They loved each other but also fought a lot. They were very passionate and loved in the fight. Both of them were addicted to heroin, which had a lot to do with the tumultuous relationship. In 1978 when the Sex Pistols disbanded, they moved to New York City and checked into the Hotel Chelsea under the names "Mr. and Mrs. John Simon Ritchie," which was his real name. Many famous musicians have lived in the Hotel Chelsea, which is why it is a landmark and is iconic in itself. Before that occurred, he attempted suicide and slashed his entire arm with a knife. It was reported he did that and then screamed, "I want to be with my Nancy! I want to be left alone!" There are many different theories about the murder, however. Many believe that Vicious did not kill her, and that it was in fact one of their regular drug dealers. Sid Vicious had his ashes scattered over Nancy's grave, on top of the snow, by his mother. Sid Vicious had written a poem titled "Nancy" before he died. It read, "You were my little baby girl/ And I knew all your fears/ Such joy to hold you in my arms/ And kiss away your tears/ But now you're gone/ There's only pain/ And nothing I can do/ And I don't want to live this life/ If I can't live for you."

celebrity babies in his day! What are some ways to streamline care giving for multiple kids?

Cupid's Advice:

Baby fever is a real thing. Having multiple babies is popular in this day and age, but that requires a lot of tender love and care. Cupid is here to help:

1. Hand-me-downs: Hold onto everything that you used and needed for your first baby. It'll be easier if you have a head start on supplies. You'll find that it's one less thing to worry about as your oldest kids grow out of their belongings.

2. Recruit help: Don't try to go through it alone. You and your partner, your parents, your in-laws, friends, etc. are all willing to help. Don't try to juggle all the babies in your arms by yourself.

3. Spread them out: You don't have to have six babies all at once. Wait a few years in between so you aren't surrounded by newborns. Once enough time has passed, see about having more kids, but only when you're ready.

Celebrity Men Who Love Taller Women

By Jennifer Harrington

It seems most people have a preference in terms of physical characteristics for the people they find attractive and choose to date. Celebrities are no different, and it recently came to Cupid's attention that there are celebrity men who prefer to date taller women. We took a closer look at some of these stars who prefer taller women, and examined their dating histories to see who they have romanced – and the inches separating the couples.

Mick Jagger

Mick Jagger is perhaps as legendary with the ladies as he is for being the front man of the Rolling Stones. Married twice, Mick has seven children with four women. Over the years, Mick has been linked with several women taller than his 5 feet 10 inches, including model Jerry Hall and his current love of 12 years, L'Wren Scott. L'Wren, a model and fashion designer, is 6 feet 3 inches. L'Wren admitted in an interview with *Harper's Bazaar* that people have always been intimidated by her silhouette. According to the article, "when she and Jagger pull up in front of the paparazzi, she adjusts the silhouette, bending at the knee to even things out."

Rod Stewart

One of the best-selling music artists of all time, singer Rod Stewart has been married three times and has eight children. His current wife, model Penny Lancaster, stands 6 feet 1 inch, in contrast to Rod's 5 feet 10 inches. Penny is frequently photographed wearing high heels, and it doesn't seem to faze her rocker husband at all. When asked in a recent interview if the height difference bothers Rod, Penny responded by saying, "'He likes me in the heels. I appear to be a foot taller but it's the camera angles and the heels.'" Rod has certainly established his personal preference over the years: many of his romantic partners have been tall, slender blondes.

Tom Cruise

Mega movie star Tom Cruise has dated (and married) many taller women, including Rebecca De Mornay, Nicole Kidman, Penelope Cruz and Katie Holmes. Tom Cruise stands 5 feet 7 inches, which is several inches shorter than the average height for men in the United States. His ex-wife Katie Holmes is 5 feet 9 inches, so two inches in height separated the couple (in addition to differing views about Scientology and how they would raise their daughter, Suri). After her divorce from Tom

in 2001, Nicole Kidman famously quipped on *The David Letterman Show*, “I can wear heels now.”

Keith Urban

Country music sensation Keith Urban has been married to actress Nicole Kidman since 2006. Parents to two young daughters, Keith and Nicole split their time between Nashville and their native Australia. Nicole, who was formerly married Tom Cruise, is blissful in her marriage and the new attitude her husband gave her, saying to *Harper's Bazaar*, “He just gave me confidence through just being very kind to me and understanding me, opening me up to trying things.” Nicole is about three inches taller than Keith.

Michael J. Fox

After meeting Tracy Pollan on the set of *Family Ties*, Michael J. Fox married the leggy actress in 1988. The couple, separated in height by about two inches, has four children. Their marriage has stood the test of time, which is especially noteworthy because Michael has been fighting Parkinson's disease since 1990. Tracy opened up in an interview with *Parade* about her marriage saying, “Any marriage has its ups and downs. It's work to be married for this many years! That said, Michael's a very easy person to be with under his circumstances, funny and gracious.”

As these couples showcase, height should not matter in a relationship, and ladies can wear high heels proudly, no matter the height of their boyfriend or husband.

Are there other celebrity couples featuring a significantly taller woman? Should height matter in a relationship?
