## Cupid's Advice:

While gossip can often seem trivial and childlike, it can actually do serious damage to a person's mindset. Once you realize that rumors are simply designed out of boredom, confusion, and jealousy then you can move on and focus on yourself. Overcoming and ignoring rumors is a step towards mental peace. Cupid has developed a few ways to keep your confidence high while dealing with distracting rumors:

**1. Get to the heart of why the rumor exists:** If you can have a basic understanding of where the rumor came from and how it developed then you will see it is just one big misunderstanding. In our minds rumors are thrown out of proportion to seem like the end of the world. Putting your mind at ease to realize that gossip is nonsense talk will help you disregard its message. A clear head equals a happy mind.

**2. Look at the situation positively:** Not letting a rumor hurt or degrade you is an accomplishment that should be celebrated. **3. Smile:** The easiest and most over-looked way to achieve self-confidence is to literally fake it until you make it. too.

## **This celebrity news clearly shows family support. What are some ways to support a loved one in his or her relationship?**

### **Cupid's Advice:**

Family will always be the most important thing in life, and blood will always be thicker than water. It's important to always support your relatives and their relationships with their loved ones. Cupid has some relationship advice:

## **Khloe Kardashian's Celebrity Ex Lamar Odom Denies Ambushing Her at Gym Class**

By Mackenzie Scibetta

Despite being separated for almost two years now, celebrity exes [Khloe Kardashian](#) and Lamar Odom can't seem to stay out of the headlines. As [UsMagazine.com](#) reported, Odom is firmly refuting any celebrity gossip that says he stalked, harassed or grabbed his estranged wife and reality TV star outside a SoulCycle class. **These celebrity exes are bringing the drama again! What are some ways to keep drama out of your love life?**

**Cupid's Advice:**

Drama is unfortunately an unavoidable part of life. However, with the right attitude, most unpleasant situations can be diverted. Cupid has three love tips below to help keep your relationships drama-free:

**1. Act only with good intentions:** It's an unwritten rule that those who wreak havoc will ultimately face havoc of their own. Instead of seeking revenge on an ex, show them you're the better person by letting it go or even helping them out. When fighting with your current love resist the urge to intentionally do anything you know will make them angry because, at the end of the day, nothing good comes out of vengeance.

But this time apart can sometimes lead to jealousy, so Cupid has some tips on how to escape the green-eyed monster:

**1. Do something for yourself:** If your partner is out with old friends or at a work happy hour and it is making you a little fussy, get up and do something just for you. # Best Celebrity-Inspired Halloween Candy Choices

By [Jessica DeRubbo](#) and Molly Jacob

Each year, October 31st brings with it a chance to carve the face of KISS frontman Gene Simmons in your pumpkin, dress up as a sexy version of Jasmine from *Aladdin*, dance to the “Monster Mash” at a masquerade with your honey and, most importantly, stuff your face with as much sugary goodness as you can possibly muster. Even though you’ll most likely be clutching your aching stomach the next morning, Halloween and candy are inseparable, because you simply can’t have one without the other.

Hollywood isn't innocent either when it comes to indulging in candy on All Hallows' Eve. Celebrities may stay in shape thanks to strict diets, but everyone has been known to splurge once in a while. In fact, places like Dylan's Candy in New York City honor those celebrity sugar binges by dedicating a whole wall of treats to all of their favorites. Here are five candies that have been officially endorsed (at least verbally) by some of your favorite Tinseltown hotshots:

**1. Reese's Peanut Butter Cups:** Neil Patrick Harris has a sweet tooth along with his funny bone. The "Gone Girl" star told *Entertainment Weekly* that the peanut buttery sweet is his favorite movie theater snack. "They are like the crack cocaine of the candy world," said Harris.

**Related:** [Neil Patrick Harris is Married](#)

**2. Hi-Chews:** Ryan Gosling, according to an interview with *Esquire*, has a candy obsession and "speaks of it the way rich men discuss wine." While Gosling loves many forms of goodies (excluding anything chocolate), he is particularly partial to Hi-Chews. "It's the candy that never quits on you," says Gosling.

**3. Swedish Fish:** While Justin Bieber is known for his love of Sour Patch Kids, the superstar has had a change of heart. Bieber told the *Montreal Gazette* that he is done with his addiction. According to Bieber, his fans kept bringing him the candy to his shows, "so I kept eating them and now, if I eat another Sour Patch Kid, I'm probably going to just throw up." He now sticks to Swedish Fish when he's in the U.S. and Big Foot gummies when he's in Canada.

