7 Lessons We Can Learn from

Celebrity Divorces

By Relationship & Sex Talk, Jane Greer, Ph.D., for GalTime.com

Katie and Tom? Kim and Kris? Seal and Heidi? Do you relate to any of these A-listers break-ups?

With all the celebrity divorces topping the news regularly, there is much to be learned from their trials, and in some cases, triumphs. Here are seven tips to help you steer clear of a Maria Shriver-Arnold Schwarzenegger un-hitching, or handle a divorce gracefully— if that's the best route to take.

Know what you are getting into before you walk down the aisle. Could this have been the issue for Katy Perry and Russell Brand's short marriage? We can't know for sure, however, we

can take note. I often think of how we take the time to plan a vacation. We decide where we want to go, where to stay, eat, and tour. You wouldn't jump into the car without any thought and head to a destination. Why would you do that with a marriage? Learn what your partner wants out of life, and what they expect from you and the home you build, before you commit to being together forever. That is the only way to ensure a happy future and continued travel together.

Pay attention to the signs, so a divorce doesn't blindsides you. "I had no idea it was going to take this turn," Jennie Garth of "Beverly Hills 90210" fame told "Access Hollywood Live" about divorcing Peter Facinelli of "Twilight" fame after eleven years of marriage. The thing to keep in mind with this one is, if you've been fighting and then the fighting stops, it doesn't always mean things have improved. Maybe your spouse has simply given up. Just because your partner stops complaining doesn't mean the complaints have necessarily gone away. Don't assume all is well; make sure it is.

First deal with the "me" so you don't get caught up in the "we." Could Katie Holmes' path been different had she focused more on herself before she wed Tom Cruise? The perception that Cruise overwhelmingly ruled the roost and left no room for the compromise that a healthy marriage demands is something we all can learn from. Before you commit to a life of possible unhappiness, make sure you are a strong individual. Then together you can focus on becoming a couple.

Make your anger work for you. Rumor has it that one element in Heidi Klum and Seal's break-up was intense anger. In an intimate relationship everyone seeks a loving and safe shelter, and behavioral issues or outbursts can quickly erode those comforts. Over time, one partner may lose the sense of sanctuary and begin to feel fearful and anxious knowing that at any time their spouse might blow up. That pattern of behavior destroys the foundation of your mutual trust and commitment. Instead of letting things between you become

explosive and hurtful, use those strong feelings to do good.

Don't compare your old partner to your new one. Was Brad Pitt busy comparing ex-wife Jennifer Aniston to his new partner Angelina Jolie? Well, rumors seemed that way for years, but the honkin' engagement ring on Angie's finger puts that to rest. For the rest of us: If you play the comparison game, you will just keep yourself stuck on what was wrong with your past marriage. This will keep the pain and loss of divorce alive, instead of allowing you to let go and move on. Create closure for yourself, and to do that you have to be willing to let go. That means being able to cope with what you left behind, focusing on the positive of what you took away from it. When you talk negatively you keep your bad feelings alive. When you talk positively you put them to rest. The ultimate goal is to get on with your new life in a better place for what you gained from your old one.

Tend to other aspects of your life – financial, professional, health, parenting, education, friendships and family relationships. When “Desperate Housewives” star Eva Longoria ended her marriage to Tony Parker, NBA star point-guard for the San Antonio Spurs, one of the things that suffered was her financial situation. It is not unusual for the loss you have already been through with your separation or divorce to replicate itself in other parts of your life. Often, people end up experiencing loss in a panoramic sense – it finds its way into everything, taking over even more than their love and home life. Don't turn a blind eye to other corners of your life that need your attention, places where you can still make a difference. Pay attention so you can focus on and sustain the other things you still have in your life, thereby curbing the widespread devastation.

Don't bad-mouth your ex in public. Alec Baldwin is quoted in gossip mags bashing former wife Kim Basinger. Find an outlet for your anger, sadness or leftover emotions by keeping a journal, seeing a professional counselor, or joining a divorce

support group. It might feel good in the moment to go off about your former partner. But even if you're not in the press or spotlight, be mindful that saying negative things out loud about an ex rarely serves anyone well in the long run.

If you keep these tips in mind you can hopefully use them to insulate your marriage and stay on track. But if you've gotten to the point of no return, then maybe these lessons will help you remain in control so that you don't exacerbate an already difficult situation and make it worse. Use them to regain your footing and start your new life on solid ground.

