What Did Kristen Stewart Get Robert Pattinson for Christmas?

As a gift for her man, Robert Pattinson, Kristen Stewart spent \$12,000 for two vintage guitars for Christmas. The *Twilight* star purchased the instruments from Norman's Rare Guitars in Los Angeles' Tarzana district on Dec. 23, according to UsMagazine.com. "She said 'He's gonna s-t when he sees them,'" said the shop's owner, Norman Harris, of Pattinson's

potential reaction to the gift. The two guitars, a 1959 Fender Jazzmaster and a 1947 K&F Lap Steel, should be useful for Pattinson, as he plans on recording an album.

How do you decide what gifts to get your partner for special occasions?

Cupid's Advice:

It can be a challenge to find the right gift for your lover, whether it's for a holiday, birthday or anniversary. Cupid has some suggestions:

- 1. Hobbies:** Similar to Stewart, try to find a present that shows your support for your love's passions or interests.
- 2. Special meaning:** Perhaps you'd like to give your partner something that reflects a special moment in your relationship. For example, if you both enjoy music, then perhaps tickets to see one of their favorite artists is a good idea.
- 3. A reflection:** Whatever you choose to get, the right gift shows your appreciation for your lover and their commitment to you.

Victoria and David Beckham Welcome a Baby Daughter

It's a girl! David and Victoria Beckham welcomed Harper Seven Beckham Sunday morning in Los Angeles. UsMagazine.com reports that Baby Harper is the first girl for the soccer star and his bride. Her numerical name refers back to David Beckham's jersey number when he played for Manchester United in England. David Beckham also explained that the trio of boys helped pitch some ideas for their sister's name. "Romeo was like, 'What about Justine Beiber Beckham?'" he said.

How do you make your children feel involved in a new sibling's life?

Cupid's Advice:

It's difficult for children when their new siblings come home, as they typically feel that the spotlight shifts away from them. Here are some suggestions to help your children share the spotlight:

1. Note: Have your children, if possible and not past their

bedtime, at the hospital present and meet their new sibling as soon as possible. This helps your children feel special because they were part of the delivery process.

2. Naming: Similar to Romeo Beckham, have your children help pick names for their future sibling, which will give them a sense of pride if you pick (or seriously consider) their suggestions.

3. Nurture: Whether it's doing chores around the house or teaching them how to change diapers, your kids will do well and feel a part of their brother or sister's life if you let them become involved.

New Movie Review: How to Cheat

By

Ashley DelBello

What drives someone to cheat? Director and writer Amber Sealey sets out to explore this question in her independent and somewhat provocative film, *How To Cheat*, which was shown throughout June at the Los Angeles Film Festival. Typically, when we think of cheating we think of it happening after a night of drinking or unexpectedly, but what happens when a person actually sets out to cheat?

Meet Mark (Kent Osborne), an unhappy husband in his thirties, stuck in a marriage where he and his wife Beth (Amber Sealey) are trying to get pregnant, but are repeatedly unsuccessful. Mark feels like something is missing from his life and that his best years are behind him so he decides to try online dating while still married. Through these quick snippets of dates, we learn that Mark can't lie about being married.

Naturally, the majority of the women he meets have an adverse reaction to it. All, but one, Cue Louise (Amanda Street,) a free spirit with a drinking problem, who is also searching for something to fill a void in her life. She can tell almost immediately that Mark has someone at home, but still continues with the date. As you can probably guess they end up sleeping

with each other and a series of atypical events unfold.

As a single woman, I assume it's a fear that every woman has once they enter into a committed relationship – will my boyfriend/husband become bored and cheat? I know it's a fear of mine. However, I also have the opposite thought. Will I get bored and think about cheating? Does that make me a bad person because I have these thoughts? I don't think I would go through with it, but I am human. I've made mistakes too.

I spoke with Sealey about her film and she believes that cheating doesn't always happen out of the blue. Sometimes the individual does make a conscious decision to cheat. However, her film doesn't set out to portray Mark and Louise as bad people. "I wanted to look at the characters with the least amount of judgment and not lay the blame on any one of them," she said. Sealey explained that Mark's character is essentially a good guy who has always done the right thing.

He doesn't necessarily want to hurt his wife, but he feels that being "the good guy" hasn't really gotten him anywhere.

Since Sealey takes such an objective stance toward each of the characters, the film is a very raw and real portrayal of what marriage and relationships look like today. This is made even more true by the fact that she didn't script out the entire movie. She only wrote an outline of it and guided the actors in the direction she wanted the film to go during production.

When I spoke with Street about how she was able to get into her character of Louise, the "other woman," given that there was no script or lines for her to follow. She said, "It was really important for me to find what part of me could connect to this dynamic and try to bring the humanity there." While cheating or entering into relationship with someone who is married may not be something that one normally contemplates,

How to Cheat does an excellent job in pointing out that relationships can be scary and that we as humans are very complex individuals.

Shia LaBeouf Speaks Out About New Girlfriend Karolyn Pho

Shia LaBeouf's young relationship is already starting to blossom. UsMagazine.com reports that the *Transformers* star is beginning to expand his horizons thanks to his five-month

relationship with girlfriend Karolyn Pho. “A cheese plate? That’s a very 25-year-old deal,” LaBeouf said in an interview with the [Los Angeles Times](#). “I can get down with some fig jelly and some cheese on a cracker... [Karolyn’s] having me try different things. I was scared of fish, ’cause of my upbringing, being Jewish. Gefilte can ruin your entire seafood life.” Aside from broadening his eating horizons, the actor now admits his sprawl in February wasn’t the most mature move. “I have no excuses. I’m not happy with it, but I don’t think it’s a calamity,” he said.

