These celebrity exes have nothing but kind words for one another. How do you keep things amicable with your ex?

Break up and make up! Moving on from an ex doesn’t necessarily mean you never see or hear from them again, it is possible to eventually become friends:

1. Exit gracefully: When the break up comes, make sure that you go out as peacefully as possible. Creating extra drama or arguments will only make the post break up more stressful. The aftermath can be a time of coexistence and growth, be sure that you are not the one to hinder that.

Cupid's Advice:

Dave Abrams and Jennie Garth have been sharing their celebrity engagement with the public and we could not be more thrilled! Here are some ways to surprise your partner with a perfect proposal:

1. Lead them away from the trail: If you've been together for awhile your partner might be expecting a proposal any day now which really throws off any element of surprise. So drop false hints about a big "date" in the future or making the next upcoming holiday "one to remember." This way when you take your partner to a nice dinner or a trip for two they won't suspect a thing.
