Funny man Marc Maron proposed to his longtime girlfriend, Jessica earlier this month. According to [UsMagazine.com](https://www.usmagazine.com), Maron let the food do the talking. "I served her pancakes on her birthday and stuck the rock right in the middle of the top cake on the stack," he said. "We cried and laughed." After two divorces, this will be Maron third journey into the marriage world and he hopes that this one will yield successful results.

What are some creative ways to propose to your partner with food?

Cupid's Advice:

Everyone loves food, that's why it's a grand idea to use food

to propose. Cupid has some ways to do it:

1. Picnic: This gesture is simple, but oh so romantic. The only thing lovelier than two lovers being one with nature is when food and diamonds are involved. Being surrounded by serenity will make the proposal truly authentic.

2. Favorite food: As their partner you should know what their favorite food is. Use that knowledge to your advantage and place the ring right on top of the dish.

3. Play with your food: Try using the food to spell out the proposal. This is unorthodox and will really catch your girl or guy off guard. Some ways to do this are with either berries on a cake or maybe the pepperoni on a pizza.