Arnold Schwarzenegger Admits to Another Affair in Memoir

By Jennifer Ross

Just when you thought you had heard it all, Arnold Schwarzenegger confesses to another love affair. From his new book, *Total Recall*, the former California governor wrote about an affair with his one-time co-star Brigitte Nielsen that happened back in the 1980's. The latest news comes just one day after *60 Minutes* released an interview excerpt where Schwarzenegger admits to fathering a child with a former housekeeper while married to Maria Shriver. According to AP, it was his affair with Nielsen that made him want to marry Shriver even more.

What are some ways to deal with the revelation of a partner's affair?

Cupid's Advice:

Apart from a death, finding out your partner had cheated is one of the most saddening news to receive. You will go through many negative emotions and, more importantly, need to decide what to do next. So to help you with your dilemma, here are a

few ways to deal with the revelation:

1. Answer the hard question first: One of the hardest questions to answer after an affair has happened is will you stay or leave your partner? No matter which you choose, the road will be difficult, so it is useless to look for the easier path. Even so, you must choose wisely and not go back on your decision.

2. Know your part: Unless your partner is a philanderer, he did not go out looking for an affair. This means that the affair more than likely was a slow process that started when you two had issues, and way before the other person came around. To truly deal with the issue, you must look inwards to understand your part, even if your part was just looking the other way.

3. Understand the stages: The next few months will be a roller coaster. Understand that you will go through times of anger, frustration, sadness, and moments of feeling absolutely nothing, in any order. Eventually, the negativity will lessen and you will get to peace and rekindling.

**Celebrity Couples Who
Function As Families After
Divorce**

By Evan Goldaper

In the world of Hollywood, it's easy for celebrities to move on after they've been through a breakup. After all, there are always new and exciting people for them to meet, and everyone already admires them. However, some celebrities don't choose to completely separate from their exes. Although they didn't start dating each other again, these celebrity couples had their reasons to remain a family even after their divorces:

1. Bruce Willis and Demi Moore: For thirteen years, Bruce Willis and Demi Moore were among Hollywood's strongest power couples. The two actors were at the heights of their careers when they married in 1987, making their wedding one of the most talked-about events of the year. However, by 2000, their

marriage had fallen apart and the two divorced. Unlike many other settlements, both in and out of Hollywood, Willis and Moore's split was uncontested and ended peacefully. They both agreed on the reasons for the divorce, blaming the increasingly small amount of time the two could spend together. Willis always said that Moore and their children's happiness was the most important thing to him, and he gave around \$90 million to her in spousal support. When Moore was still married to Ashton Kutcher, they would their spend holidays with Willis as one large family. As Bruce said to *People*, "Life is too short to spend what little precious time you have alive being unhappy."

2. Courteney Cox and David Arquette: It's rare to see any relationship end as amicably as that of Courteney Cox and David Arquette. After meeting on the set of *Scream* in 1999, the two actors were married. Eleven years later, they began a separation that ultimately ended this June with a legal divorce. This separation was very simple and surprisingly friendly. Neither used a lawyer, assets were split 50/50 and Arquette didn't ask for any support. In a statement they both released, they said that "the reason for this separation is to better understand ourselves and the qualities we need in a partner and for our marriage." Even while separated, the two remained committed to raising their daughter Coco as a team. Cox told [People](#) in 2012 that Arquette is still her "favorite person in the world." It's easy to believe that: Cox came to cheer Arquette on when he appeared on *Dancing With The Stars*, Arquette had a guest role on Cox's sitcom *Cougar Town*, and their joint production company Coquette Productions still makes television shows.

3. Arnold Schwarzenegger and Maria Shriver: Although this divorce was one of the messiest splits in recent years, Arnold Schwarzenegger and Maria Shriver have managed to remain respectful and friendly. We've all heard the story: after

being married for 25 years, Schwarzenegger revealed that he had fathered a child with their housekeeper over a decade earlier. He remained apologetic and said he deserved all the criticism he was sure to get, making him very accepting of his marriage's inevitable end. In part because of the love they still shared and in part because of Schwarzenegger's political position, the two tried to fix their marriage in couples therapy, but a divorce still seemed likely. Though the two are now separated, Schwarzenegger still has a great deal of respect for Shriver and the two raise their children as a team. As he said to the [Huffington Post](#) earlier this year, "The most important thing is that the kids are doing well, and Maria always has been an extraordinary mother and always has worked with the kids very closely."

