Celebrity Couple Predictions: Leighton Meester, Sofia Vergara and Taylor Swift

By [Shoshi](#)

The latest celebrity news has been filled with juicy relationship gossip, including a [celebrity pregnancy](#) announcement, a famous couple prepping for their celebrity wedding, and a singer finally settling down. Check out my predictions for the three celebrity couples below and find out what's next in their relationships and love lives!

Latest Celebrity News About Three Celebrity Couples

Leighton Meester and Adam Brody: It was recently announced that Leighton Meester and Adam Brody are expecting their first celebrity baby together, sending *Gossip Girl* and *The O.C.* fans into a tizzy. I predict that their little bundle of joy will be a very cute baby, though one doesn't have to be a psychic to see that.

Related Link: [Celebrity News: Leighton Meester Says She's Never Been Dumped](#)

I have to admit that I see something in their celebrity marriage that says that this famous couple won't be together for the long haul – that's something that I've noticed since they first got married. What I see could also be a rough patch down the road that leads to a little time apart; they may find their way back to each other. Only time will reveal the outcome of this relationship and love!

This celebrity couple has let it be known that they want a bunch of kids, and I see four children circling Meester. Once this baby comes, it's possible that the actress will focus on being a mother for a while – a bummer to her fans but a bonus to her baby.

Sofia Vergara and Joe Manganiello: I can't help but still give this famous couple the side eye. For some reason, I keep seeing Vergara and Manganiello thrown together for publicity purposes. My psychic juices say "staged." While they make one dynamite-looking couple, there is something that is a bit off about them. Their body language doesn't read like a couple crazy in love. Maybe the need for companionship is what brought them together.

Now, Vergara is saying that she would like to have celebrity babies with Manganiello, even though she previously said that

having more kids was not a priority. I don't see any more kids in her future, at least not any that she'll give birth to. Until Vergara and Manganiello walk down the aisle together, I can't see them as a serious pair. If they do go through with it, their celebrity marriage will be short-lived. May they prove me wrong! I do wish them the best.

Taylor Swift and Calvin Harris: I love to see [Taylor Swift](#) stepping out with her new man, DJ and music producer Calvin Harris. They make a nice-looking couple. Harris is known for being a bit of a playboy, but it looks like things are progressing well with the songstress. Cheating rumors have surfaced over the past few days – and they won't be the last ones. We can expect more gossip and women throwing themselves at Harris because they want to cause trouble between him and Swift.

When I first saw them together, I didn't see this relationship lasting for more than a few minutes, but it looks like the tide has turned. In fact, it seems like it could go longer than most of Swift's romances. As you probably know, the singer's past relationships have lasted for about ten minutes, and people have often wondered why she can't seem to keep a man around. I see Swift and Harris in a relationship for about a year and a half to two years. I don't see wedding bells, but you can expect for Swift to write nice songs about her new guy.

Celebrity News: Leighton Meester Says She's Never Been Dumped

By Meranda Yslas

Actress Leighton Meester shared her latest celebrity news that isn't too difficult to believe: she's never experienced a [celebrity break-up](#)! The *Gossip Girl* star explains, "I've never been dumped I guess, but I've been hurt." Hopefully the fear of experiencing a split has gone since tying the knot with her husband actor Adam Brody. According to [E! Online](#), the two celebrated their celebrity wedding back in February 2014 and

remain madly in love. Since then Meester has been focusing a lot of her attention on her friends and family. She shares, "My values have shifted greatly in terms of what I find important. It's my family, my friends and having a personal life. Those are the things that need nurturing."

This piece of celebrity news makes us jealous! How can you prepare for a big break-up if you've never been dumped before?

Cupid's Advice:

Although the latest celebrity news shows that some people don't experience being dumped, that's normally not the case. Break-ups hurt and if you're not prepared for them, they can catch you off guard. Here are some relationship tips to prepare yourself for a split:

1. Remember your hobbies: If your life has become centered around your beau, it may be time to pick up some of your old hobbies that you left in your past. Join a book club, start hiking again, or volunteer. It's important to make sure you still have a life if one day your relationship ends.

Their Lips are Sealed: 5 Celebrity Couples That Kept a Secret

by Molly Jacob

What's juicier than a best kept secret? Sometimes we like to keep things to ourselves, and celebrities are no different. With all the celebrity gossip that follows anything anyone famous does, we don't blame people in Hollywood relationships who like to keep their lips sealed.

From secret baby daddies to secret weddings, see what celebrity couples have kept a secret!

