

Celebrity Break-Up: Lamar Odom & Fiancée Sabrina Parr Call It Quits

By Nicole Maher

In the latest [celebrity news](#), Lamar Odom and Sabrina Parr have decided to call off their engagement. According to *UsMagazine.com*, Odom and Parr's [celebrity break-up](#) stems from personal issues that Odom needs to work through on his own. The couple was engaged in November of 2019, just three months after first being seen together in Atlanta, and had planned their wedding for November 2021.

According to Sabrina, this celebrity break-up is a result of Lamar Odom needing to work on himself. How do you know if you're in a good place mentally and emotionally for a relationship?

Cupid's Advice:

Sometimes the state of a relationship is dependent on internal factors, such as mental and emotional readiness, rather than external factors. If you are wondering if you're mentally and emotionally ready for a relationship, Cupid has some advice for you:

1. You have other outlets of happiness: Being in a relationship should be one of the highlights of your current life, but it should not be your only outlet of happiness. If the only thing that truly brings you joy is being around your partner, then you may not be mentally or emotionally ready for a relationship. Placing all of your happiness on one person can lead to unhealthy standards and more disappointments even if neither partner is in the wrong.

2. You're happy with the timing: When you are in a sound mental and emotional place, you are often happy with the progression of your life. If you are content with the rate at which your relationship is moving, as well as how it fits into your life overall, then you are ready to be in that relationship. However, if you feel that this relationship will cause you to miss out on different areas of your life, you may

be in the spot to commit mentally.

3. You've processed past experiences: An obstacle that many people face in relationships is getting over negative past experiences caused by an ex. If you are entering a new relationship but are still holding onto issues caused by a past partner, you may not be emotionally ready. However, if you've processed and coped with these past issues, then you are likely in a good spot to go forward with a relationship.

Celebrity Couple Predictions: Khloe Kardashian, Olivia Munn and Ciara

By [Shoshi](#)

Want the latest [celebrity news](#) and romance gossip? Recently, these famous couples have made headlines for their relationships and love, whether it be Khloe Kardashian's rekindled celebrity marriage, Olivia Munn's soon-to-be troubled romance, or Ciara's new beau. Check out my predictions for the three celebrity couples below and find out what's next in their love lives!

Celebrity Gossip Around These Celebrity Couples

Khloe Kardashian and Lamar Odom: I was not surprised that Kardashian and Odom put their divorce on hold. I called it before Odom woke up. According to the ladies at the Love Ranch, Odom didn't sleep with either one of them. Maybe he was too busy popping pills? There's so much criticism online because Kardashian has decided to take him back, especially since he happened to be in a brothel. But remember, it's not like he slipped out of the house to go to the Love Ranch. They were in the process of a divorce so he was doing his thing and she was doing hers. Will this celebrity couple last is the biggest question circling around them. At this moment, when I look at their relationship the answer is yes. There's a different energy around Khloe and Lamar than when they were married the first time around. Right now, it's about two people who love and need each other, money and celebrity status aside. I hope that they make it. There is no reason why they can't have a healthy relationship. For it to work, these two will have to keep things private. That includes keeping Kris Jenner out of their business. This time around I see that Kardashian is strong enough to tell her mother to stay out of her business. She knows what her life is like without Lamar and she would prefer to have him in it.

Related Link: [Khloe Kardashian and Lamar Odom Are Throwing Out Celebrity Divorce Case](#)

Olivia Munn and Aaron Rodgers: This is an interesting relationship, one that looks a bit unbalanced. Rodgers credits Munn for supporting him and putting some of her goals on hold for him. Meanwhile Munn credits Rodgers for helping her to be in better shape. It's good that they're aware of their dynamic. Right now things are okay between these two, but as time goes on, there will be friction. Rodgers is getting more out of this relationship than Munn, which will eventually become a sore point. At the beginning of a relationship is when you set the stage for the give and take. This will not be an equal relationship when it comes to career. There is also something shady about Rodgers that will come to light in the long run. It looks like he has marriage on his mind as does Munn. Sometimes a woman gives things up to get a ring, which is her choice. Hopefully that decision doesn't eventually cost her a booming career and a relationship.

Related Link: [Aaron Rodgers Gushes Over Celebrity Relationship with Olivia Munn](#)

Ciara and Russell Wilson: When Ciara and Wilson were seen together there were whispers of it not being a real relationship. It was suggested that the two were only together for the cameras. Now that it has been more than a few months, the fans are not happy about Ciara being in the picture. The Seattle Seahawks haven't been having the best football season, which has the fans saying that Ciara is nothing but bad luck. Sports teams have always been superstitious, which is why most of them have a psychic on call. While Ciara is probably not the reason the Seahawks can't get it together on the field, she should fall back a bit at the games. She should stay in the box seats away from the stands and the fans. It might even be good if she just watches the game at home. Since players are superstitious when it comes to games, it would be a shame if Wilson starts believing what people are saying. These two

have similar values and want the same thing in a relationship. This relationship has a good chance of ending up in marriage if they continue in the direction they're going in.

These celebrity exes are bringing the drama again! What are some ways to keep drama out of your love life?

Cupid's Advice:

Drama is unfortunately an unavoidable part of life. However, with the right attitude, most unpleasant situations can be diverted. Cupid has three love tips below to help keep your relationships drama-free:

1. Act only with good intentions: It's an unwritten rule that those who wreak havoc will ultimately face havoc of their own. Instead of seeking revenge on an ex, show them you're the better person by letting it go or even helping them out. When fighting with your current love resist the urge to intentionally do anything you know will make them angry because, at the end of the day, nothing good comes out of vengeance.

2. Avoid negativity: You've likely heard it a thousand times but keeping negative people in your life will only attract drama and pessimistic views. Avoid lovers who focus on the bad and seek partners who's positivity emanates directly from them.

3. Step into their shoes: Before blowing up on your partner in an argument, try to truly see their side of the argument. See the issue at hand from a new perspective in order to prevent turning a heated discussion into a full-blown fight.

Khloe Kardashian Opens Up About Dating French Montana After Split from Lamar Odom

By [Courtney Omernick](#)

Khloe Kardashian is finally speaking out about her split from Lamar Odom and her rebound relationship with French Montana. The reality star admitted she “rushed” into a relationship with Montana after her split with basketball star, according to [UsMagazine.com](#). She went on to say that the rapper is a good person, but that right now, she needs to mourn the loss of her marriage.

How do you know if your current relationship is a rebound?

Cupid’s Advice:

After the end of a relationship, it can be tough to know what to do with yourself, especially if you were with your ex for a long period of time. It can be lonely! That being said, it’s important to begin a new relationship for the right reasons and not just so you can have companionship. So how can you tell if you’re rebounding? Cupid has some ideas:

1. You don’t care about the other person: Your new significant other makes you feel great and does all of the right things,

for the right reasons, at the right time. Unfortunately, you don't feel a spark, and if they said goodbye tomorrow, it wouldn't be a big deal. If you're only in your current relationship because you like how you're being treated, but you're not interested in reciprocating, think about moving on.

2. Your eyes are always open: You want attention and the assurance that you've still got it. If you're constantly seeking the approval of members of the opposite sex, even though you're in a new relationship, you might not be ready to settle down just yet.
