Celebrity Divorce: Why Liam Hemsworth Quickly Filed for Divorce from Miley Cyrus

By [Ashley Johnson](#)

In celebrity divorce news, Liam Hemsworth has filed for divorce after just eight months of marriage to [Miley Cyrus](#). Immediately after her split from the Aussie actor, Cyrus was spotted out holding hands and kissing blogger Kaitlynn Carter. According to *UsMagazine.com*, pictures have also surfaced of the two getting intimate in Italy on August 10. In celebrity divorce news, Liam Hemsworth quickly filed for divorce from Miley Cyrus after news of their split became public. What are

some ways to know you're ready to file for divorce?

Cupid's Advice:

Even the strongest of Hollywood relationships can end messily. Some will last and some will barely survive. Not all relationships are going to have a perfect ending, and that is okay. Luckily, Cupid has some [relationship advice](#) on how to know when you are ready to file for divorce:

1. You have outside interests: The maintenance of any marriage can definitely be made more difficult if you or your partner have different interests. Either both of your interests no longer line up, or your interests lie outside of the best interest of your marriage. You or your partner may want to explore something new outside of your marriage, whether it be sexually, physically, mentally, etc. Having interests outside of your marriage can include wanting to travel the world, wanting to pursue your own career goals, and much more. If this is the case, then divorce should be an option that you two explore together.

2. You fight with your partner: Of course, no relationships has only ups. You and your partner are going to experience downs and some [relationship problems](#) along the way. It is impossible to agree on every single thing that comes your way. Occasional disagreements are healthy, but when you and your partner are fighting more than you are having a good time with each other then it is probably best to end your marriage for the sake of wellbeing and happiness.

3. You aren't intimate: Intimacy with your partner can be physical, emotional, or mental. If you feel your intimacy with your partner has declined at all in any context, then perhaps your marriage is not as strong as it used to be. A loss of intimacy can include no longer sleeping in the same bed as your partner, no longer having sex with your partner, not having as many conversations with your partner as you used to, and much more.

By [Bonnie Griffin](#)

In [celebrity news](#), [Miley Cyrus](#) opens up to *Elle* magazine about her marriage to Liam Hemsworth. After nearly a decade of dating, the [celebrity couple](#) was married last December. According to *UsMagazine.com*, Cyrus told *Elle* that her “relationship is unique.” Cyrus prefers the use of the term “partners” when she describes her marriage to Hemsworth instead of the common “husband” and “wife” references because their marriage is new and complex, and far from the norm.

This celebrity marriage is anything, but typical just like Miley. What are some ways remain unique inside your own marriage?

Cupid’s Advice:

Miley Cyrus admits to still loving to dress and be sexual even as a married woman, although she does not care about the

attention of other men at all. Being married does not mean that you have to lose what makes you your own person. Cupid has some tips for remaining your unique self after marriage:

1. Recognize your own emotions: You need to learn to establish a sense of self to feel whole, something that is key in a romantic relationship. Sometimes it can get easy to get caught up in your partner's emotions and they can muddy your own. Some good ways to do this include daily meditation or taking time to calmly breathe for a few minutes every day and just focus on yourself.

3. Be independent, not co-dependent: A relationship won't be truly fulfilling if you put all of the weight of your happiness on your partner's shoulders. Cupid's Advice:

Everyone loves a good fairy tale, but for many couples that simply doesn't happen. Most people don't know how to create and maintain healthy relationships and marriages. Cupid has some ways to make a relationship work through thick and thin:

1. Empathize with each other: One of the biggest problems in relationships is that people only see their own point of views. In order to really connect, you have to listen to one another and accept each other's point of view.

2. Date night: After a few years people tend to forget to date each other. They think the hard part is over and done with because they're comfortable with each other. 3. Learn to work through conflict: When couples fight it's a "Me vs. You" situation. They often think they have to be right and win an argument. This is the wrong way to think. It's not

me vs. you...it's us meaning a team. You have to remember that you are working together to accomplish a goal and solve the problem together.

Celebrity Couple Predictions: Rob Kardashian, Miley Cyrus and Keisha Knight Pulliam

By [Shoshi](#)

Join me as I look into the crystal ball of relationships and love. Below, I predict the future of three new [celebrity couples](#).

Shoshi's Predictions for these Celebrity Couples

Robert Kardashian and Blac Chyna: It's always amazing when two people who are a hot mess get together in the name of love. Then again, can we really call Rob and Blac Chyna a celebrity couple? If memory serves me correctly, a few months ago, Blac Chyna was in love with the rapper Future. Her love was so deep, she had his name tattooed on her hand. Now with the celebrity news that Blac Chyna and Kardashian might be together? There's something about this relationship that makes me give it a side eye. I just don't see this as the real deal. It appears to be all for show. Blac Chyna is desperate for attention and this is the best way for her to get it. It's a shame that Kardashian has seemed to just let himself go. He just doesn't care about anything at all. Kardashian needs love and affection from somewhere since his family does not seem to be giving him any at all. Looks like Blac Chyna is the only one filling the void. This relationship will be just as dysfunctional as all of the Kardashian relationships. It will run its course, because Blac Chyna's heart has the attention span of a high school student.

