What are some ways to positively influence your partner's style?

Cupid's Advice:

The fashion trends rotate with the seasons, and style is constantly changing. Cupid has some tips to keep you and your partner looking great in the public eye:

- 1. Stay trendy:** While you're out shopping, pay attention to what's new on your partner's side of the store as well, and pick out something for them that will keep them up-to-date in the fashion world.
- 2. Coordinate:** Take a shopping trip together so you can

coordinate your outfits for whatever's trending that season. That way, neither of you will look out of style.

3. Honesty: Fashion trends come and go, and some trends can't seem to go quick enough. If your partner's wearing something completely heinous, let them know so they don't have to dread the memories later.

How do you know when you're ready to tie the knot?

Cupid's Advice:

Knowing you're ready for marriage is more of a feeling than anything else. You have to be ready to completely commit. Here are some strong indicators:

- 1. When your eyes sparkle:** The moment your eyes begin to sparkle more than your engagement ring is the moment you should walk down the aisle.
- 2. Your partner is always on your mind:** If your mate is all you can talk, think and dream about, it's time to put on that white dress.
- 3. You can't stop smiling:** One can always spot a person in love from his or her radiant smile. If your smiles outweigh your frowns by a long shot, you might consider tying the knot.
