Product Review: Everyone Wants To Be An HourGlassAngel

By [Nicole Caico](#)

If you've heard nothing about waist trainers, that's definitely a surprise! Whether you're a new mom like [Chrissy Teigen](#), or just a woman who desires an hourglass figure like [Khloe Kardashian](#), HourGlassAngel waist trainers are making headlines everywhere.

Product Review Of The HourGlassAngel Waist Trainer

Waist training is one of the hottest new trends, and while it's not a workout supplement, it can help increase fitness results. HourGlassAngel.com sells two types of trainers: one to be worn during workouts and one to be worn daily, for several hours in a row. The waist trainers, or cinchers, come in a variety of colors and designs.

While many celebrities praise the results of the waist trainer, many women are weary because they don't know exactly how they work. "Waist training, by definition, is the practice of wearing a corset or waist cincher regularly to instantly slim your waist, while also supplementing a fitness goal of reducing your natural waist size," explains Ruben Soto, CEO of *HourGlassAngel.com*. "Some women choose to do it only when working out, because many styles like the [Amia Active Band](#) are designed to increase perspiration and maximize any physical activity. Others wear a waist trainer for long hours every day like the [Amia Classic Cincher](#). The more you wear it, the more dramatic the results." Soto also mentions that your waist trainer should feel "snug," but if it is painful or interferes with your breathing, it should be immediately taken off and exchanged for a different size. All trainers need to be worn consistently and paired with healthy diet and exercise to maintain results.

Whether you want to bounce back after having a baby, or just improve your shape overall, investing in an HourGlassAngel waist trainer can help you reach your goal.

This celebrity news has us realizing that Khloe Kardashian isn't looking to hide her new love interest. What are some benefits to keeping your relationship out in the open?

Cupid's Advice:

You have two choices when you're going into a new relationship. You can either embrace it and bring it public right away, or you can keep your privacy and stay in hiding. Cupid has some [relationship advice](#) as to why keeping things open might be the way to go:

1. Less work: The fact is, keeping everything on the down low can be exhausting after a while. You're always worried someone is going to find something out or disturb your privacy. You must go above and beyond to keep PDA to a minimum and refrain from talking to your close friends about your relationship.

2. Your friends and family don't have to guess: When you stay in hiding and keep relationship details to yourself, your friends and family might let their imaginations run wild and fill in the gaps with their imagination. If they always know where things stand and see that you have nothing to hide, that simply won't happen.

Cupid's Advice:

While it doesn't seem that any woman from the Kardashian/Jenner family is currently dating French Montana, never say never. Falling for the ex-flame or current crush of a friend or sibling tends cause issues, but in some cases can't be helped. Before you go falling for the same person as a friend or sibling, think about it:

1. This relationship will hurt your friend/sibling: Even when a friend or sibling plays it cool about you crushing on the same person they are or have in the past, they're most likely not okay with it. If you're crushing on the same person, chances are your jealous and competitive sides will be on full display. Think about the importance of your relationship with your friend or sibling, and realize that pursuing this romantic relationship will hurt the relationship you already have with your them. Chances are the crush isn't worth it.

It's important to stand up for your partner when he or she has been wronged, but there are ways to do it that won't rub people the wrong way. Cupid has some [relationship advice](#):

1. Speak with actions instead of words: This is by no means an original idea, but it's worth mentioning. It can be easy to lose your cool and lash out with your words when you're mad about something that's happening to your significant other. If your partner is under fire at work, attend work functions with him or her and praise his or her accomplishments to those you meet.

Celebrity News: Khloe Kardashian Says Kim Wants Her to Freeze Her Eggs

By Kyanah Murphy

Oops! [Khloe Kardashian](#) took [Kim Kardashian](#)'s suggestion the wrong way! The latest [celebrity news](#) surrounding the Kardashians, according to [UsMagazine.com](#), is that Kim suggested that Khloe should freeze her eggs. Khloe, in

response, got a little offended stating that she's not *that* old and freezing her eggs isn't necessary (yet). Give it time, Kim; Khloe and Lamar Odom just rekindled their celebrity love.

