Cupid's Advice:

These celebrity exes may never get back together, but that doesn't mean that other couples shouldn't. Here's our love

advice for some things to consider before making up with a previous flame:

1. Is the problem a chronic one?: When your relationship and love has ended, but you may want to rekindle the romance, make sure you recognize if the problem is chronic or not. Is what broke you up something that keeps happening? How many chances have you already given your ex?

2. Can you truly forgive?: If you do decide to get back together, you cannot throw previous transgressions in your partner's face every time you want to win an argument. Make sure you've truly forgiven them for the past so you can move on.

Club Appearance Amid Celebrity Break-Up from Kourtney Kardashian

By [Katie Gray](#)

Keeping Up With The Kardashians stars [Kourtney Kardashian](#) and Scott Disick have called it quits. Amid the [celebrity break-up](#), Disick has postponed his appearance in Las Vegas at 10AK, a popular nightclub. Rumors are flying around that Disick cheated on Kardashian. According to [UsMagazine.com](#), "Kourtney and Scott's friends are trying to fix this mess and get them to work things out, but the whole situation is very bad and it's unclear if they'll bounce back from this," an insider tells Us, adding that Disick had told his friends he was going to pull out from the appearance prior to the announcement."

Hopefully these two can work it out!

Scott's getting some heat surrounding his celebrity break-up. What do you do if your friends criticize you during a split?

Cupid's Advice:

Surrounding a split from your partner, it's a tough time. You need your family and friends around to lift your spirits and help you through this stressful situation. When people close to you aren't being supportive, that makes things extra hard. Cupid has some relationship advice on how to deal with criticism during your split:

1. Voice your feelings: The most important thing to do in any situation is voice your feelings. You have to be honest with your emotions, and you need to let your friends and family know how you're truly feeling. If they aren't being supportive and are criticizing you during a split, explain to them what you feel. Maybe they are being critical because they don't know where you are coming from. Let them into your heart and mind. I'm sure they will be supportive once they understand your feelings!

Related Link: [Kourtney Kardashian's Family Thinks She Deserves 'Much Better' Than Celebrity Ex Scott Disick](#)

2. State what you need: Sometimes those we are close to don't know what we need. People aren't mind readers, even those who know us best. State what you need to your family and friends. They won't know if you don't ask. Maybe you need to talk, maybe you need a hug, or maybe you need help get your things from your ex-partner's place. Whatever it is, they will be there if they know.

3. Let them go: At the end of the day, if your friends aren't being supportive of you during a tough time, they are not your real friends. If you have let them know how you feel, explained the situation and told them how you need their support and they aren't being a positive in your life – you have to let them go. Only surround yourself with positive people who uplift you and want you to succeed. Your true friends care about you and won't kick you when you're down!

The reality star arrived at the rehab facility in Florida after returning from his trip to Monte Carlo. However, Disick checked out the same day, spending just hours at the center. Kardashian recently celebrated her daughter Penelope's 3rd birthday in Disneyland without her [celebrity ex](#). We hope Scott can get on the straight and narrow for his kids!

This line of celebrity breakup news keeps getting more drama-filled!

What do you do if your ex checks out of his or her responsibilities to your kids?

Cupid's Advice:

Your kids should be number one and if your partner isn't holding up his or her end of the deal, it's time to re-evaluate. Cupid has some love advice:

1. Talk to your kids: If your kids are old enough, they will notice that their father/mother isn't around and may even start asking questions. So, talking to your kids can help them get through this difficult time and clear up any confusion.

Related Link: [Scott Disick Invites Fans to 'Come Party' in Vegas Post-Split from Celebrity Ex Kourtney Kardashian](#)

2. Do your best to play both roles: If your ex checks out, your job as a parent becomes a little harder. You have to make sure the kids aren't affected. Although as a mom you can never be a dad and as a dad you can never be a mom, you do have to step your game up to make sure your kids don't feel like they're missing out on anything.

