

Kardashians & the NBA: 10 Flings to Remember

There's no shortage of publicity following the Kardashians—and Kris Jenner is happy to keep it that way. But few trends have become as notorious as the rumored 'Kardashian Kurse', which is alleged to follow athletes who date one of the siblings and subsequently post the worst numbers of their careers.

With over a dozen NBA stars alone on the list of paramours for the Kardashians, no sporting sector is as at-risk of a pop culture curse as basketball. Even so, not every relationship has led to disastrous results for athletes who mingle with the dynastic family.

With players like James Harden and Blake Griffin both having spent ample time with Khloe and Kendall respectively, it's

clear there's an emphasis on success. Both players are now on the Brooklyn Nets' roster, where they're joined by Kyrie Irving and Kevin Durant.

Though Griffin had a few slow years in Detroit and Harden failed to bring Houston an NBA championship title, the future is bright at Barclays Center in Brooklyn. And with sports betting expanding to more and more US states, fans can take advantage of [Illinois free bets](#) and similar bonus offers when they're looking to back teams like the Nets.

Though there's no word if the Kardashians are willing to wager on their exes' performances, we certainly hope Khloe isn't betting too much on husband Tristan Thompson.

Here are the ten most impressive NBA boyfriends who dated a Kardashian, ranked from best performance on the court to worst. Spoiler alert: Khloe's got the eye for talent.

James Harden

Khloe, 2018

Though names ranked below Harden on this list have at least one NBA Championship ring, no other athletes have earned the accolades that the former King of Houston posted. During the height of his fame in Houston, Harden and Khloe Kardashian got cozy for nearly a year.

Though Harden's success on the court (with MVP and All-Star accolades) is proof that the Kardashian Kurse is mere speculation, he did open up about the difficulties that come with dating a global superstar.

Lamar Odom

Khloe, 2009-2016

As one of the most infamous relationships of any Kardashian to date, Khloe's marriage with Odom remains a topic of speculation from the media. With an Olympic gold medal and two NBA Championships to his name, Odom was a force on and off the court.

Unfortunately for both Odom and Khloe, their seven-year relationship ended in a maelstrom of drama. However, the pair remain on amicable terms—and, yet again, Odom's downfall had little to do with Khloe.

Blake Griffin

Kendall, 2017-2018

Though Griffin has yet to take home a Championship title, he's got multiple All-Star awards, All-NBA honors, and a Rookie of the Year accolade to keep him motivated in Brooklyn. His peek stardom coincided with his fling with Kendall in 2017. Oddly enough, for one of their first dates, Kendall and Griffin went on a double date with her former NBA paramour, Chandler Parsons, and his girlfriend at the time.

Tristan Thompson

Khloe, 2016-present

Few men could make Lamar Odom's public meltdown in 2015 look worse, but Tristan Thompson was up for the challenge. Since beginning their relationship in 2016, Thompson and Khloe have undergone multiple public trials as a couple.

Though he's got one NBA Championship title under his belt,

Thompson likely has LeBron to thank for that, as his stats are less than impressive for a man with a finals ring.

Rick Fox

Khloe, 2015

Given Fox's long and storied history in the NBA, which ended all the way back in 2004, news that he and Khloe were dating immediately made headlines after her split from Odom in 2015. With three NBA titles under his belt from his time with Kobe and Shaq with the Lakers, Fox may be one of the most impressive players on this list. Even so, it wasn't enough to keep him and Khloe together.

Devin Booker

Kendall, 2020-present

One of the youngest players on this list, Booker is an All-Rookie and All-Star team recipient. However, he's also known for his recent involvement with Kendall Jenner. The pair have made headlines in the past year as they jet-set around the world. According to Entertainment Tonight in early March 2021, the pair are closer than ever.

Ben Simmons

Kendall, 2018-2019

Though he's been the undisputed starting guard for the 76ers since he joined the team in 2016, some believe Simmons' lackluster performance on the court since 2019 is proof the Kardashians may muddle athletic careers. However, Simmons has since kicked these rumors, after a 2019 and 2020 place on the NBA All-Star team, as well as turning around the 76ers franchise.

Chandler Parsons

Kendall, 2014-2017

Before Kendall took Parsons on her first date with Blake

Griffin or even met an athlete named Devin Booker, she spent years cozying up to Chandler Parsons. Though he's spent the most time with Kendall than any other athlete on this list, his NBA record is by far the least impressive—though he's never cited the Kardashian Kurse when interviewed about his time with Kendall.

Kris Humphries

Kim, 2011

For reference to how successful Humphries' career in the NBA was, he's largely remembered for his 72-day marriage to Kim Kardashian. Since joining the NBA, Humphries had circulated around trying to find a place as a power forward—but to little success. After spending fourteen seasons in the NBA, he retired in 2017 with no accolades to show for it. During that time, he featured on more than eight rosters.

