1. You spend a lot of time together: When you begin spending a majority of your free time with your partner it's a good sign things are getting serious. You think about them often, and when you're not together you may find yourself missing them or wanting to see them. You make each other happy and truly enjoy each other's company.

Celebrity Exes Reunite: Are Leonardo DiCaprio & Toni Garrn Rekindling Their Romance?

By

[Melissa Lee](#)

Speculators have their eyes on [celebrity exes Leonardo DiCaprio](#) and Toni Garrn after the two were spotted at the Unitas Gala this past Tuesday. The former [celebrity couple](#) dated for a year and a half until late 2014, according to [EOnline.com](#). A source close to DiCaprio claims that they are both keeping their expectations low after their previous break-up. They apparently are hanging out and having fun, so no labels have been placed just yet!

These celebrity exes may give their relationship another go. What are some reasons not to rekindle your relationship with an ex?

Cupid's Advice:

Everyone understands how difficult the break-up process can be, but it's even harder rekindling the romance with your ex

after time has passed. If anyone knows this situation well, it's *definitely* Leo and Toni! If you've found yourself in a similar dilemma, check out some of Cupid's advice below:

1. Reflect on the past: Although when you look back on the relationship all you may remember are the good times, but you need to look past that. Reflect and remember the reasons why things didn't work out in the first place, and realize that those issues will most likely continue to arise in the potential new relationship with your ex. You broke up for a reason!

2. You're not moving forward: By getting back together with your ex, you're not moving forward with your life whatsoever. In fact, some could argue that you're simply living in the past and stunting potential emotional and mental growth by getting back together with this person. Throughout life, it's important to make sure you are constantly growing, so do yourself a favor and say goodbye once more.

3. You're missing out on the potential new lovers: By getting back with your ex-lover, you're missing out on all the potential new partners! Instead, you're essentially just re-living the same relationship from before. Unless you truly believe (and see) a change in your ex and in the budding relationship, there is really no reason why you should get back with them.

What are some reasons why you think getting back with your ex is a bad idea? Leave your thoughts below.

Celebrity Couple Predictions: Pauly D, Leonardo DiCaprio and Chloe Grace Moretz

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught

the public's attention, two of which are celebrity relationships that have been in the works for some time now, such as with Pauly D and Aubrey O'Day and Chloe Grace Moretz and Brooklyn Beckham. But one of the newest Hollywood couples is Leonardo Dicaprio and Nina Agdal. Who's stepping out in Hollywood this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Pauly D and Aubrey O'Day: Pauly D and Aubrey O'Day are definitely an interesting pair. It's a rollercoaster kind of love. The latest celebrity news is that Pauly is abstaining from sex with O'Day to slow things down. At this point, it might be a very good move so they can figure out where their relationship is going. This famous couple works because they are both a hot mess when it comes to relationships. Either they will continue to break up and get back together or they will have a secret wedding then divorce quickly. Eventually, O'Day will decide that she can do better because she can. Pauly can't give her the kind of love that she craves. Let's just say, it's a learning experience for both of them. The best partner option for O'Day is actually an older gentleman who is stable with a nice bank account. I ain't sayin' she's a gold digger, but she likes to be pampered. What lady doesn't?

Leonardo Dicaprio and Nina Agdal: It's no surprise that Dicaprio has found another model to cozy up to. This time, it's *Sports Illustrated* model, Nina Agdal. They have recently

been spotted frolicking around Greece together. Right now it's looking like a regular Leo, love 'em and leave 'em relationship. In several photos, he already looks bored with Agdal. She is beautiful and all, but don't expect to see Agdal at many events with Leo. Basically, the best thing about their relationship for her is more attention for her career. She should bask in the photo opportunities and trips while she can. Unless she has some tricks up her sleeve, their celebrity relationship will be a short one. DiCaprio likes his freedom which is why he continues to select the women that he does. When he does find his match, he is going to pull a George Clooney move by putting a ring on it quickly and walking down the aisle.

Related Link: [Celebrity Couple News: Leonardo DiCaprio & Nina Agdal Get Cozy on Malibu Beach](#)

Chloe Grace Moretz and Brooklyn Beckham: Slowly but surely Moretz and Beckham are becoming the cutest Hollywood couple. They have been dating since May of this year and Moretz's mom has posted on social media that she approves of their relationship. Moretz recently spoke at the Democratic National Convention, while Beckham made the smooth boyfriend move of showing up as a surprise. Then Beckham's mom, Victoria Beckham, praised the speech on Instagram! It looks like a major love-fest is going on. Beckham is clearly smitten. He is consistently declaring this love and support for Moretz on social media. If they weren't so young, I would say to be on the lookout for wedding invitations. It's nice to see young love without the drama. They compliment each other in the best possible way. I can see them walking down the aisle in the future.