Kailen Rosenberg Shares Expert Love Advice and Discusses Celebrity Relationships: "It's Much More Than Matchmaking to Me"

By Deana Meccariello

[Kailen Rosenberg](#) is a nationally-respected matchmaker and relationship expert who has helped many stars establish celebrity relationships throughout the years. She has a gift for bringing you back to the person you really are deep-down inside and helping you to shed the hard-coated exterior that society has forced you to wear. Given her background, it's no surprise that she's best described as a "love architect." So what is a *love architect*? It's someone who comes into a person's life, whether they are married or single, to help find cracks in their foundation (which is where the idea of an "architect" came from) that are in need of strengthening and repair.

As Rosenberg explains, "Whether you look at it spiritually or psychologically, I'm helping to mend areas that need truth and awakening. I come in and find those areas that need work, and then I help my clients come to their own truth. They discover which parts haven't been solid and built in a healthy way. Once that's done, they can finally have the relationship and love that they've always wanted and deserve."

Kailen Rosenberg Discusses Being a Dating Expert on Reality TV Show *The Bachelor*

As proven by the many romance-focused reality TV shows of today, singles are finding it harder than ever to find a partner. Rosenberg can attest to that, having served as a matchmaker and relationship expert on season three of *The Bachelor*. “I worked behind-the-scenes in regards to seeking out the right bachelorettes for the show. I actually interviewed Bob the Bachelor,” she reveals.

Reality TV or not, the dating expert can shine a light in the dark corners of an individual’s personality and help them truly find what – and who – they are looking for. She explains, “When most people come to me, they look pretty darn amazing in person and on paper. They believe that they like who they are, and in many ways, when we’re talking about the ego, they *do* like who they are.”

Rosenberg expands on this expert love advice and adds, “However, they come to me believing that the issue isn’t really about them but rather about finding the right person. During my beginning assessment process, people begin to realize that they never knew who they were and that they became the person they were told to be or taught to be by society. Therefore, they’re not only attracted *to* the wrong people, but they’re also *attracting* the wrong people.”

With this thought in mind, her first priority is to teach people who they truly are. “After I finally introduce and match my client with their true self, then we can get down to who this person should be dating. We’ve put over 200

marriages together and haven't had one divorce, which is just crazy and unheard of," she shares. "I think it's because these people are connecting on a genuine level that most people never have the opportunity to experience."

Related Link: [Top 10 Things to Know Before Hiring a Matchmaker](#)

Revealing how important her work is to her, Rosenberg gushes from the other end of the phone, "It's much more than matchmaking to me."

The relationship expert knows that, in order to find love, her client must be a healthy-minded person. They have to be in a place where they are self-aware and know that what they've been doing isn't working. This kind of acknowledgement tends to set the mind for positive experiences, whether they're an everyday person or a celebrity. For example, a radiant and successful woman with everything going for her, like Jennifer Aniston, will still have problems keeping a man if she doesn't have this mind set.

In fact, speaking of Aniston, Rosenberg says, "I do have clients that know her and say she's lovely. However, there is a very apparent trend in her love life. She is darling, and there is so much to like about her, but there is something going on with her, something that she needs to pay attention to. She needs to get down to the reality of what it is that she is doing. What is surfacing in her relationships after a certain level of intimacy, and what unhealthy pattern she keeps accepting into her life? I really think that's what it comes down to for her."

The Highs and Lows of Celebrity Couple Clients

Celebrity relationships, media, and technology can be a dangerous mix. Rosenberg says that there are people, like Kim

Kardashian, who are being followed around by a camera and dealing with sensationalism in every aspect of their love lives. Then on a real-world level, we have people using Facebook, Twitter and other social networking platforms to post every detail about their relationships – from happy pictures of the good times to angry rants detailing a harsh fight or break-up.

Related Link: [Use Your Five Senses for a More Fulfilled Love Life](#)

“The reality is that they’re publicizing who they are as well as their personal relationships, and when you act this way, people are going to look at you and scrutinize you – the good *and* the bad,” the dating expert explains. “As a couple, you need to be a team and understand that all that matters is what you and your partner know to be the truth.”

Rosenberg then adds, “If there is something that is triggering a pain or disconnect from the outside based on what you read or see, that’s something that you have to look within to understand. Couples need to be grounded in what love is really meant to be and not the attention it can bring.”

Another fascinating component of the relationship expert business is what she refers to as a “life remodel.” This particular piece caters to – but is not limited to – people in Maria Shriver’s position. For people who have been cheated on and are struggling with a messy divorce, Rosenberg can bring a person back from the ashes and help them move on. “In a case like Maria’s, there are always signs. We always have life poking at us with the truth, and it is up to us whether or not we want to see it,” she says.