**Related:** [Justin Bieber and Selena Gomez Reunite at Coachella](#)

**4. Sugar Daddies:** Khloe Kardashian favors Sugar Daddies, according to Wonderwall, and the reason behind it only partly has to do with its taste. She says the hard candy reminds her

of her dad because he loved Sugar Daddies. “I just love anything bad for you. Anything bad is good,” says Kardashian.

**5. UNREAL Candy:** Not every celebrity’s sweet tooth has to be unhealthy. According to Yahoo!, celebrities such as Tom Brady, Giselle Bundchen, Twitter founder Jack Dorsey and Leonardo DiCaprio are endorsing this “junk-free” brand, which offers alternatives to traditional treats. In a statement DiCaprio said, “By working together to better understand the health of both people and the environment, we can produce healthier food that will benefit large populations of people while minimizing our impact on the planet.”

Whether you prefer sweet, sour or chocolaty varieties of candy in your trick-or-treat sack, and whether you’re an accountant or a movie star, sugary treats have always been a staple on Halloween.

With that in mind, what’s your favorite candy, and why? Share your thoughts below.

## Khloe Kardashian ‘Can’t Even Get in Touch’ With Lamar Odom to Finalize Divorce

By Maggie Manfredi

A quick marriage with a lengthy divorce! According to [UsMagazine.com](http://UsMagazine.com), Khloe Kardashian and Lamar Odom are still legally married. The reality starlet is finding it impossible to track down her ex while he refuses to sign any divorce documents. The former New York Knicks player is staying out of the spotlight, unlike Khloe, who is set for another E! season starting in November.

**What are some ways to move things along in a divorce process?**

Divorce is messy, tough and sometimes expensive. Cupid has some advice for getting through it:

**1. Be prepared:** This could mean different things for different people. Whether you need to get your legal team together or work through your own emotions, make sure you go into it with a level head and a focus on the goal.

## **Celebrity Couple Predictions: Ashlee Simpson, Khloe Kardashian and Mama June**

By [Shoshi](#)

For today's celebrity couple predictions, we're looking at three pairs who are in various stages of a relationship: one set of newlyweds, one rebound relationship, and one surprise split.

**Ashlee Simpson and Evan Ross:** When it was first announced that the former pop princess was engaged to the son of songstress Diana Ross, nobody thought the marriage would actually happen. Some wondered why the 26-year-old Ross was hitching himself to a single mother instead of going out and sowing his wild oats. Despite the naysayers, the wedding took place earlier this summer in Connecticut.

What I think some people forget is Ross has probably seen and done a lot in his two and a half decades, far more than any of us may do in our lifetime. For Simpson, this is her second go at walking down the aisle; be sure that she learned a thing or two on how to make a marriage work.

The newlyweds will give this marriage a good run. They have

great chemistry and look very happy together. Around the beginning of the year, expect a baby announcement from them; I see a beautiful daughter in their future. Family is very important to the both of them and will always be their priority.

**Khloe Kardashian and The Game:** If I had to be stuck in an elevator with a Kardashian sister, it would be Khloe. She has always been the one Kardashian who speaks in complete sentences and makes pretty good decisions – that is, until she started dating rapper French Montana. Finally, her relationship with him is over, a rebound love that lasted far too long. Now, the reality star is back to spending some quality time with rapper The Game. He seems to be her go-to guy after every break-up.

These two look like way more than just friends sitting around having tea. They are a good example of friends with *a lot* of benefits. It's kind of a shame that they're in such different places when it comes to what they want in a relationship. They would be good for each other, and they understand each other on many different levels.

It would suit Kardashian to take time away from dating to be able to truly heal from her divorce from Lamar Odom. It would be the best way for her to get grounded and figure out what she really wants in a relationship. Hopefully, she gets it together soon and can have the marriage and baby that she desires.

**Mama June and Sugar Bear:** The separation of reality TV stars Mama June and Sugar Bear came as quite a shock. Honey Boo Boo's mom thinks that her husband has been cheating on her, so

she kicked him out of the house. Turns out, he *has* been creating profiles on dating sites such as PlentyOfFish.com. Who knew that he was such a stud?

Mama June has taken off her wedding ring and let it be known that the two of them are taking some time apart to figure things out. I predict that she'll get a little makeover and spruce herself up a bit – nothing too glamorous but something new for her. She will even test the dating scene to see what comes her way.