Rashad McCants

Khloe, 2008-2009

If James Harden is proof that the Kardashian Kurse doesn't exist, and Chandler Parsons is proof that not every athlete gives the Kurse credence, then Rashad McCants is the naysayer looking to set the record straight.

Currently a free agent, McCants' prospects continuing his basketball career aren't great. Unable to top his prestigious collegiate career with the Sacramento Kings following a year-long stint with Khloe in 2008-09, McCants publicly blamed their relationship. Considering the Kardashians didn't ascend to global super-stardom until 2010 (for reference, Kim appeared on *Dancing with the Stars* in 2008), McCants' claims fall flat upon further inspection.

1. Reach out to your partner: When your relationship feels doomed, the last thing you'll want to do is snuggle up and show affection to your partner. Do it anyway! By Diana Iscenko

In the latest [celebrity news](#), things between [Kim Kardashian](#) and [Kanye West](#) are rocky during quarantine. A source told

UsMagazine.com that the [celebrity couple](#) has different routines: “Kim is working out nonstop and doing her thing. In celebrity couple news, Kim and Kanye aren't seeing eye to eye during quarantine. What are some ways to adapt to quarantine with your partner?

Cupid's Advice:

Being stuck at home can cause a strain on your relationship, but it doesn't have to! Turn quarantine into a time to strengthen your relationship with your partner. Cupid has some advice for you:

1. Have alone time: Being unable to leave your house means you're spending 100% of your time with your partner. It's healthy to have time for yourself. Plan for you and your partner to have time without the other. It doesn't matter what you do as long as you focus on yourself.

Celebrity Couple News: Kim Kardashian Needs Space From Kanye West

By Ellie Rice

In the latest [celebrity news](#), Kim Kardashian has reportedly had enough of quarantine with husband, Kanye West! According to *UsMagazine.com*, Kardashian desperately needs space from her man as he is more focused on work rather than helping her with their three children. After six years of marriage, we hope West can compromise some of his time for the sake of his leading lady!

In this celebrity couple news, Kim Kardashian feels like she needs some space from husband, Kanye West while in quarantine. What are some things to do when feeling suffocated by your partner?

Cupid's Advice:

Feeling like you need a little break from your partner is normal. If you're curious about what to do when you're feeling like this, Cupid has some advice for you:

1. Let them know: Your partner may not understand that they are making you feel suffocated, so letting them know should definitely be your first step. Sit them down and express how you're feeling so they understand how their actions are affecting you. People show love in different ways, so be honest with them about what makes you feel comfortable and supported. If you are requesting changes from your partner that they don't feel they can make, it's time to move on. Staying in a relationship that is emotionally suffocating will not benefit either of you or your mental health.

2. Make a change: Similar to Kim K, maybe you just need some space from your partner. Try taking a break by spending time with your friends and family, rather than just your significant other. Have a girls night or grab dinner with your parents! By minimizing the annoyance and anxiety you're feeling at home, you'll start to feel better about your partner. Encourage them to do the same by hanging out with their friends or loved ones. It's healthy for any relationship to take time away from each other to focus on the other people in your lives that you care about.

3. Practice self-care: Focus on yourself! Take time every day to give your mental health some attention. Whether you are into meditation, face masks, or a bath with a glass of wine, you need to find something that makes you feel happy and relaxed.

If you and your partner are unsure of starting a family of your own, don’t worry! Cupid has some [love advice](#) for signs to look out for to know when you might be ready to have children:

1. Mutual eagerness: If both you and your partner are constantly excited and eager to have children, and you’re financially well-established, this could be a sign that you’re ready for a family of your own. It’s helpful if you both have a mutual support system between the two of you alongside the excitement, as well. It’ll help when the whirlwind of pregnancy and parenthood approaches.

Date Night Makeup: Red Lipstick is Hot

By [Hope Ankney](#)

Everyone has that special connection with one of their makeup products or a piece of clothing in their wardrobe. It's that special connection that only it can give you – the air of confidence, the power of [beauty](#), and the reflection of radiance. So, what is it about red lipstick that has almost become a universal [beauty trend](#) that makes anyone that swipes it on feel untouchable? And, why do date nights that feature a red lip feel that much hotter?

Red lipstick has been a powerful beauty tool for ages. Make your date night soar with this pop of color.

The red lip has been one that's transcended history. Whether it was on royal figures, Disney princesses, or even [Kim Kardashian](#) on a dazzling red carpet, the color is the very definition of beauty and grace. It's earned it's right to be a

timeless and traditional form of feeling gorgeous and confident. If you're wanting to spice up your next date night, consider a few reasons why a red lip could help with Cupid's [beauty tips](#):

1. It's romantic: A red lipstick can automatically turn your look romantic. There's something about the color that reminds us of passion and love. Allie from The Notebook even rocked a signature red lip. So, if you want to liven up your look right before a date, we recommend keeping the rest of your makeup to a minimum while swiping on a beautiful coat of red lipstick before you rush out the door.