3. Don't give up: People go through things, and sometimes it takes them a while to snap out of it. If your ex checks out, always keep in mind that he/she more than likely does love the kids. Never trash talk in front of your kids, and don't make them hate their mom/dad or lose hope in them.

Scott Disick Invites Fans to 'Come Party' in Vegas Post-Split from Celebrity Ex Kourtney Kardashian

By Maria N. Capalbo

According to UsMagazine.com, Scott Disick finally spoke out after his celebrity break-up with celebrity ex Kourtney Kardashian! He recently asked his Instagram fans to party it up with him at a Vegas nightclub, 10AK, this upcoming weekend. Well, he did not get the response he was expecting. In fact,

he got more lectures and insults than anything! “Go home to Ur kids fool if it was for kourt U wud b a nobody!!!,” one annoyed Instagram follower wrote. Hopefully Scott can get things together!

These celebrity exes are stirring up drama! What do you do if your ex starts drama about your prior relationship?

Cupid's Advice:

Exes are in the past for a reason. When they don't stay there and start causing drama surrounding your prior relationship, it can be tough to deal with. Cupid has some relationship advice:

1. Ignore them: Sometimes the best response is nothing at all. Let your ex make a fool out of him or herself, while you sit back and enjoy the act! No one wants to be with someone who starts drama anyway.

Related Link: [Kourtney Kardashian Announces Celebrity Break-Up from Scott Disick](#)

2. Confront them: Admit any mistakes you made, and try to work out a solution. If they are not willing to do so, at least you know you tried to settle things in an adult-like manner. Closure can be a good thing.

Kourtney Kardashian Announces Celebrity Break-Up from Scott Disick

By Maria N. Capalbo

According to UsMagazine.com, Kourtney Kardashian is calling it

quits with her celebrity love, Scott Disick, after he was seen cuddling with his celebrity ex Chloe on a yacht. According to sources, Kourtney says that she has “had it” with Disick, and his adventures outside of their relationship! Kourtney posted her Fourth of July pictures of fun with the kids this past weekend, but they were missing Disick. Sometimes up’s and down’s lead to giving up!

Let’s hope this celebrity break-up sticks! How do you know when you’re really ready to call it quits with your partner?

Cupid’s Advice:

Deciding to end a relationship you have been fighting for, for so long can really be stressful. It is important to really evaluate your happiness in the situation. Cupid has some suggestions on when it’s time to call it quits with your partner below:

1. More arguing than love: When there is constant arguing between the both of you, and no more compassionate interaction, that is when you should really start reconsidering things. Every conversation should not be a fight.

Related Link: [Kourtney Kardashian Confronts Khloe About Partying with Scott Disick](#)

2. No loyalty or trust: Whenever your partner goes out, do you feel anxious or worried they might be doing something they aren’t supposed to? If you are nervous about them doing anything without you, that is not good and things should also be reconsidered in this situation as well.

3. Constant sadness: Whenever you think about your relationship, if it makes you sad, it shouldn't be something that you want to continue. If your partner is not treating you right or if things are not going as planned, then it may be time to end things.

Celebrity Couple Predictions: Gabrielle Union, Kourtney Kardashian and Lady Gaga

By [Shoshi](#)

The latest celebrity news has been filled with hot relationship gossip, including newlyweds dealing with marriage drama, reality TV stars facing cheating rumors (again), and a

private pair celebrating their celebrity engagement. Check out my predictions for the three [celebrity couples](#) below and find out what's next in their relationships and love!

Latest Celebrity News About Three Popular Celebrity Couples

Gabrielle Union and Dwayne Wade: The word on the street is that the actress and Miami Heat star may not be legally married. Somehow, their marriage license was never filed with the state court. The lovebirds did obtain a license, so it's a mystery why it wasn't signed and sent back to the county within the 10 day period. Technically, the celebrity couple is married, but if there are any legal issues, the lack of a marriage license could cause trouble in the long run.