What are some signs that your partner is beginning to mature?

Cupid’s Advice:

A maturing partner is a good sign that your serious relationship is heading down the right path. Here are some telling signs that your partner is maturing:

1. Pleading guilty: It takes a bigger person to admit that he or she has made a mistake without trying to cover it up. If your partner does this, then that’s a good sign.

2. Open communication: A good sign of a healthy partnership is how well you two can talk – whether it’s about the weather, what you ate for lunch or personal issues. If it seems that no topic is off-limits, your partner is certainly maturing.

3. Family reunions: If your lover wants to show you off in front of his or her family, then there’s a good possibility he or she is serious about you and the relationship, or at the minimum, they see a future.

"He is my only boyfriend," she said while laughing at the Chrysalis Butterfly Ball in Los Angeles. "He's the only one that I need."

What are the benefits of being single after a breakup?

Cupid's Advice:

1. Live for you: Focus on your career, get all of your priorities straight and catch up with old friends. Whatever you do, just make sure you make these decisions for yourself and not for other people.

2. Freedom: Remember being able to flirt without feeling guilty in your relationship? Well, now you can begin to enjoy that again. Don't be afraid to turn the flirt up when you see someone cute.

3. Learn from the past: There's a theory that every event is a learning experience. Take the time to learn from your past and find out what needs to change when you're ready for another relationship.

Beat That Beat This Memorial Day Weekend

Memorial Day weekend is only a few days away. This year, instead of staying home and firing up the same old rusty grill, why not kick this summer off by spending your weekend dancing the night away in some of the hottest cities around the country. DJ Pauly D may be shooting season 4 of MTV's *The Real World* in Italy right now, but there are tons of other tunes you can 'beat that beat' to! Here are some events taking place in some of America's biggest party locations:

1. Las Vegas, Nev.: Sin City drags in a New Years-size crowd to their many resorts and casinos during this three-day break. After taking in the Nevada sun poolside, head out to the hottest nightclubs on the strip – VIPnVegas lists performances from Deadmau5, Sean Paul and Drake at some of the city's top venues. Stay until the wee hours of the morning (or just don't go to bed) – maybe you'll rub shoulders with David Guetta or Tiesto at the roulette table. Now that's something you *won't* want to hide from everyone at home!

2. Miami, Fla.: Drink all day. Play all night. Let's get it poppin'. A spring break in Miami may be cliché, but during Memorial Day Weekend, it's where everyone will be. After all, who can resist beautiful beaches, tropical drinks on the sand

and tons of physically fit eye-candy at your disposal to gawk at? Check out the “Fly-AMI” 2011 Memorial Day Weekend package, where Chris Brown, Lloyd, Keri Hilson and DJ Khaled are all slated to perform.

3. Los Angeles, Calif.: Bikinis, zucchinis, martinis; Snoop Dogg and Katy Perry explain why California is unforgettable. Why not take a trip yourself and see how the other half lives? Enjoy Summer Solstice at the Dorothy Chandler Pavilion, featuring fairs, theme parties and special guests. Watch out for appearances from actor and model Christian Keyes, R&B artist N'Dambi and artist Brotha Bill.

3. Myrtle Beach, N.C.: Head to Myrtle Beach MayFest’s Memorial Day celebration if you have kids to entertain. Their event line-up includes performances and meet-and-greets with David Archuleta and some of Nickelodeon and Disney channel’s finest stars.

5. New York, N.Y.: The city has a world of options – how can you pick just one? After you’ve spent a day at Coney Island or on Rockaway Beach, head to the Memorial Day rooftop BBQ at Sunset Jazz on The Empire Hotel Rooftop. The festivities begin at 5 p.m., just remember to RSVP – it’s free! Complimentary domestic beers will be served during first hour.

Kim Kardashian and Gabriel Aubry’s Romantic Thanksgiving

It

looks like things between Kim Kardashian and Canadian model Gabriel Aubry are heating up! The pair spent a romantic Thanksgiving together in Los Angeles, according to [RadarOnline](#), Kardashian and Aubry were spotted catching a late night showing of *Burlesque*, starring Christina Aguilera and Cher. The reality star's sexy outfit included high heels, a short skirt, and a tuxedo jacket and her date's classic ensemble of a pressed white shirt and black pants left no doubt that the two were on a date. Suspicions of a new romance were heightened when the two drove away in Gabriel Aubry's white Rolls Royce Ghost. **Does what you wear on a date send hints to your partner?**

Cupid's Advice:

What you say is only one form of communication. Both body language and your choice of clothing also play a significant role in how your date perceives you. Cupid has some advice on how to send the right signals:

1. Smiles are always in style: If you're enjoying yourself on date, always wear a smile.

2. Too sexy is not the way to go: Though you may want to impress your date by showing off your hot bod, leaving something to the imagination sends a more positive signal. Try showing off only one feature at a time. If you're sporting a short skirt, wear a conservative top.

3. Dress up: Though you don't have to go all-out, putting effort into what you wear on a date is always appreciated.