Related Link: [Celebrity Couple News: Rob Kardashian Resurfaces with Beard and Blac Chyna](#)

Miley Ray Cyrus and Liam Hemsworth: It's now safe to say that Cyrus and Hemsworth have quietly gotten back together. Cyrus has put her engagement ring back on. Wouldn't you? Don't look for an invitation to this celebrity wedding just yet. They have a habit of breaking up and getting back together. My crystal ball says they are on a trial basis. Basically, giving it another go round to see if they can make their relationship work. Hemsworth probably did cheat on Cyrus the last time they were together. When someone cheats it's a sign that something is wrong in a relationship. It looks like both parties are acknowledging their part in the breakup. If they can repair

what was broken, there's an opportunity for them to be one of the hottest couples in Hollywood. We just may see a much tamer Miley Ray. Time for her to keep that tongue in her mouth. One of two things will happen, either they will get married or they will end their relationship for good this time.

Related Link: [Celebrity Couple Rumors: Is Miley Cyrus Engaged to Liam Hemsworth?](#)

Keisha Knight Pulliam and Ed Hartwell: Keisha Knight Pulliam best known as Rudy on *The Cosby Show* announced that she was engaged in December. Less than a month later, she announced on her podcast "Kandidly Keisha" that she married Ed Hartwell, a retired NFL player on New Year's Eve. This came as a surprise to a majority of her fans since no one knew that she had broken up with Big Tigger, who she had dated for three years. Right now this couple is doing just fine. Will they be together for the long haul? That's questionable. Most people don't think this marriage will last. They will have a baby or two and some projects together. I see trouble in their marriage around the third year. If they can get through that, they should be fine.

Miley Cyrus Is 'Hanging Out' With Celebrity Ex Liam Hemsworth Post-Split from Patrick Schwarzenegger

By Meranda Yslas

Love may be rekindling for this former [celebrity couple](#)! According to [UsMagazine.com](#), singer [Miley Cyrus](#) and her celebrity ex, Liam Hemsworth, have been hanging out in L.A. together. A source close to the *Hunger Games* star reveals that “dating could definitely happen.” Cyrus recently broke up with

Patrick Schwarzenegger, who she had been dating for five months. The two went through a celebrity break-up after Schwarzenegger was caught flirting and doing body shots off another girl in Mexico.

It looks like these celebrity exes are amicable! What are some factors to consider before seeking comfort from your ex?

Cupid's Advice:

After experiencing a break-up, it can be hard trying to figure out where you stand with your ex. Are you two able to be friends again or has that relationship been deemed irreconcilable? Just like Cyrus has confided in her celebrity ex, here are a few tips to consider before reaching out to a past lover:

1. Possibility of platonic: Before you begin any type of relationship with your ex, you must be prepared for it to only amount to a friendship-nothing more. That way you won't get your hopes up if a romantic relationship isn't a possibility.

2. Time: Make sure enough time has past between the rekindling of the relationship and the break-up. If it was a particularly nasty break-up, more time is probably needed for wounds to heal.

3. Start off slow: Before you pick up or phone and give your

former mate a call, understand that your relationship isn't going to be exactly the same as it was before. Start off the conversation casual and friendly to test the waters before diving into heavy or serious topics.

Broken Engagements: Celebrity Couples That Never Made It Down the Aisle

Liam Hemsworth and Miley Cyrus

This young couple met on the 2010 set of their movie 'The Last Song' and announced their engagement in August 2012. Unfortunately, the pair called things off about a year later. While the pop star has said, "It was so fun wearing a fat rock for a few years," she's remained single since the split.

Celebrity Couple Predictions: Jordin Sparks, Nina Dobrev

and Gwyneth Paltrow

By [Shoshi](#)

For today's column, let's take a look at three celebrity couples that keep the gossip mills churning – whether it's because of a potential engagement, a possible new love affair, or never-ending separation rumors.

Jordin Sparks and Jason DeRulo: Lately, all eyes have been on this couple, wondering when they're going to get engaged. DeRulo made the smoothest move ever on Valentine's Day by gifting his girlfriend with 10,000 orange roses. How in the heck is he going to top that? What also has people buzzing is that the sultry singer proposed to Sparks in his latest video for "Marry Me."

Calm down, and stop waiting for your wedding invitations. They're only 24 years old – why is everyone trying so hard to marry them off? They're still figuring it out. That's not to say that they haven't started talking about marriage; right now, it's out on the table and being discussed. The two of them are best friends, so it's looking really good.