No new celebrity couple this time around! What are some ways to keep rumors about the status of your relationship on the DL?

Even if you aren't dating somebody, the rumors could still fly. People talk regardless of the status of a relationship and whether it's a friendship or a partnership, it's not safe from rumors. Cupid is here to help:

1. Confirm it: If someone asks you about the status of your relationship, tell the truth. Don't let the gossip weigh you down, but turn it around! Spread the word so that everybody gets their facts straight.

3. Embrace it: Take it as a compliment that people are interested in your love life. If they aren't being nasty about it, it's harmless fun. When the gossip is cruel, that's when you need to consider their insecurities and see that it's not your fault or problem that they're involving themselves.

Cupid's Advice:

Being heartbroken can make you blind to moving on, so you need to recover a bit and get your life back. Cupid has some tips:

1. Don't act scornfully: Lashing out at your ex via phone call, text, e-mail, etc., will only worsen the hurt you're experiencing. Instead, whenever thoughts of the break-up cross your mind, choose a peaceful thought or action- like meditation, yoga, or talking to your friends- to ease the sting.

2. Stay busy and productive: It has been proven time and time again (by no one but ourselves) that slumping on the couch with a sad movie and ice cream doesn't help. Don't put your life on hold because of a split! Channel the emotions positively and excel at work, school, or your favorite hobbies.

3. Don't move on too soon. If you still find yourself missing your ex, and you're not ready to go out meeting new people, then don't! There's no rush. It takes time to heal and process the end of a relationship- that's the only way to learn from it. Take your time getting over them.

When should you try and win back the love of your life?

Cupid's Advice:

Some people in your life just slip away from you. As much as you tried to hold on to them, and plead for them never to leave...some just do. Or maybe you left and are now realizing how much of a fool you are for it. No matter the case, trying to win back your ex is difficult. Cupid has some advice on if

you should do it or not:

1. Soul mates: You know you should try and win back your past beau if you believe they are your soul mate. Soul mates are not something you should take lightly, if you think someone could be your other half...hold them close. It is said that you have one person who equals you, a person you can morph into and become one. Fight as much as you can to get that person back if you've lost them.

2. Waiting: Have you ever been in a position where you've had to wait for a person before? They weren't available, or they were moving, a situation causing you to wait for them. Were you in love with someone so intensely, yet they loved another person? If you've answered yes to these, and your scenarios of waiting are over...go and get them. Go out there, do whatever you have to do to have them in your life again.

DiCaprio Says He's Open to Getting Married

By

Meghan Fitzgerald

Leonardo DiCaprio is one busy man. With hits like *Django Unchained*, *The Great Gatsby*, and *the Wolf on Wall Street* – he has undergone a lot of stress. This summer, according to [UsMagazine](#), the almost 40 year old actor is planning to relax. [Extra](#) reports: “To me, right now it’s about getting a little breather – getting some time off...just a few months off to do some other things.” DiCaprio is currently single but taking the days “as they come.”

How do you know if your partner is ready to get married?

Cupid's Advice:

Getting married is a serious matter in your relationship and your life. When you are thinking about marriage, you need to make sure you and your partner are ready for the next step. Cupid has some more advice:

1. Love: Is your love stronger than the gods, mountains, and nature altogether? Does your love heal wounds, hearts, and souls? Does your love make you and your mate grow more as a person, and as a couple? If you answered yes to these, you and your mate are ready to get on board to the marriage train. If you are doubting your love you have for your partner, or your partner has for you – you may not be ready.

2. Finances: Does your partner have their finances in check? Are they independent and strong? It is essential that your mate is ready to join into a combined relationship where financial situations are more than important. It is necessary for your partner to have a strong financial standing in order to take the next step, which is marriage.

3. Trust: Does your mate trust you with everything involving their life? It is essential that your partner does not keep secrets from you. It is one thing to keep secrets in a relationship, it is another to do it while married. You need to make sure trust is in the air before you put a ring on it. If you don't believe your mate trusts you, they may not be ready for the big step in their life.

12-12-12: Show Your Love & Support for the Victims of Hurricane Sandy

Here at CupidsPulse.com, we saw firsthand the true devastation caused by Hurricane Sandy. Our offices were located in the center of the storm, and we feel very fortunate that only a portion of our office was impacted. We were out of power for 13 days, but that is nothing compared to what so many other people faced – and are still facing. Many New Yorkers continue to experience distress: they have no place to live, their personal belongings are gone and they have no place to celebrate the holidays.

In hopes of helping these people rebuild their lives and their homes, a very special event takes place tonight: "12-12-12,"

the biggest concert ever staged at Madison Square Garden, will begin at 7:30 p.m. EST and focus on the impact of Hurricane Sandy. The concert includes performers such as Bon Jovi, Eric Clapton, Alicia Keys, Kanye West, Billy Joel and The Rolling Stones. Additionally, stars including Leonardo DiCaprio, Jake Gyllenhaal, Adam Sandler, Kristen Stewart, Jessica Chastain and more will participate in the show to help the victims of the Superstorm.