2. It's an attention-grabber: It's no surprise that red lipstick can make a woman feel invincible, but there are also studies that show a red lip is the most attractive color to wear. This hue is bright, bold, and it brings attention to one of the more sensual features of our faces. If you're wanting to instantly grab the attention of your date the moment they see you, we recommend using a bright, cherry lipstick. No one could resist!

Related Link: [Beauty Trend: Make Your Eyes Pop](#)

3. It embodies strength and femininity: The red lipstick has been a classic symbol for strength and beauty within women all throughout history. One of the most powerful women, Cleopatra, was known for her cherry-reddened lips. She would make others crush up thousands of beetles just to get the dark-pigment of this color. It even symbolized her power as she wore a beautiful red lip while her subjects' wore a dull and rusted tone on theirs. If you're searching for a color that is classy, polished, and bold for your next date night, pick up a striking red lipstick to feel powerful and in control.

4. It plays up youth: As we get older, our eyes, lips, and

complexion get paler. It's just part of the aging process. But, there is something a red lipstick does that can liven you up and make you look more youthful with a term called 'facial contrast.' This contrast is the process of balancing out the paleness of our features with a vibrant color somewhere on our face. By using a striking red lip, it automatically flatters our skin. If you're wanting to create a more youthful and playful look for date night, we recommend one swipe of your most vibrant red lipstick before you head out!

How has red lipstick made you feel when you've worn it? Let us know down below!

Celebrity News: Jordyn Woods Parties with Khloe Kardashian's Ex James Harden

By [Katie Sotack](#)

It looks like more Kardashian exes are after Jordyn Woods! Model, Woods was seen partying at a Houston nightclub with NBA player James Harden, according to *People.com*. Celebrity exes [Khloe](#) and Harden ended things three years ago, but after Khloe's baby daddy Tristan Thompson made moves on Woods, the tensions between the superstar family and Jordyn over exes are high. Woods seems to be attracting all the same men as the Kardashian sisters, as she was spotted with [Kim](#)'s ex Ray J as well. Though Woods claims she's as sorry and apologetic as she can be, Khloe maintains she never wants to see her again.

In [celebrity news](#), Jordyn Woods may be asking for more drama with Khloe Kardashian. What are some basic rules when it comes to friends'

exes?

Cupid's Advice:

According to Khloe Kardashian, her friendship with Woods is totally over. Yet with feelings still webbed between the two and their exes, does girl code still apply? Here are the laws of the land when interacting with a friend's ex:

1. Not too friendly: Unless this ex was part of the friend group before your bestie started dating them, it's best to pull back from that budding friendship. Don't go around commenting on their Instagram posts and bar hopping with them. It's better to let your friend know they're your number one. This doesn't mean you have to hit the unfollow button or that you can't be social at parties. Just try not to be their closest confidant.

2. Dating an ex?: You two really clicked and they might be, like, the love of your life. That doesn't make the situation as less tricky. Parse out if you *really* have feelings for this ex, that go beyond lust. Then if you're sure you need to be with them, go to your friend first. This doesn't mean you'll be free and clear from any negative fall out, but your friend will respect that you didn't go behind their back.

3. Take your friend's side: Even if you don't agree with their bitching they likely need to vent about the relationship. Don't use this time to point out that their ex wasn't all the bad. After the breakup let your friend blow off steam for the

first few weeks. After that if they're still bitter, let them know it's not benefiting them to fret over the past.

Celebrity News: Kourtney Kardashian & Scott Disick Vacation in Costa Rica Without Sofia Richie

By [Mara Miller](#)

The [celebrity exes](#) hit the beach with their three kids, 9-year old Mason, 6-year old Penelope, and 4-year old Reign, as well as [Kim Kardashian](#) and her daughter, North West, in Costa Rica. But don’t think the [celebrity couple](#) has called it quits just because Richie didn’t go on the vacation. *Popsugar.com* reported that while Disick and Kardashian are no longer romantically involved, they are committed to remaining a family and parenting their children. Richie remained in the States, attending events in New York and Los Angeles, including a gathering for Miranda Kerr’s Kora Organics.

In celebrity news, the words on everyone’s lips are, “Where’s Sofia?” What are some ways to keep your jealousy in check when your partner interacts with his or her ex?

Cupid’s Advice:

Despite the rumors that may be flaring up because Kourtney and Scott took their kids on a vacation, Sofia seemed comfortable enough to remain home so she could attend work events. Sometimes we can’t help it if our partner has to interact with their ex if they have children together. Cupid has advice on how to keep your jealousy in check:

1. Remember, your partner is with YOU: Your partner and their ex split up for a reason. Even if they are on friendly terms,

you have to realize they didn't work for a reason. Your partner would not be in a relationship with you if what you have between you both isn't working.

2. They might not have a choice: This is especially true if your partner has children with their ex. Would you want to keep a parent away from their children?