At this time, it's unclear if their relationship will work out. The time away from each other will do them good. Mama June will actually enjoy being single, while Sugar Bear will miss having his family around. After all, sometimes, you don't know what you have until it's gone.

## Khloe Kardashian Says French Montana is Too Needy

By [Sarah Batcheller](#)

Eight months into what has been somewhat of a controversial relationship, Khloe Kardashian and rapper boyfriend French Montana are taking a break, according to [UsMagazine.com](#).

Montana was previously scrutinized by Khloe's family and fans when he admitted he was capitalizing on all the attention he began to receive when he started dating the youngest of the Kardashian princesses. Now, he is apparently behaving in too much of a needy and dependent fashion, as Khloe has decided to take a breather from their intense relationship.

**How do you know when you need to step back from a relationship?**

**Cupid's Advice:**

**1. You've been having the same arguments repeatedly:** If you and your boo are continuously arguing over the same topics, it may be time to clear your head, and find out if these arguments are even worth having. If you're always entangled in the same issue, you probably don't even know where your

feelings and/or opinions stand anymore, so you definitely benefit from some “me time”. That way, you can step back into the relationship with a reinvigorated sense of self, and determine whether or not your love is worth fighting for.

**2. You never have time for the rest of your loved ones:** If your partner is constantly nagging and guilt-tripping you into seeing them, and you’re sick of not spending time with anyone but them, you may need to give them a reality check by asking to not spend time together for a while. It’s unhealthy to not spend quality time with family and friends, especially when the cause is that you’re being choked to death by your significant other. If you’re losing the rest of your life over a relationship, re-examine your priorities.

**3. Your lover never has time for YOU:** We are all all-too-familiar with the agonizing pain of staring at a phone screen with an unanswered text, or going two weeks without going on a date with your partner. If you feel you’re not getting the time with them that you deserve, you may want to take a break to see what it’s like to not expect anything from them. This way, you may either realize that you both just have busy schedules you need to manage, or that you don’t matter to them much after all. Either way, only some time to yourself will provide you with the clarity you need.

# Khloe Kardashian Responds to French Montana's Fame Comments

By [Jessica DeRubbo](#)

Khloe Kardashian is on the defense! After an interview with boyfriend French Montana was released on Friday, outraged fans have been stirring up controversy surrounding Montana's claim that he's capitalizing on Khloe's fame. According to [UsMagazine.com](#), he's quoted as saying, "I want to capitalize on it. I'll get a fan base from everywhere. I just hope I'll be able to connect with everything that's going on." Khloe's response via Twitter? "It's amusing to me that Y'all think I don't see it. I was the first one to see it. I just don't

care.”

**How do you know if your partner is in a relationship with you for the right reasons?**

### **Cupid's Advice:**

There's nothing worse than learning that your partner is with you for a reason outside of genuine respect and interest. Cupid has some tell-tale signs that your partner may not be sincere:

**1. They don't listen and ask questions:** If your partner doesn't seem interested in hearing about your day or listening to your opinions on things happening in the world, then you may want to think twice.

**Related:** [Khloe Kardashian and French Montana Go Public As a Couple](#)

**2. They're always looking for credit:** When your partner does something nice for you, he/she shouldn't be looking for credit after the fact. If it seems that your mate is always looking for a pat on the back after he does something for you, it's best to find out why.

**3. You catch them in lies frequently:** It would be tough to find someone who has never told a lie, but if you catch your partner being dishonest about things more than occasionally, he/she may not be sincere about your relationship.

By [Courtney Omernick](#)

The designer wedding dress, the insane guest list, the mile high wedding cake, and more! Celebrity weddings, what's not to love, right? Even if we can't throw as big of a wedding bash as Kim and Kanye, it can be fun to imagine what our own lavish wedding would look like. Below are 10 of our favorite celebrity weddings.

**1. Kim Kardashian and Kanye West:** Of course they're number one; they're wedding was plastered everywhere, and the pictures from it were some of the highest viewed photos on Instagram...ever! The party started a week before the actual wedding date (Saturday, May 24) in Paris where Kim, Kanye, and a few of their family members relaxed before the big day. Their "I do's" were exchanged outside in Italy next to a giant wall of flowers. Guests such as LaLa Anthony, Joyce Bonelli, Monica Rose, and more were in attendance.

