How do you know if your current partner is just a replacement for your ex?

Cupid's Advice:

Sometimes when you think you've moved on after a relationship, you may be holding yourself back by dating someone who is just a replacement for your ex. Cupid has some tips on how know if you're still living in the past:

1. Similarities: If the your current partner's similar appearance or personality to your ex is what attracted you to him or her in the first place, you're not really moving on.

2. Reminders: When you find that your new mate constantly reminds you of your old boyfriend or girlfriend, it may be a sign that you subconsciously replaced him or her.

3. Making them jealous: Dating someone just to get back at your ex may be fun at first, but it's also unhealthy. Don't just look for someone to take the place of your old flame; find someone new, different and better.