This celebrity news didn't set too well with Khloe. What are some things to consider as you get older and aren't in a relationship?

Cupid's Advice:

This celebrity news was only meant for Khloe to take into consideration. Sometimes life doesn't go the way you envision, and you may not be where you wanted in terms of a relationship and a family. Cupid is here with some suggestions:

1. If you want and plan on having kids: Kim was right on this one – you should consider your options if you want to have kids, but aren't in a solid relationship. You might want to freeze your eggs, utilize a sperm donor, or adopt.

Cupid's Advice:

The latest celebrity news about Khloe and Lamar shows that Khloe truly cares about Lamar as she decided to stay in with her man rather than go out and party. This is one of the many ways you can support your partner through a tough time with illness, physical or mental. Cupid is here to tell you three ways to support your partner during this difficult time.

1. Be there for them! Just like Khloe is doing for Lamar, stick by your partner's side and be there for them. Illness is tough and nobody wants to go through it alone.

Celebrity Couple Predictions: Khloe Kardashian, Olivia Munn and Ciara

By [Shoshi](#)

Want the latest [celebrity news](#) and romance gossip? Recently, these famous couples have made headlines for their relationships and love, whether it be Khloe Kardashian's rekindled celebrity marriage, Olivia Munn's soon-to-be troubled romance, or Ciara's new beau. Check out my predictions for the three celebrity couples below and find out what's next in their love lives!

Celebrity Gossip Around These Celebrity Couples

Khloe Kardashian and Lamar Odom: I was not surprised that Kardashian and Odom put their divorce on hold. I called it before Odom woke up. According to the ladies at the Love Ranch, Odom didn't sleep with either one of them. Maybe he was too busy popping pills? There's so much criticism online because Kardashian has decided to take him back, especially since he happened to be in a brothel. But remember, it's not like he slipped out of the house to go to the Love Ranch. They were in the process of a divorce so he was doing his thing and she was doing hers. Will this celebrity couple last is the biggest question circling around them. At this moment, when I look at their relationship the answer is yes. There's a different energy around Khloe and Lamar than when they were married the first time around. Right now, it's about two people who love and need each other, money and celebrity status aside. I hope that they make it. There is no reason why they can't have a healthy relationship. For it to work, these two will have to keep things private. That includes keeping Kris Jenner out of their business. This time around I see that Kardashian is strong enough to tell her mother to stay out of her business. She knows what her life is like without Lamar and she would prefer to have him in it.

Olivia Munn and Aaron Rodgers: This is an interesting relationship, one that looks a bit unbalanced. Rodgers credits Munn for supporting him and putting some of her goals on hold for him. Meanwhile Munn credits Rodgers for helping her to be in better shape. It's good that they're aware of their dynamic. Right now things are okay between these two, but as time goes on, there will be friction. Rodgers is getting more out of this relationship than Munn, which will eventually become a sore point. At the beginning of a relationship is when you set the stage for the give and take. This will not be an equal relationship when it comes to career. There is also something shady about Rodgers that will come to light in the long run. It looks like he has marriage on his mind as does Munn. Sometimes a woman gives things up to get a ring, which is her choice. Hopefully that decision doesn't eventually cost her a booming career and a relationship.

Ciara and Russell Wilson: When Ciara and Wilson were seen together there were whispers of it not being a real relationship. It was suggested that the two were only together for the cameras. Now that it has been more than a few months, the fans are not happy about Ciara being in the picture. The Seattle Seahawks haven't been having the best football season, which has the fans saying that Ciara is nothing but bad luck. Sports teams have always been superstitious, which is why most of them have a psychic on call. While Ciara is probably not the reason the Seahawks can't get it together on the field, she should fall back a bit at the games. She should stay in the box seats away from the stands and the fans. It might even be good if she just watches the game at home. Since players are superstitious when it comes to games, it would be a shame if Wilson starts believing what people are saying. These two have similar values and want the same thing in a relationship. This relationship has a good chance of ending up in marriage

if they continue in the direction they're going in.
