Should your partner be your best friend?

Cupid's Advice:

It makes the entire marriage easier if you and your spouse are best friends. Here are some things to consider when trying to determine if you and your partner can call each other BFFs:

1. A solid foundation: It's no secret that a marriage consists of hard work and a lot of stressful days. Having a close buddy in a partner makes things a lot easier.

2. Great talks: An easy way to measure how strong your friendship is is by looking at your conversations. If you and your partner can talk about the serious things as well as the random topics easily, then things look good.

3. A relaxed environment: Similar to Vartan and his bride, if you feel 100 percent calm and your spouse isn't running in the opposite direction, it's probably a great sign.
