1. Explain yourself: If you've been hiding the relationship for some time then there is bound to be a specific reason. Explain fully to friends and family why you didn't want to tell them at first and they are likely to be more understanding.

2. Remember that it's your life: In the end those close to you may not approve of your lifestyle choice, but it's important to remember that it's your life, not theirs. Ultimately the relationships that you choose to be in affect you the most so if you're happy then that's all that matters.
