What can you do to help a relationship last?

Cupid's Advice:

Starting something is easy, but making a relationship last is the hard part. Cupid has some tips on how to stay together for good:

1. Communication: To make a partnership last, make sure you and your significant other are honest with each other and feel comfortable talking about your feelings.

2. Love: If you base a relationship on lasting love and respect and not just initial lust and attraction, you're more likely to stay in it for the long haul.

3. Fun: Enough with the heavy stuff. If you and your mate have fun together no matter what you're doing, you're more likely to stay together longer.