1. Hilarie Burton and Jeffrey Dean Morgan: The *One Tree Hill* star not only managed to keep her relationship with *Grey's Anatomy* actor Jeffrey Dean Morgan a secret, but also a baby bump! Burton and Morgan's relationship apparently moved along very quickly in 2009, so no one knew they were together (but this celebrity couple has stayed together ever since). Because she managed to avoid the spotlight after finding out she was pregnant, fans were shocked to find out she was expecting. In March 2010, she gave birth to their son, Augustus. She continued to be tight-lipped about the birth and name of her son until months later, even as the celebrity gossip swirled around them.

2. Leighton Meester and Adam Brody: These two lovebirds kept their romance a secret! A source revealed in February 2013 that the two were dating, and they had been close ever since working together in 2011 on the set of the film *The Oranges*. In November 2013, a source confirmed that the duo had gotten secretly married. This news came out only three months after their engagement went public, something else they were super secretive about. Being in a Hollywood relationship often comes with a lot of gossip and speculation, so these two probably wanted to keep their relationship as drama-free as possible.

3. Jude Law and Samantha Burke: Although these two aren't a celebrity couple anymore, this duo kept a secret back in 2008. Law, known for his scandalous affairs, had a secret, brief fling with model and aspiring actress Samantha Burke. She found out she was pregnant soon after, and conducted a DNA test to determine that Law was the father. Burke gave birth to Sophia, their baby girl, in September of 2009. Although he is no longer in their lives, Law did make a statement in 2009 that he would be supportive of both mother and daughter.

4. Ryan Reynolds and Blake Lively: This Hollywood relationship also seemingly came out of nowhere. Reynolds and Lively married at a secret and private wedding ceremony in 2012 even before publicly confirming their relationship or announcing an engagement. Even more interesting: this was not Reynolds' first secret wedding. He and Scarlet Johansson got married in secret at a Canadian resort in 2008.

5. Alison Brie and Dave Franco: The *21 Jump Street* star and *Mad Men* actress also apparently like to keep their love from any celebrity gossip mills. Everyone was shocked to find out last spring that the two had been dating for two years. While *Neighbors* fans all over the world received this news with heartbreaking despair, others were surprised they had kept their relationship under wraps for so long.

Leighton Meester Says “Stupid” Split Inspired New Album

By Amanda Boyer

Gossip Girl alum turned singer Leighton Meester performed songs from her new album on Tuesday, Oct. 14 in NYC at the Apple store. After the performance, according to USMagazine.com, Meester spoke about her inspiration for the album and why it's entitled "Heartstrings." She explained that a past split she had when she was 25 years old or younger inspired one of her soon-to-be hit singles.

How can you turn heartbreak into a positive?

Cupid's Advice:

Heartbreak is one of the most painful things you can experience, but it's also something you can make into a positive in your life. Cupid has some tips:

1. Vent: Find a friend that you can be one hundred percent yourself around. Sit down with them and just talk about how you feel. This will help you find pros and cons and be able to get everything out, and as an added bonus, it will bring you closer to your friend.

What are some ways to support your partner's career?

Cupid's Advice:

A relationship is similar to a business partnership. There are strengths and weaknesses that both people bring to the table, and together, both parties become one. Cupid has some ways to support your partner in his or her career:

1. Ask for frequent updates: By having interest in your partner's career, it demonstrates your efforts to support what they are passionate about. If there is something weighing on their heart in the workplace, you are supposed to represent a safe haven where they can come to when they need advice or a shoulder to lean on. Ask questions about the projects they're working on, or clients they have and try to understand what your honey is doing on a day to day basis. Even make suggestions when he asks for a creative edge. This can also create a stronger bond for you and your love through the ability to connect on career interests.

2. Attend work related events: Like Meester and Brody, show the world how strong you are as a unit by being a united front. Attending work related events may or may not be interesting to you but it'll mean the world to your partner. A company party or a fundraiser is a great place to socialize with your man's coworkers. As his leading lady, you are the foundation to his passions, and number one supporter of his goals. Wow his bosses with your winning smile, and adoration for your love, showing that you support everything that he is about, and in turn, your sweetheart will do the same for you.

3. Make sacrifices when needed: Relationships are hard enough, trying to make two lives into one, so sometimes sacrifices are inevitable. If your love's job requires him to move to a different city, or work long hours, try being

accommodating to his needs. If this promotion will open doors for him, don't be the one to stand in the way. Love always finds a way to make things work, no matter the circumstances. Stay strong in your faith of your relationship and everything will work out in the end.