I agree with the theory that they didn't file the license so that, if things in their celebrity relationship take a bad turn, neither one of them can go after each's other bank account. Unfortunately, I don't see this marriage lasting. Right now, they're in the honeymoon stage. Union appears to be way more into their relationship and love than Wade. Sure, he's enjoying it right now, but when the pixie dust wears off, pay attention to the press. He'll be accused of having a side chick. After all, he's consistently gotten away with being a cheater – why stop now?

Related Link: [Celebrity Couple Gabrielle Union and Dwayne Wade Signed Prenup](#)

Kourtney Kardashian and Scott Disick: Every day, new celebrity gossip circles around the Kardashians. The most recent celebrity cheating rumor is that Disick is hooking up with younger sister Kylie Jenner. This isn't true, as the father of three isn't looking at Jenner in a romantic way. However, he is close to her because he feels like he can talk to her. This could be trouble in the long run if he and

Kardashian continue to have communication problems. It's true that Disick can be a bit of a bad boy with his drinking and partying, but that doesn't make him a cheater.

People keep wondering when this celebrity couple will get married. Up until now, a celebrity marriage hasn't mattered to the oldest Kardashian sister. I do see a shift in what she wants though. The pair has been together since 2006, and three kids later, she is reconsidering getting hitched (as you may recall, she previously said no to Disick's proposals *twice*).

Out of all of the Kardashian sisters, she has the best relationship and love. Yes, even better than Kim Kardashian and Kanye West! It's true that Disick could turn his partying down a bit, but he does support her and help with the kids. At one point, he wanted them to move to New York City. That would be the best thing for their relationship. They need to get out of that crazy Kardashian compound, or it could tear them apart.

Lady Gaga Celebrates Celebrity Engagement

Lady Gaga and Taylor Kinney: On Valentine's Day, the *Chicago Fire* actor put a ring on it! It's no surprise that the pop star said yes to her longtime love's proposal and shared the good news with her Little Monsters on social media. The pair has been dating since 2011 after Kinney appeared in Gaga's video "You and I." This famous couple has a wonderful energy around them, and they are a very good match. . Kinney helps to keep her grounded, while Gaga adds spice to his life. While they are both in the entertainment business, family comes first.

It will be interesting to see how Lady Gaga reinvents herself after she gets married. We will definitely see a different version of the songstress! I also see baby energy circling around them. Having kids is a priority, though they may wait until they are married for a year to start trying for a bundle of joy. I see their firstborn being a little girl and baby number two being a boy.

What do you do if you're jealous of something your partner is doing?

Cupid's Advice:

Being in a relationship means a great deal of sharing as well as sacrifice. But though you are in a loving and committed relationship, it doesn't mean you shouldn't have some time for

yourself. But this time apart can sometimes lead to jealousy, so Cupid has some tips on how to escape the green-eyed monster:

1. Do something for yourself: If your partner is out with old friends or at a work happy hour and it is making you a little fussy, get up and do something just for you. Take a long walk and listen to your music or watch your favorite trashy shows that your partner can't stand while you have the opportunity.

Celebrity Couples That Have Bounced Back After Cheating

By Jennifer Harrington and Laura Seaman

For those who follow celebrity news, cheating in Hollywood is hardly a surprise. What is often more interesting are the couples that, despite the spotlight and scrutiny, manage to stick together through a cheating scandal. So Cupid took a look at a few high-profile lovebirds who have weathered the storm of infidelity to see what lessons about moving on can be learned from the A-listers.

1. Josh Duhamel and Fergie: This couple met back in 2004, became engaged in 2007, and were married in 2009. Soon after they became man and wife, though, a stripper accused the

actor of cheating. This didn't seem to upset the Black Eyed Peas singer, as she stayed with him through it all. In 2012, Duhamel addressed the rumors and said, "When you go through difficult times, it really makes you stronger as a unit, as a partnership. It does for us, anyways. Our love today is a deeper love, definitely." In 2013, they welcomed their baby boy Axl Jack Duhamel. What didn't kill this relationship made it stronger, and these two are as happy as ever.

