

Date Idea: Freaky Friday

By Kristin Mattern

Bring on the goose bumps this Friday the Thirteenth by having a superstition-based date with your baby. Take those old wives tales to heart as the two of you skip cracks hand-in-hand so you don't break your mothers' backs. Avoid walking under ladders or breaking mirrors – nobody wants seven years of bad luck. Take superstitious beliefs to a fun new place with this weekend date idea.

If you've never been superstitious, spend some time with your sweetie and look up some nifty ones from all over the world. There are a lot of bizarre superstitions out there, according to bored.com, like black cats being demons in disguise who create a barrier of evil when walking across your path.

Looking at the new moon over your left shoulder (so specific!) or cutting your nails on a Friday are two more examples. While your love and you share some giggles about these negative juju actions, discover some good luck superstitions to perform and ward off the bad luck. Cross your fingers, knock on wood, spill wine while proposing a toast (just make sure you have paper towel on standby) and walk in the rain with your honey to soak up the good vibes.

Take a cue from the movie *Freaky Friday* and celebrate this Friday the Thirteenth by pretending to be one another. Act out actions each other normally does, or imitate catch phrases you both normally use. To really take it to the next level, swap clothes and just have fun! Remember to play nice though – don't harp on your partner's bad habits or annoying behaviors.

Continue this eerie date by watching *Friday the 13th*. Looking for something a little more vintage? Check out the *Twilight Zone* or a Hitchcock flick for some suspense. Your cutie is sure to snuggle close as you curl up together on the couch with some popcorn to finish off this fun Friday the Thirteenth-inspired day!

Freak out this Friday with a superstition-filled date!

This Holiday Season, Give the

Indulgent Experience of zChocolat

This post is sponsored by zChocolat.

By Kristin Mattern

From the time when European royals drank chocolate to when chocolatiers formed the delicious candy into bars and truffles, chocolate has always been a luxury treat. Eating chocolate is a sensation, tantalizing taste buds with silky textures and full cocoa flavors. *Really* delicious chocolate can even excite strong feelings of happiness and sometimes love. [zChocolat](#) knows quality matters most in creating a riveting chocolate experience. When giving that special someone a box of chocolates this holiday season, zChocolat's

line of gourmet chocolates raises the spatula and goes beyond the bon-bon wrapper.

zChocolat is created in France by World Champion Chocolatier Pascal Caffet and ships worldwide. Each mini masterpiece is made using high-grade, single-origin chocolate from Venezuela, the Ivory Coast, and Bolivia. The devilishly rich ganache is prepared with top-shelf quality butter and cream from Normandy, and even the nuts are ensured to be nothing but the best, hailing from Spain and Italy. These worldly ingredients combine in 26 different ways to please even the most particular chocolate connoisseur.

Luxury doesn't stop at the wrapper with these chocolate dreams. zChocolat nestles their exquisite creations inside of a gorgeous box for a truly memorable treat. Impress your honey this Christmas by choosing from an elegant handcrafted mahogany box or a holiday-special crimson box. To further customize this stocking-stuffer, you can include a personal photo, logo, or card inside and even have the zChocolate box engraved. Plus, you can hand-select the chocolates to fulfill their coconut cream and chocolate toffee fantasies!

We at CupidsPulse.com had the privilege of indulging in these delectable chocolates, and all we can say is *wow!* zChocolat more than delivers on its promise of offering superb chocolates. Each piece is creamy and well-balanced, and all of the unique flavor notes from almond to red pepper can be tasted in each bundle of chocolate sublimity. All of the girls in the office agreed that if our man got us zChocolat as a gift, we'd be ecstatic. And now, one lucky CupidsPulse.com reader will get to enjoy a box of decadence as well!