However, this mindset is easier said than done. “Sadly, most times, we choose to turn a blind eye to things that are not good for us, and eventually, it comes crashing down. Then, we no longer have power or control,” says Rosenberg. “I think

someone in Maria's situation would have to ask, 'Were there signs? How far back? Why did I choose to ignore them?' It is important for Maria to forgive herself and, as hard as it may sound, to forgive Arnold. The most amazing thing is that sometimes, from the deepest trenches of pain, we can end up finding the most amazing love we've ever had."

It always goes back to your past. "You have to look at your view on relationships, including that of your mother and father. What was your vision of love, and what is it now?," Rosenberg asks. "Focus on what loving you means as well as what is still good and precious in your life. Surround yourself with people who are truthful."

Maria Shriver endured a difficult year, but she's thankful for all the support she has been receiving from family and friends. At a bicycle race on Saturday, [People](#) reports that Shriver told the crowd, "I appreciate your support, particularly this year, for sticking with me." She also spoke of a recent experience with a friend. "When I was going through my own challenges this year; feeling down and confused, I got an email from him. He wrote me a note saying, 'You're my best friend Maria and you will never be left out,'" she said. "When the world is so complicated, the simple gift of friendship is within all of our hands. Top Five Reasons Why Women Fall Out of Love

By Julia Slovich

Although stories of cheating men have been dominating the news lately and falling out of love seems to be happening a lot more frequently than people are falling in love, the situation isn't exclusive to men. Losing those loving feelings for your husband or boyfriend can happen just as easily to women. If you've experienced this in the past or maybe you're going through it with your partner now, the first step is to be aware of why it's happening. Follow these five reasons your fairy-tale romance could be slipping away:

1. Feeling Adored

It's important that a woman feels appreciated by her partner. Men are usually good at this in the beginning of a relationship when it's still new, but as the novelty ends, the attention may die down, too. Just look at Jennifer Aniston and John Mayer. She broke up with him because he was obsessed with Twitter, telling her that he was too busy for her, but in the meantime, his Twitter page was saturated.

2. Bored to Tears

We want excitement! And, if we can't have that, give us variety. If a relationship gets into a rut and you end up doing the same things every weekend or having sex in the same positions every time, a woman can get bored and lose interest altogether. Both people need to put some work into the relationship or they'll find themselves quickly falling out of love.

3. Honeymoon is Over

Sometimes, we can be completely unrealistic and think that our relationship will turn out alright because "we love each other so much." Unfortunately, that's not always the case. Once the honeymoon phase is over, the reality of the relationship can be a slap in the face. Pamela Anderson and Kid Rock were married for a mere four months before they called it quits. Both agreed that it was time to end it, and Pam said that they just weren't meant to be together. It's easy to ignore all of the red flags when you're caught up in romance and passion.

4. Lack of Chemistry

Most women are looking for that spark that makes them feel all tingly and giggly whenever their man touches or looks at them. However, a relationship can't be built on sparks alone. Eventually they will fade if the relationship doesn't have substance.

5. Emotionally Disconnected

Poor communication (or no communication at all) is one of the main reasons women fall out of love. We need to feel connected to our partners emotionally as well as physically in order to love and be loved. When there's little communication, some women will shut down. Maria Shriver was extremely unhappy in her marriage to Arnold Schwarzenegger. Apparently, they hadn't been spending much time together in the last few years, and she was frequently absent from

Sacramento where Arnold was the governor. If that doesn't signal a problem, nothing does.

It happens to the best of us. Sometimes we just fall out of love, but if you don't want to be another divorce rate statistic and want to make it work with your partner, use these five signs as a starting place to determine what may be going wrong and see if there's a way to fix it before it's too late.

Arnold Schwarzenegger to Give Maria Shriver Generous Settlement

Looks like Arnold Schwarzenegger still feels guilty over the end of his 25 year marriage to ex Maria Shriver. According to [RadarOnline](#), the ex-governor is prepared to give his ex a hefty settlement in the divorce, much more than is required under California state law. Both Schwarzenegger and Shriver's lawyers seem to be getting along and are working together to come to a joint settlement. Schwarzenegger said he is the one to blame for the collapse of his marriage, and he is willing to give Shriver whatever she needs. He's also filing for joint custody of the couple's sons, which is a decision Shriver agrees with because she still wants her ex to remain a major part of their children's lives. It's so sad to see the end of such a seemingly perfect marriage, but at least the pair are putting their differences aside to do what is best for their children and themselves.

