

Giveaway: Lipo-Lotion and Measurable Difference Will Get You Ready for Summer!

This post is sponsored by Measurable Difference.

By Liz Kim

If you aren't one of the lucky few who seem to have gorgeous tank top weather year-round, the prospect of summer can be a little intimidating. After a long hibernation, it's normal to feel self-conscious about the lumps and bumps Old Man Winter seems to bring with him each year. Worry no more! Thanks to Lipo-Lotion's Tummy Toning & Cellulite Smoothing System, you'll be able to get rid of those perky problem areas.

No matter how many lunges, squats, or dumbbell curls you do, cellulite always seems to rear its ugly head. With Lipo-Lotion's amazingly effective formula of amino acids, vitamins, natural marine extracts, and caffeine, in as little as two to four weeks, the look of dimpling will not only be reduced, but

stretch marks will also be moisturized and smoothed. Most importantly, this body toning cream energizes the skin and helps to improve overall elasticity, texture, and tone. A massaging applicator is also included to enhance the cream's benefits.

Now that we've smoothed and firmed that body, let's move on to the windows to the soul: the eyes. Make-up artists and aficionados alike say that healthy thick brows and lashes not only frame the face but can also help you appear more youthful. This mega giveaway also includes four lash products and two brow products from Measurable Difference. With the complete line of brow and lash enhancing products, you'll be beach-date ready in no time!

The changing of seasons is the perfect time to revamp your beauty routine, so don't be afraid to try some new looks! To bring attention to your lashes, consider using the Lash & Brow Amplifying Serum, the Instant Lash Extensions, the Lash Enhancing Mascara & Primer, and Lash Amplifying Liquid Eyeliner –all with Regenalash. For bolder brows, use Brow Amplifying Tint & Lift, also with Regenalash. So what exactly is Regenalash? It's a peptide complex designed to nourish and condition lashes and brows for healthier, longer-looking lashes and fuller-looking brows in just four to six weeks.

This summer, Lipo-Lotion and Measurable Difference have got you covered from head to toe!