Every single penny raised by the telethon will go to organizations serving the victims of Hurricane Sandy through the Robin Hood Relief Fund, which provides money, material and know-how to local organizations that are serving those hit hardest by the storm. Moreover, Tommy Hilfiger has agreed to donate t-shirts as part of the merchandise offerings for "12-12-12."

If you can't be there in person, "12-12-12" will be distributed to nearly two billion people through television feeds, radio and online streaming. Given that the holiday season is all about love, be sure to tune in and show your support to the many New Yorkers still suffering.

Leonardo DiCaprio and Erin Heatherton Enjoy an NYC Lunch Date

Leo nardo DiCaprio and his Victoria's Secret model girlfriend, Erin Heatherton, were spotted having a romantic lunch together in New York City's Candela restaurant on Monday. They were also spotted last week at Manhattan's Darby by a source for [UsMagazine.com](https://www.usmagazine.com), who says the couple walked in "hand-in-hand" and were "inseparable all night." This is DiCaprio's first serious girlfriend since Blake Lively, whom he split with last summer. DiCaprio and Heatherton seem happy and committed to spending time together despite their hectic schedules.

When are lunch dates more appropriate than dinner dates?

Cupid's Advice:

Even though it seems like a lunch date and a dinner date aren't that different, they can mean very different things. Sometimes, one is more appropriate than the other.

Here are some tips on when to have a lunch date rather than a dinner date:

1. You're just friends: A lunch date is a lot more casual than a romantic dinner date in the candlelight. If you're not quite in to the other person romantically, lunch is the perfect time to just spend time with them.

2. You're still getting to know each other: If you've recently had a dinner date with someone and are interested in getting to know more about them, a lunch date says just that. It means you want to hang out with them during the day too, where a conversation doesn't have to necessarily have to take place with drinks.

3. You're in a relationship: Lunch dates are especially good for partners who have been together for a while already. They give you time to spend time together during the day, which make them normal for longtime couples.

What are some other situations in which you think lunch dates are more appropriate than dinner dates? Tell us below.

Blake Lively Says She Likes Guys Who Dress Well and Love Food

Blake

Lively, who has been linked to stars like Leonardo DiCaprio and most recently Ryan Reynolds, clearly has good taste in men. According to her, it all has to do with food and style. Lively recently told *Marie Claire*, “It’s definitely attractive when a man can dress well. What I love most is when someone, guy or girl, is effortless and has this old-timey sort of feel [that] you could take a snapshot of them and they could exist in any time period.” Reynolds has a great sense of style and must have a love of food, because Lively admits, “To be around me, you must love food or I’m the most obnoxious person you’ve ever met.” [People](#) reports that Lively and Reynolds have been spotted together since fall of 2011.

How important is a potential partner’s sense of style?

Cupid’s Advice:

Style can be the first thing you notice in a potential partner. A neon shirt can mask a great personality and charm. Here are some reasons why it is important to follow fashion trends not only to be stylish, but to help your dating life:

1. Dates in public: If you dress poorly on a date, you’ll not

only make yourself look bad, but you will also embarrass your partner. How you dress is a reflection of who you are and what your partner likes, and I'm sure your mate does not like pajama pants on a dinner date.

2. Instant Attraction: We're all a little picky when it comes to scoping out potential dates. You're initially attracted to physical details like a great smile, a certain kind of hair and style. When style is a major factor in judging potential partners, why wouldn't you want to dress nice? Better style leads to more dates.

3. Having fashion in common: When you dress well, you most likely love to shop. If you and your partner are both stylish, shopping could become a great daytime date and something to bond over.

3 Ways to Use Celebrity Media To Assess Your Relationship

By

Samantha Peters

Anyone who follows gossip news is probably well aware that the celebrity media gets plenty wrong and is far from an authority figure. But, even when the media is wrong about the status or longevity of a celebrity relationship, for example, it knows how to interpret individual and publicly-displayed signs. It knows how to assess, even if it can't always see the full picture.

The celebrity media's outsider assessment skills can actually be used by anyone who seeks to examine their own relationship.

Now that Valentine's Day has come and gone, and now that the seasons have begun to change, it's as good a time as ever to take a step back and do just that. It's time to figure out if your relationship is growing, stagnating or declining. How is your [chemistry](#)? How happy and excited does your significant other make you feel? Though difficult, these are all good questions to ask.

Related: [How to Master Being in a Relationship](#)

That said, rather than answering these oft-abstract questions,

try to instead assess your relationship from a more public, outsider perspective – and let the celebrity media give you a hand.