Cupid's Advice:

2. Make it up: You can't fix what's already broken, but you can do the next best thing and try to make the best out of the situation. Take a tip from Arnold Schwarzenegger and be willing to give a little extra in the divorce settlement.

3. Be happy for your ex: Don't try to get in the way of your ex's happiness. Allow him or her to move on. By doing this, it shows you care and there are no hard feelings between the two of you.

Experts Say There's No Hope for Arnold Schwarzenegger's Marriage

By Diamon Hall

Juggling a career and relationship in Hollywood is one difficult task; between the flashing cameras of the paparazzi and the constant stream of gossip, there's just too much to live up to. To top it all off, men can be easily caught off guard by the plethora of eye-catching women in Tinseltown, causing some stars to take their gaze off their wives and dive into an affair. Arnold Schwarzenegger is the most recent man to fall into this category.

The 38th governor of California is currently facing backlash from the media after his extramarital affair with his housekeeper was made public. If that wasn't enough, a 13-year-old son erupted from the incident, adding to the drama of his separation from his wife of 25 years, Maria Shriver.

Schwarzenegger's case is far from unusual considering his fame status. As a former professional body builder, actor and politician, he's among the many celebrities before him that have succumbed to marital infidelity. We decided to dig deeper into exactly why he may have had this affair and how it resulted in a love child.

Sex expert and clinical psychologist Dr. Victoria Zdrok Wilson is the author of *The 30-Day Sex Solution*, which was co-written with her husband, John Wilson, a marriage and family therapist. The couple said the decision to write this book came from their own personal relationship problems. In addition, they knew they weren't the only couple having troubles and believe their book can help.

"We felt there was a real need for couples to reconnect," said Victoria. "Couples are more disconnected now than ever before." The book is a guide for couples to build intimacy, enhance their sex life and strengthen their relationship in one month's time.

The Wilson's offered detailed reasoning about what they thought caused the Schwarzenegger affair. For starters, testosterone may have been an issue.

"A lot of body builders are high on testosterone," said John. "Before he even met his wife, he wanted immediate gratification. People who have those traits have problems with commitment."

Victoria also thought his political career made him egoistical, causing him to want more attention from his wife.

"Politics seems to draw a certain kind of male and testosterone is a very important factor in this," she said. "Their marriage suffered from them being consumed with social life."

She also brought up the fact that after women give birth, they start paying more attention to their children. In turn, husbands feel left out when the mother and child are together while he is on the other side of the fence. In addition, she said many women may become conservative and less sexual after having children, making the man feel as if their wife is now boring and no longer adventurous.

“We think Arnold was very egotistical and felt that when he wanted attention, he was going to get it any way that he could,” said Victoria.

Neither of the experts believes that Schwarzenegger’s reasons for cheating are true for most other affairs. Their explanation: Not everyone is in front of the cameras every day. Arnold is.

“I think this relationship was going downhill for awhile,” said John. “He should’ve read our *30-Day Sex Solution!*”

However, Victoria stressed that producing a child from this affair made matters much worse.

“It was just an act of recklessness and carelessness,” she said. “Not only did he have this affair, he slept with someone unprotected, which is the ultimate level of disrespect.”

Schwarzenegger’s mistake has not only hurt his wife and children, but has also hurt himself, with ABC News reporting that he’s needed to put his movie career on hold to focus on these family issues. Furthermore, the Wilsons don’t believe these two will get back together anytime soon.

“Arnold needs divorce mediation and I’ll be happy to work his case,” said John.

The Wilsons reside in Pompton Lakes, N.J. where they will open a divorce mediation office. For ways to keep a healthy relationship, pick up their book, *The 30-Day Sex Solution*, on Amazon .

How do you get over the trauma of an affair?

Cupid’s Advice:

It can be tough to get over an affair. In fact, most people who experience this type of trauma in a marriage are never able to salvage their relationships. However, if you do choose to move on and remain with your partner post-affair, the only way to do it is to spare yourself the details:

1. Two affairs don't make a marriage: If you choose to forgive your partner's infidelities, don't try to make things even by having an affair yourself. It will only make matters worse and will never make you feel better in the end.

2. Restore trust: Trust takes a lot of time to restore. Don't stay with your partner unless you plan on being patient. Without trust, you can't have a healthy relationship.

3. Don't ask about the details: If you're going to move on, you can't do so with images in your head of your partner with someone else. Stick to a don't ask don't tell policy, at least as far as vivid descriptions are concerned.
