How do you know if your partner is a good influence?

Cupid's Advice:

Starting a new relationship can have its concerns. So how do you know if your partner is a good influence? Cupid has some advice for you:

1. Honesty: If your partner is honest with then he or she will most likely be a good influence on you. You will be more honest with yourself and with other people. Keep your partner around if they're honest with you it will only make you a better person.

2. They treat you right: If your partner doesn't treat you respect then its safe to say they will probably be a bad influence. Being treated poorly makes you act out in ways that you normally wouldn't. Make sure you are with someone who treats you with respect.

3. Supports you: If your partner supports you and helps you get through the tough time, he is a keeper. Having someone who will be there for you when you need them the most is a good sign of a partner who will positively influence you.