As an example of how to do this, we're going to look at the ongoing relationship between actor Leonardo DiCaprio and Victoria's Secret model Erin Heatherton. Heatherton is just the latest in a long line of tall, thin, blonde models that DiCaprio has been known to date. From her perspective, although Leo is 15 years older (sugar daddy definition, anyone?), we can't blame Erin for finding his charm and his fame too irresistible to ignore.

Based on their relationship (and on the celebrity media's reaction), here are a few factors that any couple can assess:

Family Involvement

Love them or hate them, but our families usually know us better than we'd ever like to admit. In fact, they can probably form a pretty solid opinion of whether a relationship will work – or should work – in the long run. At the beginning of January, Leo took Erin out for an upscale New Year's Day brunch – with his mom. The celebrity media reported Erin and Leo's mom chatting, laughing and generally hitting it off. This was interpreted as a good sign for their relationship. *How would the paparazzi view the time you and your significant other spend with family members?*

Related: [Zoe Saldana Goes on a Movie Date with Bradley Cooper's Mom](#)

Time Together

A good relationship is one in which couples find ways to truly enjoy the time they spend together. All too often, the paparazzi spots a celebrity couple lounging on the beach for hours on end without communicating, or sees them sitting and sharing a silent dinner together. While a less communicative

couple is not in and of itself a sign of a stagnant relationship, it certainly compares less favorably to the couple spotting laughing and interacting in a lively manner.

When Leo and Erin took a romantic vacation to Mexico last month, they were photographed zip-lining their way all around Cabo San Lucas. According to the celebrity media, this was another positive sign. *When outsiders view your relationship, do they see it as fun and enjoyable?*

Public Plans

Amidst recent news that Leonardo was spotted in Sydney (where he is filming *The Great Gatsby*) with top Australian models, but no Erin in sight, speculation emerged that the couple had [broken up](#). However, Leo, Erin, nor either celebrity's publicist has been willing to make any comments about the relationship in the first place. Some in the media have interpreted this as a sign that nobody involved believes that the couple has much of a future. *What do you and your significant other tell friends about your future plans?*

These are just a few things to consider while assessing your relationship. Although the celebrity media is not always to be believed, and even though Leo and Erin are certainly not reflective of every couple out there, you can still learn from their publically-displayed actions – and from the media response – when trying to determine where you and your significant other currently stand.

Samantha Peters is a passionate follower of Hollywood celebrity relationship gossip. She loves blogging about ways to sustain successful relations, which sometimes requires assessing your relationship using a little celebrity media. Samantha lives in beautiful San Diego, California, and makes frequent trips to west L.A. to go shopping and celebrity spotting.

Leonardo DiCaprio Enjoys a Date Night with his Model Girlfriend

Just a month after a totally romantic getaway in Mexico, Leonardo DiCaprio and his model girlfriend Erin Heatherton are still enjoying their relationship. The pair are still incorporating sweet little moments, such as during the cute date they had in Hollywood during a launch party recently. According to [E! Online](#), DiCaprio kept his arms around Heatherton's waist, PDA that anyone would find sweet.

What are some subtle ways to show your partner you care in

public?

Cupid's Advice:

Sometimes it can be difficult to draw the line when showing your partner affection in public. Cupid shares some more subtle ways to show how you feel while out and about:

1. Compliments: Compliment your partner when they do something impressive or show up looking nice. You don't have to be terribly vocal about it, but compliments go a long way in showing how you feel about your partner.

2. Holding hands: Hand-holding is PDA that is both subtle and obvious at the same time in showing your partner some love. You can also pull a Leonardo DiCaprio and put your arms around their waist or rub their back to show your support and care.

3. Small kisses: Making out can be a bit too much in public for a relationship. That said, kissing your loved one on the forehead or hand can be both cute and sweet without making those around you cringe.

Blake Lively and Leonardo DiCaprio Call It Quits

It's official: Blake Lively and Leonardo DiCaprio are no longer a couple. Their romance may have sizzled this summer, but a source told [People](#) that the two are now just good friends. After Lively flew to Australia in August to visit DiCaprio while he filmed *The Great Gatsby*, we all thought their long distance relationship would work out. Unfortunately, DiCaprio's work commitments and distance proved to be too much of a hassle to make the relationship work.

What are some ways to make a long distance relationship work?

Cupid's Advice:

A long distance relationship is a tough commitment, but it's not impossible. With trust, understanding, and communication, your relationship will last longer than the miles between the you:

1. Make your partner your first commitment: With all of your

own commitments, being in a long distance relationship is a big decision. Make sure you're willing to make your partner your first priority, even if it's from afar.

2. Keep contact: Communication is important, and it doesn't always have to mean face-to-face time. Utilize social media, Skype and telephones. Take it easy on texts, as they can easily be read the wrong way.

3. Be understanding: In a long distance relationship, you're not going to see your partner all that much, and you need to be aware and understanding about your partner's schedule.
