Blake Shelton and Gwen Stefani

Blake Shelton and Gwen Stefani: When it was announced that Gwen Stefani and Gavin Rosedale were getting a celebrity divorce, it wasn't a big surprise. Throughout their marriage, there were cheating rumors on Rosedale's end – and where there's smoke, there tends to be fire. Good for Stefani for doing what she needed to do to get out of their marriage and get on with her life. Besides, she's as hot as ever; she will land another lover...which brings us to her new romance with Blake Shelton.

If ever someone needed to have fun after ending a marriage, it's the pop star. Looks like Shelton is the right partner in crime! I don't see this relationship and love as a long-lasting one though. It's simply two people coming together to heal as they put their marriages behind them. After Shelton, Stefani will move on to a new guy who is a little younger and wants to settle down.

Serena Williams and Alexis Ohanian: It seems like any man that the tennis star speaks to for more than five minutes gets the title of "boyfriend." Currently, that man is Alexis Ohanian, the co-founder of Reddit. Rumor has it that they were seen holding hands after one of her workouts. However, I have to ask: Is there even one photo of this celebrity couple together? It'd be nice to have a little proof that they have been in the same room at the same time! Unfortunately, Williams tends to keep her personal life to herself, so it may a while before we get the true scoop on this pair.

This relationship looks like a casual one, though it could very easily turn out to be the real deal. They're both at the top of their field; they both have their own money; and they're both good-looking. It's a grand slam.

Shoshi's Prediction for Celebrity Exes Nicole Scherzinger and Lewis Hamilton

Nicole Scherzinger and Lewis Hamilton: These two make one hot famous couple. When they walk a red carpet, people have to fan themselves. That being said, it's not all hearts and flowers between them. They have broken up and gotten back together so many times that they probably don't know which date to use as their anniversary.

Besides their six-year age difference, there seems to be a lot of physical distance. Scherzinger lives in Los Angeles, while Hamilton lives in Monaco. It's being said that the distance is causing a strain on the relationship and love. Plus, there's the fact that Hamilton won't marry Scherzinger. Put all of that together, and it screams *hot mess*.

One of them is going to have to put an end to all of the celebrity break-ups and make-ups. From what I see, it will have to be Scherzinger. It looks like they want different things from their relationship. If no one is willing to move to make this relationship work, it doesn't stand a chance.

They weren't able to make it work due to distance. As of now they are just friends, but we will see!

Sometimes former celebrity couples come back together! What are some things to consider before reuniting with an ex?

Cupid's Advice:

Some relationships never truly end. It can be easy to get back together with your ex because you are so used to each other and have so much history together. But Cupid has some dating advice on things to consider when reuniting with an ex:

1. Change: Is it a good idea to get back into the same old relationship? If you both believe you have changed for the better and will work on what didn't work in the past, then give it another try. But if you still see the same person, then it will not work like you want it to.

2. Love: Do you still love each other? Or is it just the loneliness that is getting to you. You have to think about these things. Do not settle just because you feel like you need something or somebody in your life. You may have loved your ex at one point, but feelings can change and they may not be the person you fell for.

3. Routine: Falling back into the same routine may not be the best thing for you. Why didn't it work in the first place? Venture out. See other people, go see the world. Don't fall back into something that has hurt you so many times.

According to UsMagazine.com the couple has been on and off multiple times in their six-year relationship, but they seem to be enjoying themselves this summer with a trip to the Hamptons following their international anniversary

celebration.

What are some ways to make your anniversary special?

Cupid's Advice:

Anniversaries can mean something different to every couple. Some may just acknowledge it as another year spent together while others may wish to celebrate the fact that their relationship is yet another year stronger with many more to hopefully come. Here are Cupid's tips for any couple hoping to make their anniversary something special.

1. Make it unique and intimate. Some couples have little inside jokes, shared favorite things, or special rituals. This is a day about you two, so make it unique to your relationship. Share your favorite foods, go to the place where you first met, or make a CD of all your favorite songs while you just enjoy each others' company.

Nicole Scherzinger and Longtime Beau Call It Quits

After four years, former Pussycat Doll Nicole Scherzinger and Fitness One driver Lewis Hamilton have decided to call it quits, according to [RadarOnline](#). The duo met in 2007 at the European Music Awards, but their careers have kept them apart during most of the relationship. Scherzinger is currently a

judge on the *X Factor* and is Hollywood-based, while Hamilton lives in Switzerland. A source confirms the split, saying, "So for now it's over. They think this is what's best."

How do you keep distance from breaking up your relationship?

Cupid's Advice:

There's no doubt that being apart for extended lengths of time while you're in a relationship is tough. Here are some ways to make it easier:

1. Use new technology: Now you talk to your significant other face-to-face every day if you wish, whether that means using Skype or Facetime on your iPhone. Make the distance a minor inconvenience instead of a deal breaker.

2. Consistently meet up: You can't be a couple and literally *never* see each other. Whether you travel to see your partner once a week, once a month, or every few months, it's important to make the effort to spend real time with your partner on a consistent basis.

3. Do things together: Yes, you're clearly not together, but that doesn't mean you can't do things together. Instead of just talking on the phone, watch a TV show or movie simultaneously. Call it a virtual date.