DeRulo is still trying to decide how and when to propose. I see it coming on a holiday or a birthday; New Year's Eve keeps popping up.

Nina Dobrev and Liam Hemsworth: Are these two Atlanta-based actors a new couple? They have recently been spotted on a date and sharing a few kisses.

If they do decide to pursue a relationship, don't look for this one to last a long time. No offense to Dobrev, but she's in a rebound situation after her split from longtime boyfriend (and *The Vampire Diaries* co-star) Ian Somerhalder.

Similarly, Hemsworth's energy is all over the place when it comes to his heart. Can you blame him? By the end of his relationship with Miley Cyrus, it had become a train wreck. He has a bit of healing to do. He isn't sure what he wants in a relationship, so he's just having a good time and looking to see who's out there. The *Hunger Games* actor has a few wild oats to sow before settling down again.

Gwyneth Paltrow and Chris Martin: Oh, how the gossip is flying on the marriage of this longtime pair! Her reps have denied that she's having an affair with lawyer Jeff Soffer; there have been other names thrown around as well. The question remains is any of it true – and who knows? Only those people

directly involved with the couple know the real deal.

When I look at the marriage of the actress and musician, it's in deep trouble – and not just because of affair rumors or because Martin may not be a happy camper living in Los Angeles. Long story short, the Coldplay frontman is bored to tears with their relationship, and he looks disconnected. If things don't turn around soon, look for a divorce announcement. Martin is going to want to split, but Paltrow will make sure that it looks like she's the one who wants to end their marriage, as her image is very important to her. Martin will be fine with that as long as he gets to move on.

What are some ways to move on after a bitter breakup?

Cupid's Advice:

Breakups are hard, especially if your ex moves on quicker than you do. Sometimes people need a distraction for themselves get away from the hurt that they feel because of the split. Other times, the guy's just a jerk. It might be difficult to get through this time and still remain positive. Cupid has some advice:

1. Do for yourself: You need to focus on yourself now. Don't worry about who hurt you. Don't question yourself. Work hard to make yourself better, not for him but for you. Once you

start taking care of yourself in all aspects of life, you'll attract the people that will make you happier and more successful.

2. Keep your head up: Know that you're a catch, even if you don't feel like one. Remind yourself that you're a hard-worker, a gorgeous person, and have big things ahead of you. If you keep this in mind, you won't worry about what anyone else thinks – especially not your ex.

3. Take your time: Don't jump into a relationship to get back at you ex. Using someone isn't a good idea because not only do you hurt the person your distracting yourself with, but you're hurting your ego. This is the time to gather yourself and work inward before you can start moving outward.

What are some ways to quickly get over your ex?

Cupid's Advice:

Getting over you ex can be a long, drawn out process, but there are some things you can do to speed up the process.

1. No contact: Not contacting your ex is the hardest part of a breakup. It's hard not to text or call them when your sad or need something, so you need to do everything you can to not contact them. If you keep in touch you are asking for months of an on-again-off-again relationship.

2. Avoid their friends: Being in a relationship means that you and your ex start to have mutual friends. So, you might need to make some sacrifices and cut off your mutual friends so you don't have the temptation to re-kindle a burnt out flame with our ex.

3. Social media clean-up: It may seem a little extreme to delete your ex off of Twitter or Facebook, but seeing them pop up on your news feed every day will not help you get over them. So, delete your ex from your friend list to avoid seeing what they are doing.

Miley Cyrus and Liam Hemsworth: The Wedding is Off

By April Littleton

According to [People](#), reps confirmed Monday that the once happy couple called off their engagement. Their relationship has been rocky since earlier this year, with matters only getting worse following Cyrus' raunchy VMA performance. Over the weekend, the "Wrecking Ball" singer unfollowed Hemsworth on Twitter.

How do you know when to call off your engagement?

Cupid's Advice:

Everyone dreams of a fairytale wedding and a picture perfect romance, but real relationships almost never work out that way. Having a lifelong partner takes commitment and dedication. You'll fight, break up and make up countless times. How do you know the person you're with is really the one for you? You might be in a rush to get married for all the wrong reasons. Cupid has some advice:

1. Constant fighting: Arguments are common in any relationship, but if that's all you and your significant other

seem to be doing lately, then there might be bigger problems that need to be dealt with. Communication is the key to a successful marriage. You can't expect yours to work if the two of you can't seem to talk out your differences without a shouting match erupting.

2. Loss of interest: While it's healthy to spend some time alone or with a group of friends, it's a bad sign if you choose to avoid seeing your partner altogether. If you have no desire to be around your honey, why are you even considering spending the rest of your life with him/her? Reevaluate what's left of your relationship and call off the engagement.

3. No trust: Signs of infidelity in a relationship will cause both partners to lose trust in one another, even if only one person was caught in the act. A couple can't flourish if one person fails to be completely open and honest with the other.