Leighton Meester and Adam Brody Secretly Marry

By Brittany Stubbs

Not even three months since the news of Leighton Meester and Adam Brody's engagement, the couple are officially married! The lovebirds tied the knot in a super-secret wedding, confirms multiple sources to UsMagazine.com. While the news of the nuptial came as a surprise to most, the twosome has always kept their private lives pretty quiet, neither commenting on their romance publicly. Although they've both had past relationships, neither of the stars have been previously married.

What are some perks to having a secret wedding?

Cupid's Advice:

While it's often fun to celebrate life's biggest moments with all your friends and family, sometimes all you need is that one person. Cupid has advantages to having a secret wedding:

1. Less work: When planning a secret wedding, you don't have to worry about a ton of save the dates, invites, and RSVPs. While this might seem like a huge deal, these formalities require more time, money, and stress than they seem.

2. Keeps the ceremony focused: While planning a wedding, couples often get caught up worrying about ridiculous details and lose site of the real point of the ceremony: celebrating their love and commitment to one another. By having a secret wedding and not constantly discussing the plans and details with the rest of the world, you're less likely to lose site of what is important.

3. More romantic: There's something so exciting and special about a secret romance. While technology today allows us to share every thought, moment, and meal we have, it is so romantic to have one aspect of your life kept between you and

your love.

Leighton Meester and Adam Brody Are Engaged!

By Brittany Stubbs

Cue the wedding bells, Leighton Meester and Adam Brody are engaged to be married, a source confirmed to UsMagazine.com. After less than a year of dating, Wonderwall was first to

announce the unexpected wedding news for this private couple. Although the *Gossip Girl* and *O.C.* star have rarely commented on their relationship in the past, they have been spotted together at a handful of low-key appearances around Hollywood this year. These lovebirds not only have plans for the chapel, but will be working together in the upcoming comedy *Life Partners*.

What are some ways to make your proposal a surprise?

Cupid's Advice:

There is nothing more exciting than the moment you decide to spend the rest of your life with someone. Making the moment a surprise instead of something she's expected and been building up will make it all the more special!

1. Don't drop any hints: Avoid mentioning things that might arouse her suspicions. Talking about the big night or romantic weekend you've been planning for the two of you is just building her expectations. Also, stay clear of comments like "when we're married" or "hold off on deciding if you should renew your lease" is just obvious.

Related: [New Couple: Adam Brody and Leighton Meester Are Secretly Dating!](#)

2. Tell as few people as possible: Despite how loyal your family and friends may be, it's hard to keep such exciting news in. This is especially true when it comes to her friends. Girlfriends tell each other everything; even if they're not sharing the news, it's usually easy to tell when one of them has something on their mind. So unless her friends are actually involved in details of the proposal, let her be as surprised as your girlfriend.

Related: [Leighton Meester Hopes to Find True Love Someday](#)

3. Avoid the cliches: Romantic getaways, five star

restaurants, and big Valentine's Day plans are fabulous, but they're usually a giveaway that something big is about to come. Surprise her by taking her somewhere unexpected. Maybe you tell her you're just having to run a quick errand while the two of you are on your way home. Maybe you just surprise her at work to see if she wants to grab lunch and instead, take her to whatever you have planned. Think out of the box and get creative!

New Couple: Adam Brody and Leighton Meester Are Secretly Dating!

By Andrea Surujnauth

According to UsMagazine.com, Adam Brody and Leighton Meester have been secretly dating for weeks! Brody, who used to play Seth Cohen on WB's *The O.C.*, costarred in *The Oranges* with Meester. A source told *UsMagazine.com* that the two were close and friendly while on set. The source went on to say that the pair have been hanging out quite a bit since then although they managed to stay out of the public eye. Apparently these love birds even went to Bangkok together. Meester, who is best known for portraying Blair Waldorf in *Gossip Girl* previously dated Aaron Himelstein but the two broke up during the holidays.

What are some reasons to keep your relationship out of the public eye?

Cupid's Advice:

When you're in a relationship you're so happy that you want to yell to everyone that your dating someone amazing. So why do some choose to keep their relationship under wraps? Cupid is

here to tell you why staying on the down low may be a good choice...at least at first anyway:

1. Publicity adds pressure: When a relationship is new, it tends to be very delicate. Keeping your relationship under the radar will help avoid strain that being public may bring. Having your relationship out in public is having it open for people to judge every aspect of it. It might be better to make sure that the relationship is strong enough to handle these pressures before letting everyone in on your new found love.

