What are some red flags pointing to a cheating partner?

Cupid's Advice:

It is easy to blind yourself to the clues of a partner who is being unfaithful, but it is important to be aware of your partner's actions especially if you have instinctual feelings that something might be wrong. Cupid has some thoughts on actions and elements that might signal to a cheating spouse:

1. Changed routine: Do you notice your partner getting home at odd times compared to the past? The reasons for leaving home are irregular and sporadic? These could be indicating that your significant other is not being honest with you.

During the filming, Sanders and Stewarts had an affair which caused Pattinson to temporarily leave Stewart and Ross to file for divorce from Sanders. "They gave it a shot for the kids [Skyla, 7, and Tennyson, 5], [but] she was just so angry . . . she's the kind of person who wouldn't really ever get over it," said a close friend of Sanders and Ross.

What are some ways to keep jealousy at bay in your relationship?

Cupid's Advice:

Jealousy causes arguments in so many relationships. How can you avoid becoming victim to jealousy issues? Cupid is here to help you:

1. Turn off the flirting: Don't do things that you know would make your partner jealous. Flirting with other people will hurt your sweetie and cause them to have jealous feelings throughout your relationship.

2. Build him up: When you are with your beau, build them up during conversations and never break them down. Back them up in what they say and never let your partner feel that they are not good enough.

3. Stay close: While out with your honey, don't leave them alone while you go off to have a good time. Always keep your partner close so they won't have a reason to feel jealousy of any kind.

Liberty Ross Files for Divorce from Rupert Sanders: Find Out What Went Wrong

By

Andrea Surujnauth

Liberty Ross has filed for divorce from her husband of 10 years, Rupert Sanders. According to UsMagazine.com, Ross has been unhappy for a long time, even before Sanders' scandal with actress Kristen Stewart. In July of 2012, Sanders was caught kissing Stewart who was the working with him on the film *Snow White and The Huntsman*. Ross apparently tried to work things out with Sanders but eventually gave up and filed for the divorce in January. A source said that Ross was

unhappy about having to move from England to the United States, but she did it for her husband. She also had a hard time being a housewife and having a husband who was never home. Ross admitted to *YOU Magazine* in July 2012 that she felt isolated. After finding out about Sander's inappropriate behavior, Ross wanted to make it work for their children, but came to realize that she just could not get over being betrayed by her husband.

What are some ways to trust your partner again after they cheat?

Cupid's Advice:

It can be difficult to trust someone after they betray you, but sometimes you feel the need to do it for reasons such as children. Cupid has some tips:

1. Communication is key: Tell your partner how their affair made you feel but also listen to why they cheated in the first place. Sometimes people cheat because they feel that something was wrong with their relationship. Listen to what they say but do not blame yourself for their actions, they chose to cheat. Figure out what needs to be improved in your relationship and fix it. This is a chance to communicate about what each of you can do to make the other happier.

2. Keep the past in the past: Once you decide to move past the affair and continue your relationship with your partner, do not bring the affair up in future arguments. This will only cause the arguments to escalate and neither of you will ever be able to move past it. You decided to forgive your partner therefore you chose to move past it, this means keeping it in the past.

3. Trust takes time: Rome was not built in a day and neither will your trust for your partner. It will take time for you to regain trust in your significant other. You will feel stressed

and you will think about the affair often, but time will heal the wounds.

Celebrity Relationships in Need of a New Year's Resolution

By

Courtney Allen

The New Year is here, and even the biggest celebs in Hollywood know what that means: it's time to pull out the glorious pen

and paper. There is no better time like the present than to leave the daunting past behind in the tabloids, whether it is love drama with exes, juicy scandals or shocking infidelity. 2012 may have proved to be rocky for these celebrity couples, but the upcoming year just may be looking up if they write their New Year's Resolution list with these things in mind:

Kristen Stewart and Robert Pattinson: These two *Twilight* stars had us watching in amazement as their seemingly perfect relationship flourished both on-screen and off. It wasn't until this summer that their 'fairytale' took a turn for the worst. Stewart became the center of a cheating scandal between her married *Snow White and the Huntsman* director Rupert Sanders. Stewart caused jaw drops amongst her *Twilight* fans and co-stars as news of the flaming affair became public. Speculation over whether Stewart and Pattinson would stay together swirled for months. The answer to the question we were all once dying to know? Yes. The couple is together today. But one piece of advice for their partially tainted relationship: keeping Kristen's deceit in the past in order for it to successfully recover in the new year.

