monthly payments should be less than 25% of your net pay. Going by this rule gives a more definite budget and can prevent you (or your partner) from wanting to get a home outside of this

range.

3. Lean on your realtor: Your real estate agent will be knowledgeable about the housing market in your area and should be able to give you and your partner impartial advice. They won't be able to magically fix your disagreement, but they might be able to help you reach that compromise.

Holidays are a great time to be with the people that you love most, and for a lot of people that means being with their partner, but not everyone feels the same way. If you are debating if you should spend holidays with your partner, Cupid has some advice for you:

1. Share the intimate moments: Since there is no work or school on national holidays, there's nothing else for you to do besides enjoy the holiday and be with the people you love. Instead of running around like you would on a regular day, you can not only be with your partner, but be present with your partner. You can cherish those long lasting memories that you make on holidays together.

In celebrity news, Tristan Thompson still has hope for a relationship with his ex Khloe Kardashian. What are some factors to consider before getting back together with an ex?

Cupid's Advice:

Tristan Thompson is desperately trying to win back his ex-girlfriend, Khloe Kardashian. While it might seem like the perfect idea to get back with an ex, Cupid has some [relationship advice](#) on which factors to consider before you jump back into the relationship:

1. Is it mutual?: [Taylor Swift](#) sang, "We are never ever getting back together...like ever," and she meant it. You don't want to come across as a crazy ex, so make sure your ex is comfortable with pursuing the relationship again. If not, then it is time to move on to something healthier.

2. Were you happy?: Sure, every relationship has its ups and downs, but ask yourself if you were truly happy in the relationship or if you're clinging onto a few happy moments. Your happiness should be put first and foremost when it comes to a decision like getting back into a previous relationship.

Make sure this is something you truly want.

3. What has changed?: Your relationship ended for a reason. Celebrity Diet: Are Detox Teas Good for You?

By [Ashley Johnson](#)

Going on a detox can sometimes be the best thing for your body and mind. However, taking detoxes to the next level can be dangerous if you are not careful. While the primary goal of a detox is to eliminate harmful substances from your body, detox teas may actually be inviting them in. In celebrity diet news, celebrities like [Khloe Kardashian](#) and Cardi B have endorsed detox teas on their Instagrams, while other celebrities like Jameela Jamil and U.S. Paralympic gold medallist Brenna Huckaby`have spoken out against them calling them 'toxic'. Before you take the detox tea diet to extremes in true [celebrity fashion](#), Cupid has some [fitness](#) and [food](#) advice on what you should consider.

Here's some fitness advice on what to keep in mind before trying out the detox tea craze:

Teas are typically one of the healthiest drinks you can

consume. They have been known to boost your immune system and protect your bones with the power of its antioxidants. However, detox teas are not always healthy and can sometimes contain a lot more than tea leaves. While some detox teas contain normal tea ingredients, others may contain toxins, drugs or medication. Contrary to drinking normal tea, here are some things you may want to watch out for when drinking detox tea:

1. Water weight loss: Detox teas don't actually make you lose body fat, but can help you lose water weight. Water weight is all the extra water that your body retains, and losing that water weight can certainly make you feel lighter. Even if you are not necessarily losing actual body fat, you can be tricked into believing you have, as two cups of water weighs approximately one pound.

2. Electrolyte imbalance: Consuming too much detox tea and having to frequently use the bathroom can lead to dehydration and ultimately electrolyte abnormalities. An electrolyte imbalance in your body means you are at risk for muscle spasms and an abnormal heart rhythm.

Related Link: [Fitness Tips: 7 Ways to Speed Up Weight Loss](#)

3. Unwanted side effects: Detox teas are primarily made up of the senna plant and caffeine, and these two ingredients together very much act as laxatives. This means the tea can be accompanied by diarrhea, abdominal pain, gas, nausea, and much more. The list of side effects for detox teas is rather long and also includes heart attacks, seizures and even death.

Related Link: [Celebrity Diet: Does Going Vegan Hurt Your Health?](#)

4. Caffeine: While the average tea contains less caffeine than a normal cup of coffee, detox tea may actually contain the highest amounts of caffeine when comparing the two. Of course this means the detoxifier also comes with some of caffeine's

most unpleasant, yet common side effects. Side effects may include restlessness, nervousness, headache and fast heart rate.