2. Making sure that it will last: You don't want to tell everyone about your relationship and then have it end a month later. It can be very embarrassing and depressing when someone asks you about your relationship a few weeks after you make it public and you are forced to admit that it is over. Keeping things quiet about your relationship at first will give you time to make sure you and your new beau are compatible enough to maintain a long term relationship.

3. Jealousy: Keeping your new relationship under wraps can help avoid jealousy issues from exs or others. Waiting until you get to know your sweetheart better before opening your relationship up to the world will help to avoid issues from jealous outsiders.

The Upcoming Movie 'The

Oranges' Will Have You Laughing Hysterically

By Nicole Weintraub

Love is in the air this fall as Leighton Meester graces the big screen. In the new film *The Oranges*, Meester plays a 24-year old college student who is coming home for the first time in five years for Thanksgiving. Her family is thrown when her mother catches her sneaking off to be with none other than sexy Mr. Walling (*House* star Hugh Laurie) who happens to be Meester's parents' best friend! The two start a relationship that throws both families for a loop in this comedic drama. Watch as both families struggle to deal with mixed feelings and awkward scenarios that they never thought they would find themselves dealing with when this movie hits the theaters on

October 5.

Should you see it: Obviously! With a cast like this, you'd be crazy not to see this one in theatres. Sexy and mysterious Hugh Laurie gets steamy on screen with *Gossip Girl*'s Leighton Meester. Plus, Adam Brody plays Hugh Laurie's son. With a cast like this, *The Oranges* is surely a movie to see.

Related Link: [The Upcoming Film 'The Words' Will Leave You Speechless](#)

Who to take: This type of movie has a little something for everyone. Go with a group of your friends for a girls' night out, go as a movie date with your partner. You can even go with your parents and laugh over the absurdity of dating one of their best friends.

In the film, Meester and Laurie fall for one another much to the dismay of everyone around them. Never expecting to fall for one another, the two begin to sneak around at first for fear of their families finding out. Eventually, the truth comes out and both families have a difficult time grasping the concept of the two dating. Meester's parents are torn between defending their daughter's honor and hearing out their best friend. Laurie's wife is reeling from her recent divorce and the fact that her estranged husband is dating their best friends' younger daughter. One of the biggest concepts to grasp is the huge age gap between the two lovebirds. We have all had a crush on an older individual, but many of us have not pursued it.

What do you do when your parents don't approve of your relationship?

Cupid's Advice:

Getting the parental approval is one of the most difficult aspects of a new relationship. Here are some tips on what to

do when you don't get the approval:

1. Don't sweat it: It's not the worst thing in the world if your parents do not automatically approve whom you are dating. They may want to get to know your partner first before making any judgments. No one is going to be good enough for you in your parents' eyes.

Related Link: ['The Week The Women Went'](#)

2. Family bonding time: One of the biggest reasons as to why parents do not approve is because they know nothing about your partner. Schedule some family bonding time whether it is game night or Sunday dinner so that they can get to know how serious your relationship really is.

3. Talk about it: Be open and honest with your parents and your partner. Make sure your partner is on their best behavior and ask your parents to be open-minded since you truly care about your partner.

Leighton Meester Hopes to Find True Love Someday

Leighton Meester has high hopes for true love. According to [People](#), the *Gossip Girl* star is looking for the kind of relationship that her character on the show, Blair, shares with onscreen love, Chuck Bass (Ed Westwick). “Because the way they love each other is very real, and not for the sake of being dramatic,” says Meester. Though 24 and single, the accomplished actress is far from giving up. “It’s okay if you don’t find him and you’re 24. You can find it someday.”

How do you know when you’ve found “real” love?

Cupid’s Advice:

Leighton Meester says, “Real love is not for the sake of being dramatic.” If you’re not sure whether you’re in love or not, Cupid has a few telling signs:

- 1. It goes deeper than looks:** Make sure you enjoy talking to your partner just as much as you like looking at him. If you find yourself constantly fixated on your partner’s physical appearance, you may be confusing love with lust.
- 2. It’s not just physical:** If your relationship is more

physical than it is emotional, it's probably not love. You should be getting to know your partner inside and out. When its' time to say, "I do," you should be looking forward to more than the honeymoon.

3. You make sacrafices: The biggest sign of love is putting your partner's needs before your own. Sometimes you have to make sacrifices, even if they're small. If you're always thinking what this person can do to help you instead of what you can do to help them, you're probably not in love yet.
