By [Carly Horowitz](#)

On Thursday morning, [Khloe Kardashian](#) welcomed her new

[celebrity baby](#) girl into the world with Tristan Thompson! Hopefully the two can sort out this situation for the sake of their new baby girl!

**This [celebrity baby news](#) is somewhat tainted by the cheating allegations that came out about Khloe's man Tristan. What are some ways to shield your child from negative relationship turns?**

### **Cupid's Advice:**

Sometimes unsatisfactory aspects in your relationship can emerge out of the blue. It is important that these negative occurrences don't affect your child in a bad way. It is definitely beneficial for your child to come to terms with life and do realize that everything is not perfect, or else they could become too sheltered. But it could also serve detrimental if they are exposed to too much negativity. Here are some ways to protect your child against negative parental relationship trauma:

**1. Never stop showing them love:** Depending on how old your child is, they may or may not pick up on the relationship struggles you are going through if you do a good job at keeping it between you and your partner. But nevertheless,

never stop showing your child love. Try not to be too over the top lovey dovey towards them because then it may seem like you're trying to compensate, and the love for your child, or anyone, should just be natural.

**2. Don't let them in on too many details:** Your child has a right to know what's going on in their parents' lives, but of course they don't need to know everything. If you and your partner are going through a relationship struggle, you can let your child in by saying something like "Mommy and Daddy aren't agreeing with each other lately but we are working on it." You don't need to tell them that one of you cheated or that you think you may be falling out of love.

**3. Never let them lose sight of the wonderful things in life:** You don't necessarily have to 'shield' your child from negative things in order for them to not come emotionally disturbed. You just have to remind them that yes even though these bad things may be happening right now, there are so many other magnificent aspects going on as well. The important thing is to not jump to conclusions right away. However, there are some things that you just shouldn't ignore, and here they are:

**1. They're extra secretive with their phone:** One thing is wanting to protect your privacy, but it is a whole other thing to guard your phone with your life when around your significant other. # soon-to-be born baby. What are some ways to keep expectations from affecting your children?

## Cupid's Advice:

It is so fun to fantasize about which specific aspects your child will inherit from both you and your partner. Although, you should not let that overtake the beauty of nature. Your child is going to be so beautiful and will inherit great aspects from you and your partner. It may not be exactly what you hoped for, but you will end up finding it to be perfect anyway. It may be hard sometimes, both before your child is born and much later down the line, to keep your expectations from affecting your children. Fortunately, Cupid is here with some tips on how to help:

**1. Let go of timelines:** Children are supposed to walking by the time they are one and be potty trained by two, right? No, not necessarily. Don't place such high standards on your child meeting the typical deadlines of when they are going to accomplish these 'firsts'. Every child is different and runs on different schedules. Don't worry, they will eventually take their first steps and be potty trained when the time is right for them. Just enjoy the moments you have together because when they are older and out of the house, you're going to wish you could still be changing their diapers!

**Related Links:** [Celebrity Baby News: Khloe Kardashian Celebrates Tristan Thompson's Birthday After Lavish Baby Shower](#)

**2. Let them know they are enough:** It is unrealistic to say that you won't have any specific expectations for your children. Even if you do, let your kid know that they are perfect just the way they are. You can encourage them to be

the best they can be, but try not to expect so much that you end up getting let down, or worse, your child feels as if they let you down. Shower your child with love and appreciation.

**Related Link:** [Celebrity Baby News: Khloe Kardashian Is Having a Girl](#)

**3. Support:** One of the greatest things you can do as a parent is show support for your child's interests. Maybe you wanted your child to be a star soccer player like you, but they seem to be more interested in swimming. Great for them! Even if it is not what you originally expected, be happy that they are showing interest in something and support them. Remember, your child is not just a younger replica you, they are a different version of you so let their own light shine!

What a celebration!

# In celebrity baby news, Khloe enjoyed a baby shower while also celebrating her partner's birthday. What are some ways to balance celebrations in your family?

## Cupid's Advice:

Celebrating two events in a day can create some very busy energy, but that doesn't make it any less fun! Cupid has some ideas on ways to maintain the balance between both family celebrations:

**1. Plan ahead and thoroughly:** One event takes time to plan, so imagine two. You don't want to stress yourself out. Ask for help planning if needed. There are many things to consider when planning, so make an agenda and get started when possible. When planning both events side by side, you are more likely to keep them balanced as well.