5. Sleep problems: With detox teas having such high amounts of caffeine, having sleep problems should come as no surprise on this list of things to consider. You may not only experience problems falling asleep, but may also find yourself having trouble staying asleep. Furthermore, not getting enough sleep has also been studied to be linked to weight gain, which is probably the exact opposite of what individuals aim for when starting the detox tea diet.

Celebrity News: Jordyn Woods Parties with Khloe Kardashian's Ex James Harden

By [Katie Sotack](#)

It looks like more Kardashian exes are after Jordyn Woods! Model, Woods was seen partying at a Houston nightclub with NBA player James Harden, according to *People.com*. Celebrity exes [Khloe](#) and Harden ended things three years ago, but after Khloe's baby daddy Tristan Thompson made moves on Woods, the tensions between the superstar family and Jordyn over exes are high. Woods seems to be attracting all the same men as the Kardashian sisters, as she was spotted with [Kim](#)'s ex Ray J as well. Though Woods claims she's as sorry and apologetic as she can be, Khloe maintains she never wants to see her again.

In [celebrity news](#), Jordyn Woods may be asking for more drama with Khloe Kardashian. What are some basic rules when it comes to friends'

exes?

Cupid's Advice:

According to Khloe Kardashian, her friendship with Woods is totally over. Yet with feelings still webbed between the two and their exes, does girl code still apply? Here are the laws of the land when interacting with a friend's ex:

1. Not too friendly: Unless this ex was part of the friend group before your bestie started dating them, it's best to pull back from that budding friendship. Don't go around commenting on their Instagram posts and bar hopping with them. It's better to let your friend know they're your number one. This doesn't mean you have to hit the unfollow button or that you can't be social at parties. Just try not to be their closest confidant.

Related Link: [Celebrity Wedding: 'Vanderpump Rules' Stars Tom Schwartz & Katie Maloney Get Official Marriage License in Vegas 2 Years After Wedding](#)

2. Dating an ex?: You two really clicked and they might be, like, the love of your life. That doesn't make the situation as less tricky. Parse out if you *really* have feelings for this ex, that go beyond lust. Then if you're sure you need to be with them, go to your friend first. This doesn't mean you'll be free and clear from any negative fall out, but your friend will respect that you didn't go behind their back.

Related Link: [Celebrity News: Camila Cabello Opens Up About Anxiety Struggles](#)

3. Take your friend's side: Even if you don't agree with their bitching they likely need to vent about the relationship. Don't use this time to point out that their ex wasn't all the bad. After the breakup let your friend blow off steam for the

first few weeks. After that if they're still bitter, let them know it's not benefiting them to fret over the past.

By Katie Sotack

In celebrity pregnancy news, Tristan's ex is blaming Khloe Kardashian for her pregnancy complications. What are some ways to keep stress from affecting your pregnancy?

Cupid's Advice:

Pregnancy is a wonderful time for mothers-to-be, but there's no denying the added stress of growing another life. Staying relaxed can help ensure a healthy and complication free pregnancy. Here are some ways to eliminate stress:

1. Get enough rest: getting the recommended 8-10 hours is essential to your mood and the babies health. Lack of sleep throws off your bodies regulatory hormones and adds to stress.

According to *UsMagazine.com*, though it was all fun and games, Bristowe didn't hesitate to diss her ex in a word association game saying Viall's name negatively in association with "the right reasons." Though it's been years since they've dated, it's clear there's still bad blood even after all this time.

In celebrity news, these exes are

clearly not on good terms after their break-up. What are some ways to keep old hurts from your exes from affecting your current life?

Cupid's Advice:

It can be hard to move on from an ex when you've broken up on bad terms. It's best not to let those old wounds reopen and keep you from living your life. It's not always easy to be friends with your ex, like Kourtney Kardashian is with Scott Disick, but it is possible to prevent that old relationship from holding you back like [Khloe Kardashian](#) after her break up with Tristan Thompson. Cupid has some tips:

1. Be comfortable moving on: Sometimes when you're afraid of being alone, you tend to hold on to toxic people. Holding on to exes who are not good for you can lead to being resentful and holding onto bitterness, like Bristowe with her ex Viall.

Celebrity News: Are Khloe Kardashian & French Montana Getting Back Together?

