**In celebrity break-up news, not all love stories have a perfect beginning, middle, and end. What do you do if you make a bad impression on your crush the first time you meet them?**

#### **Cupid's Advice:**

Sometimes when we get nervous or are trying to impress someone we end up saying the wrong thing. While this may not lead to the best first impression, it doesn't mean that we completely blew our shot. If you are looking for some ways to make up for a bad first impression, Cupid has some advice for you:

**1. Acknowledge and apologize:** Oftentimes the easiest way to move past an awkward encounter is to simply acknowledge it happened and apologize for it. This will ensure your crush that you also thought the first impression wasn't the best so they are not left wondering if that's how you normally act. Once the air is cleared, focus on impressing them next time!

**2. Don't dwell on it:** While the fact that you made a bad first impression on your crush may still be on the forefront of your mind, it is important not to dwell on this encounter. If you spend too much time focusing on what you did wrong, it can make it more difficult to show your crush your real personality moving forward. Once you've acknowledged it, just

let it go!

**3. Nail the second impression:** First impressions are not last impressions. Once the air is cleared from an awkward first encounter and you have stopped dwelling on what you originally said, take every opportunity moving forward to make a better impression. Over time, your crush will forget how bad your first impression may have been and only think of the ways you have impressed them since.

**How do you re-establish a friendship after a bitter breakup?**

## **Cupid's Advice:**

"We can still be friends" is far easier to say than it is to do. How do you go about rebuilding a friendship after your romantic relationship has gone sour? Cupid has some ideas:

**1. Take it slow:** Do not rush things. Hurt feelings left over from a nasty break up can't be shrugged off. You need to give yourself and your ex time to heal before developing a platonic relationship.

**2. Come clean:** You need to be honest about any remaining bad blood remaining between you two. Sweeping unaddressed grudges under the rug for the sake of friendship won't work for long.

**3. No green-eyed monsters:** Will you be supportive when your ex starts dating someone new? If not, you need to resolve this issue within yourself now because jealousy will be a sure-fire way to destroy your newly revived friendly.