**Related Link:** [Rachel McAdams Is Pregnant With Her First Child](#)

**2. Make the events equal in size:** Of course this depends on what type of events you are coordinating, but if you want to create two balanced ones on the same day, without one event outshining the other, it could be a good idea to make them the same size. When thinking of size, you should consider guest lists, themes, decorations, amount of food, etc. Again, this depends on the type of events.

**Related Link:** [Meghan Markle Gets Baptized at Chapel Royal at St. James Place Prior to Celebrity Wedding](#)

**3. Schedule properly:** Time management is important. One event should be during the day and the other in the evening, ideally. Plan accordingly by scheduling the events at specific

times for specific time periods, with enough room to change clothes if necessary and traveling. There should be a reasonable gap in between, so in order to consider this properly, the events should be on a somewhat tight schedule for the best, stress free results.

## **This celebrity baby-to-be will join his or her parents in Cleveland. What are some things to consider about the birth of your child?**

### **Cupid's Advice:**

Having a child can be both an exciting and nerve wrecking time, but planning and making arrangements before the child's birth are both key. Cupid has some tips on things to think about before bringing your little bundle of joy into the world:

**1. What don't you know?:** Read, read, read and ask, ask, ask! It's time to learn. Know what to expect and know what to do when you go into labor. Ask a medical professional any questions you have in order to have a full understanding on the situation. And of course, do some reading. There are a lot of books for the mommy-to-be. Understanding things will help you plan better for the big day.

**Related Link:** [Another Duggar Is Pregnant! Jinger & Jeremy Vuolo Are Expecting First Child](#)

**2. How do you want the birth to be?:** Do you want a home birth or hospital birth? Do you want epidural or no epidural? Talk to a medical professional about your options and weigh the pros and the cons of each. Every person is different, so after you have all the facts, think about which option is best for you. And be prepared, too. When your due date is approaching, prepare a bag full of necessities you need to take to the hospital, or if you're going in the home birth route, have a box of things ready – that way, once you're in labor, you're ready to go!

**Related Link:** [Fall Out Boy's Pete Wentz Expecting Baby Girl with Meagan Camper](#)

**3. Who do you want present at the birth?:** Decide and make arrangements now to ensure a higher probability for things to go as planned. This decision is a personal one, which should be well thought out, considering you will be in a different state of mind at that moment! You can also arrange for someone to take the lead and keep everyone in the loop (sending texts, making calls) once you're preoccupied.

According to [EOnline.com](#), Disick was very upset he was not invited to her sister, [Khloe Kardashian](#)'s surprise birthday party. In a preview for next week's *Keeping Up With the Kardashians* episode, a disgruntled Disick confronts his ex, saying, "I would have wanted to be there for her" because he still considers himself part of the family. The preview ends with Disick calling his celebrity ex "really fake" for not being honest with him. Yikes!

**This celebrity news shows that these exes aren't necessarily civil**

# all of the time. What are some parameters you can put on your relationship with your ex if you have children together?

## Cupid's Advice:

Breakups can be messy. Breakups with kids can be *really* messy. While Kardashian and Disick try and remain civil for the sake of their three children, it's clear they face their fair share of problems. If you're having trouble with an ex, Cupid has some tips that you can implement into your life:

**1. Kick the emotions to the curb:** You must keep your frustrations and all negative feelings about your ex between the two of you. It's easy to jump to conclusions and expect the worst from your ex if you ended on bad terms and continue to have drama. Your child (or children) are the most important commitment you two share, so when they're around, get along as best as you possibly can.

**2. Have a clear-cut plan:** Early on into your separation or divorce, it is pivotal to have a clear and defined custody agreement. Between the two of you, decide on a visitation schedule and figure out how you will celebrate holidays and their birthdays. It won't be easy by any means, but it will really help you diffuse potential conflicts from arising.

**3. Leave the new boyfriend/girlfriend out:** Introducing a new

person into your child's life can be complicated. It is best to leave the parenting to the parents until the relationship becomes very serious. That way, you and your ex can learn how to co-parent maturely and avoid playing the blame game with each other.

2. [Lady Gaga](#): Lady Gaga is another celebrity that has also been ridiculed for her weight, but continues to radiate confidence and beauty despite the haters.