Rihanna and Chris Brown: Chris Brown and Rihanna have quite the troubled past. The two world-famous singers started dating back in 2008. Between Rihanna's stunning face and body and Chris Brown's undeniably handsome facial features and lullaby-like voice, they instantly became one of the hottest, power couples in Hollywood. But in February of 2009, tragedy struck for the lovebirds. Brown was arrested for allegedly assaulting the "Disturbia" singer after a pre-Grammy bash. The two obviously went their separate ways as Rihanna filed a restraining order against Brown which was later dropped in 2011. Shortly after, rumors began to fly about the two rekindling their flame with the release of Rihanna's "Birthday Cake Remix" featuring the R&B singer. Looking back, the rumor

seemed nothing less than the truth. Brown recently dumped ex-girlfriend Karrueche Tran and now appears to be dating Rihanna based off pictures on her Instagram. Let's just hope these two have a healthier relationship this time around. If they commit to this New Year's Resolution, nothing can stop them.

Halle Berry and Oliver Martinez: Halle Berry and fiancé Oliver Martinez seem to be doing just fine besides one small problem: her ex. Model Gabriel Aubry is causing trouble in paradise for the couple. Berry and Aubry are right in the middle of custody battle over their four-year old daughter Nahla after splitting up back in 2010. Things got pretty heated over Thanksgiving when Aubry got into a physical altercation during a custodial hand-off with the bombshell's current boyfriend, French actor Gabriel Martinez. Aubry seems to be creating quite the mess for Berry and her new relationship. The cause of the fight is unknown, but pleasant words are definitely out of the question. Sounds like the three need to somehow find a way to kiss and make up for the New Year and for the future. With Nahla in the picture, Aubry isn't going anywhere.

Rupert Sanders and Liberty Ross: The couple on the other side of Kristen Stewart's cheating scandal has been through trying times since the infidelity went public last summer. Turns out *Snow White and the Huntsman* director Rupert Sanders was not only in a relationship, but was married to English model Liberty Ross. The couple was not seen together for several weeks following the scandal, leaving us to wonder if Sanders' position as director in the *Snow White and the Huntsman* sequel was the only thing he had lost. Luckily for Sanders, Ross seems to be giving him another chance after his slip-up with 22-year old Stewart. Sanders will now be walking on thin ice with his wife as he enters into 2013. All the New Year's resolving between them should come mostly from his end: proving that he can be trusted again; and of course for Liberty, giving him the fair chance.

Liberty Ross Is Spotted With a Mystery Man Post-Cheating Scandal

By

Erin Minty

After the dramatic cheating scandal between director Rupert Sanders and Kristen Stewart, his estranged wife Liberty Ross is moving on with her life and making the best of it. Just last week the newly separated Ross had a “triumphant” debut at

New York Fashion Week; the 33-year old walked in Alexander Wang's runway show. Just after that, she was spotted Monday night, leaving her wedding ring for a new accessory: a dashing mystery man on her arm! According to UsMagazine.com, a source reported, "It's still too early to tell what will happen with them." But things are pointing toward a split.

How do you know when it's time to move on after a split?

Cupid's Advice:

Splitting up with your partner can be a tough decision, but an even tougher is sometimes deciding when the right time is to start dating again. Cupid has some advice on how to know when it's time to move on:

1. You start to picture yourself with someone else: One way to know that you might be ready to move on after a split is that you stop picturing your future with your ex and start picturing your future with someone else. That "someone else" may be just a blurry figure or an actual person you know, but the signs are there that you are ready to start dating again.

2. You stop obsessing over the past: Another sign that you're ready to move on is that you stop thinking about every little thing that went wrong about your last relationship. It may take time to heal fully, but if you don't think about it every second of every day, that will definitely help and it gives you time to think about your future relationships instead.

3. You feel comfortable opening up: Trust can be a big issue after a break up, so when you feel comfortable opening up again, it is probably a sign that you are ready to move on. Don't move too fast, just consider the ability of sharing your life with someone again and it will come naturally!

Liberty Ross Emerges Without Wedding Ring Post-Scandal

Watch out ladies, because Liberty Ross officially steals the title for Miss Independent. The British model stepped out in Los Angeles on Sunday with her two, young kids and a big smile. The only thing missing? Her wedding ring. Despite what the photos show, a source tells UsMagazine.com, "Liberty is very upset but hasn't made any decisions. It's too early to tell what will happen with them." What we do know from the source is that the 33-year old was aware of Sanders' affair with *Snow White and the Huntsman* star Kristen Stewart before the photos were ever leaked. The couple has not spoken post-cheating scandal.

What are some ways to know your relationship is no longer salvageable?

Cupid's Advice:

Deciding on whether to save a relationship can prove tricky depending on the situation at hand. Here are some great ways to help you decide if you should try to make it work or call it quits:

1. Destruction of trust: A relationship cannot function without trust. If you no longer have faith in your partner's actions and choices, the relationship is not worth it.

2. Lost feelings: Some experiences in your relationship hurt so bad that you no longer feel the same way about the one you love. If your desire to remain in a relationship fades, it's time to walk away.

3. Lack of concern: Being indifferent about your relationship means that you are fed up with it. If you don't care about the success or failure of your relationship, you may want to end things.