By Megan McIntosh

Though they were previously a thing, French Montana and [Khloe Kardashian](#) are not a [celebrity couple](#), according to *UsMagazine.com*. After Kardashian's divorce from Lamar Odom, she moved on with French Montana, but admitted that she "was not in a good place" when they dated. Now, after her breakup with Tristan Thompson, she is currently "not thinking about her love life at the moment" and is instead focusing on her daughter, True.

In celebrity news, it seems this rumor is unfounded. What are some reasons you should think twice before getting back together with your ex?

Cupid's Advice:

It can be difficult to know when it's right to rekindle an old flame. How do you know you shouldn't take that step and try getting back together; that it's time to really let it go and move on? Cupid has some advice:

1. Nothing has changed: What was the reason you broke up with your partner? Is that still an issue between you two? If nothing has changed since you broke up, then there's no reason to get back together. The issue will only re-emerge and cause a future break up.

Related Link: [Celebrity Break-Up: Adele & Simon Koneckis Call It Quits](#)

2. The reason you're returning isn't a good one: Why are you getting back together with your ex? Is it because you genuinely have a connection, or is it because you want closure? Never return to an ex because you don't understand

the break up. If you broke up, there must have been a reason. If that reason still stands, so should the break up.

3. It might be a rebound: Never rekindle an old flame for a rebound. If you broke up with someone, there's no reason to return to another ex as a rebound. If there's no emotional attachment, you can try to have fun. But, inevitably, feelings always pop up. If you want to rekindle with an old flame, it should only be you two involved in the why.

Beauty Tips: 5 Natural Ways to Make Your Lips Look Fuller

By [Jessica Gomez](#)

Who doesn't want full, luscious lips? If you want to stay away from lip injections, like many of us, read this article and find out five simple ways to make your lips look plump. When we say "simple," we mean simple! These [beauty tricks](#) aren't rocket science, you'll see.

Here are five beauty tips for those of us craving fuller lips!:

1. The toothbrush trick: With this method, you'll be able to get two things done at once. Use a toothbrush to scrub your lips – this will boost circulation, making your lips look fuller. At the same time, it will make your lips soft! It's easy. You can use petroleum jelly or a lip scrub to exfoliate your lips.

2. Use lip plump gloss: You can choose to opt out of using your regular lipstick and lip glosses and instead use one with plumping ingredients. There are lip products that are made for the person who wants fuller lips without the injections. Apply it during your makeup routine and take it with you to retouch as needed. And remember, get one that is cruelty free (doesn't test on animals)!

3. Use essential oil lip balm as a base: Peppermint oil doesn't irritate the way cinnamon oil does, but you can use whichever you prefer. These oils will create a sort of swelling effect, though nothing drastic. Find lip balms with either of these ingredients and apply it to your lips before you apply your makeup.

4. Fill them out with lip liner: For this makeup trick, you're going to want to apply lip liner that is about a shade or two darker than your lips. Trace right above your lips with the pencil, not too high above (you'll look silly because it'll be noticeable). Next, fill in your lips with the same color, and voila, you've got fuller looking lips! This may remind you of sisters [Kylie Jenner](#) and [Khloe Kardashian](#), because they use this technique often.

5. Use two different lip colors: Aim for a nude color, as darker colors make the mouth look smaller. Apply one shade on your lips, next, apply the lighter shade to the middle of your lips. This will create the illusion of plump lips – yes, please! It's that simple.

Kardashian an “Idiot” for
Staying with Her BF**

By Mara Miller

Tension is running high in the Kardashian family because of the celebrity couple. What are some tactful ways of telling a loved one you don't like their S.O.?

Cupid's Advice:

It's not easy to tell your loved one that their significant other is a lousy person, especially when they aren't ready to listen to you. What are some ways you can tell them how you feel without the family drama?

1. Sit them down for tea or coffee: Don't let them know what you think about their S.O. publicly. Invite them over for a private conversation. Your loved one might not be willing to hear what you have to say about their spouse, but a private conversation in the living room will be more effective than a status post on Facebook about how much you hate the person your loved one is dating.

2. Let them know you realize they might not be ready to hear it: Don't name call and most certainly do not yell. Let them vent about the situation if they need to their feelings off of their chest. Having a conversation about your concerns over the person your loved one is dating with a level head and in a respectful manner will get your point heard faster than a petty back-and-forth through text messages.

There's also the long-term things like daycare and schooling added on to your daily expenses. According to USDA estimates, two-parent households spend's 27% of their income on one child, as the children multiply: two children 41% and three 47%. It's a lot to consider.