Related Link: [You Cheated, So Now What?](#)

2. Kobe and Vanessa Bryant: Hotel worker Katelyn Faber accused the basketball star of sexual assault back in 2003. While Bryant did admit that he slept with the Faber and cheated on his wife, he denied that it was assault. Through the trial and all of the press, Bryant's wife stayed by his side. The two are still together and are now raising their two daughters, Natalia and Gianna. In fact, they were recently spotted on a family vacation in Greece.

3. David Borneaz and Jaime Bergman: The *Bones* actor and his former Playboy Playmate wife have been married since 2001, but in 2010, he admitted to the public that he cheated on a then-pregnant Bergman. The other woman in the picture is no stranger to scandal: Rachel Uchitel was also a mistress of Tiger Woods. Later, to make matters worse, explicit texts between the two were leaked to the media. Soon after, the actor commented, saying of him and his wife: "We're working on repairing what has been damaged so badly." He now says that the entire affair was a type of bonding experience for the couple and that they are closer because of it.

4. David and Victoria Beckham: The soccer star was hit with a cheating accusation back in 2010 by *In Touch Weekly*, who published a piece stating that he had cheated on his wife with a call girl named Irma Nici. Beckham sued the magazine, and the suit was dropped. Beckham's rep released a statement saying the allegations were "completely untrue and totally

ridiculous, as the magazine was told before publication.” This past July, the couple, who has four children, celebrated 15 years of marriage.

Related Link: [Why Kourtney Kardashian and Scott Disick Don't Need to Get Married](#)

5. Scott Disick and Kourtney Kardashian: This reality couple has faced allegations of unfaithfulness throughout the course of their seven-year relationship. In 2011, rumors swirled that Disick and fellow reality star Kristin Cavallari were having an affair. Cavallari denied the rumors and speculated that they were initiated to spark interest before the premiere of a new season of *Keeping Up With the Kardashians*. With Kardashian pregnant with their third child, it sounds like all has been forgiven!

Ultimately, cheating should be avoided, and it's never a desired ingredient in any romance. But, unfortunately, it does happen. The examples from these high-profile couples proved that with time, forgiveness, and family support, it's sometimes possible to mend a relationship broken by unfaithfulness.

Report: Scott Disick Was Hospitalized for Alcohol

Poisoning

By Sanetra Richards

Blame it on the alcohol. Scott Disick can owe it all to exactly that for his recent hospital stay. According to UsMagazine.com, the reality star was reportedly hospitalized for alcohol poisoning during his belated birthday bash on June 22nd. Kourtney Kardashian's longtime love and father of two, partied and had several drinks at the Hamptons nightclub 10ak before being treated at Southampton Hospital. A source stated Disick "went through a dark place" after losing both parents within the past year, but, "is doing great now."

What do you do if you think your partner drinks too much?

Cupid's Advice:

You have been noticing something strange going on with your partner lately . . . they have been looking to a bottle for an answer and comfort. You want to tell them, however, there is no easy way to go about it. One wrong thing could trigger an uproar. Cupid has some tips to get you there properly:

1. Be honest: Inform your partner of your realization, but be very careful with your approach. Avoid being offensive. Maybe comment on their lack of activity lately by saying you have not seen them doing their favorite hobby since they have started heavily drinking. Maybe even let them know you are concerned about their health. The main goal is to be empathetic at all times.

2. Console them: Behind it all, there is a reason why they constantly seek to drink. It comforts them for the time being. Ask questions in regards to what they may be battling internally that drives them to the bottle. They could very well be heavily drinking without noticing. Help your significant other understand what is causing it and why.

3. Seek help: One of the final and most important steps to act on if you think your partner drinks too much, is getting them the help they may need. Of course, they will have to agree to it. You can try to be as supportive as possible, but they will only change their behavior if they truly believe it is problem worth solving.

Kourtney Kardashian Is Pregnant with Third Baby

By Laura Seaman

Third time's a charm as Kourtney Kardashian is pregnant with baby number three with her boyfriend Scott Disick. Multiple sources tell [UsMagazine.com](https://www.usmagazine.com) that Kourtney is only a few months along, but that she is already showing a pregnant glow. Sources say it was planned, and that Kourtney "wants to have a handful of kids." The Kardashian had said in 2012, "I need to see what it's like when I have three, but [having kids] is what life is about."