**3. Kendra Wilkinson and Hank Baskett:** The former Playboy Playmate and NFL star were married on the front lawn of the Playboy Mansion in June 2009. Wilkinson wore a \$20,000 duchesse-silk gown (that she co-designed) that had more than 55 yards of fabric and was covered in 1,2000 crystals with R-Mine Bridal's Armine Ohanessian. Talk about glitz and glamour! Their guest list included Hank's teammates from the Philadelphia Eagles, Hugh Hefner, Holly Madison, Bridget Marquardt, Jon Lovitz, and more famous faces.

**4. Katie Holmes and Tom Cruise:** In November 2006, seven months after the birth of their daughter, Suri, the two actors were married at the 15th-Century Odescalchi Castle outside of Rome. The bride and groom both wore Armani, and their guest list included Victoria Beckham, Jennifer Lopez, Mark Ronson, and others.

**5. Celine Dion and Rene Angelil:** Back in December 1994, the singer married her manager at the Notre Dame Basilica in Montreal, Canada. Dion wore a Mirella and Steven Gentile gown that included a 20-foot train and took over 1,000 hours to complete. Oh, we almost forgot to mention Dion's seven-pound tiara that was made of 2,000 Australian crystals...

**6. Nicole Kidman and Keith Urban:** The couple was married on June 25, 2006 in an all-candlelight ceremony that took place just after sundown in Sydney, Australia's Cardinal Cerretti Memorial Chapel on St. Patrick's Estate at Manly. Kidman wore

a dress by Nicolas Ghesquiere for Balenciaga. The black-tie event included friends such as Russell Crowe, Hugh Jackman, Naomi Watts, and Rupert Murdoch.

**7. Gwen Stefani and Gavin Rossdale:** These two rockers had not one, but two weddings back in 2002! First, they were married in London and then had their second ceremony two weeks later at a private home in L.A. Stefani wore a dip-dyed silk faille gown that was created specifically for her so she could show off her girlie, yet punk, personality. Brad Pitt and Jennifer Aniston were among the many stars in attendance.

**8. Khloe Kardashian and Lamar Odom:** Who could forget Kim's sister Khloe's crazy nuptials to LA Laker, Lamar Odom? The couple tied the knot just one month after they started dating! The ceremony took place at a private residence in Beverly Hills, and the couple said their vows in front of triple arches of white roses created by celebrity florist, Mark's Garden. The bride wore a Vera Wang gown and was walked down the aisle by her step-father, Bruce Jenner.

**9. Katy Perry and Russell Brand:** When the singer and actor wed back in 2010, it was nothing short of magical. Perry wore an Elie Saab Haute Couture gown and \$7,000 Casadei heels to their ceremony at Rajasthan, India's Amani-i-Khas resort. And, don't forget! The two entered their ceremony by riding on top of an elephant! How's that for extravagant?

**10. Ellen DeGeneres and Portia De Rossi:** The talk show host and model/actress wed in 2008 at their home in L.A. among their closest family and friends. Although the couple didn't have their wedding in an elaborate location, certain items included on their special day sure made for an elaborate event! Both brides wore designs by Zac Posen and Mark's Garden provided the candles and flowers. Later that evening, all guests dined on an all-vegan menu prepared by the couple's personal chef, David Silberkleit.

By Sanetra Richards

**Khloe and Kourtney Kardashian double date** in the Hamptons. According to [UsMagazine.com](http://UsMagazine.com), Khloe Kardashian and her new beau, French Montana, were spotted dining out in the Hamptons on Thursday, June 12th with sister Kourtney Kardashian and long-term boyfriend Scott Disick. The couples were photographed at the French restaurant Pierre's during their

afternoon outing. The sisters are in Southhampton filming for their new spin-off series, *Kourtney & Khloe Take the Hamptons*. A source told *Us*, although 35 and pregnant Kourtney seems to be enjoying Khloe's new love interest's company, the rest of the Kardashian is still a little on the fence about the relationship. "[They] are very skeptical of him," an inside source tells *Us* "They think he's using Khloe for fame." "Being with Khloe means everyone knows who French is now," a second source continued on, "so he's getting a lot out of it." On the other hand, Kourtney and Scott are expecting a sibling for their 4-year-old, Mason, and 23-month-old, Penelope. "It was planned. [Kourtney] wants to have a handful of kids," says a source. Another also stated: "They don't know the gender yet. They just want the baby to be healthy."