How does having a third baby change your family dynamic?

Cupid's Advice:

A third child can really change how a family works in ways that a second child does not. It's best to be prepared for these changes so that your family can properly adjust to this new addition:

1. There is now a middle child. Ah, yes, the notorious situation of the middle child. There are plenty of stories about how the middle child gets much less attention from parents. This is something every family can avoid, but many are guilty of without realizing. Of course you'll always be proud of that first-born child, and you'll dote on your new baby, but don't forget the middle child. They're just as important.

2. There's the odd man out. Three, being the odd and often uncomfortable number that it is, can create tension between the children. The two oldest might create a new bond after the baby is born and become closer than ever, which is fantastic until they start growing up and the third child is still treated like the baby sister or brother who never quite gets it.

3. There is always someone around. It might be that one kid is always hungry, or one kid is always late for a lesson, but this is to be expected for any number of children greater than one. On the bright side, this means that someone is always there to keep their sibling busy. Maybe the oldest is busy and the middle child wants to play. Instead of constantly pestering their older sister or brother, they now have a younger sibling to play with.

5 Celebrity Couples That Fight Dirty

By [Whitney Johnson](#)

It's no secret that mean words and angry actions can be detrimental to a relationship. Still, it's easy to get caught up in the moment and say or do something you don't mean. Even celebrities are guilty of this inappropriate behavior – and unfortunately, their arguments are often caught by paparazzi and splashed on tabloid covers for all the world to see. In order to learn from their mistakes, here are five celebrity couples that fight dirty:

1. Emma Roberts and Evan Peters: This past summer, the 22-year-old *American Horror Story* actress and her boyfriend were caught in a violent fight that led to Roberts being booked in a Montreal jail. When the cops arrived at the scene, Peters was found with a bloody nose and a bite mark. Fortunately, no charges were pressed, and the couple remains happily in love.

2. Mary Delgado and Byron Velvick: Season 6 *Bachelor* Velvick

was engaged to the show's winner for five years before they finally split in 2009. The couple first showed signs of trouble when Delgado was arrested for assaulting her fiancé in 2007. According to the police report, she was under the influence of alcohol when she punched Velvick in the mouth.

3. Rihanna and Chris Brown: It was hard to miss that infamous picture of Rihanna after an argument with Brown escalated and he repeatedly attacked her following a pre-Grammy party in 2009. Still, the couple reunited and has since been in an on-again, off-again relationship. The pop star most recently referred to the incident as “the biggest wake-up call.”

4. Kourtney Kardashian and Scott Disick: You can still fight dirty *without* being physically violent, and this reality star couple is proof of that. Thanks to E!'s popular show *Keeping Up With the Kardashians*, they have to relive their many arguments and sometimes work through the issue more than once – even months after the initial disagreement occurred. Even so, Disick recently told Ryan Seacrest that the couple is “decently happy.”

How do you forgive and move on after a fight?

Cupid's Advice:

After having a fight with your beau, you may still feel angry. You still love them but the words from the fight are still ringing in your ear and you can't get over it. How can you just forgive, forget, and move on? Cupid is here to help you do just that:

1. We are humans: Realize that fact that everyone is human and we all make mistakes. If the fight was over a minor issue that can be overlooked, then let it go by telling yourself that your sweetie is entitled to one or two mistakes. As long as your partner knows that it is wrong to do it again, no need to hold a grudge.

2. Part problems: Do not keep thinking of the past. If your honey made a mistake in the past that caused a fight, remember, you chose to stay with them and forgive them so you can not keep tormenting them about what they did. Just forget about what happened in the past and look towards the future. As long as your partner doesn't keep doing the crime, stop punishing them.

3. You love them: While in a fit of anger, remember why you love your sweetie. This will calm you down and realize that the fight does not matter to you as much as your love for them.
