Small-Screen Costars Who Turned Their TV Romances into the Real Deal

By Jennifer Ross

It is not surprising that when actors have chemistry on-screen, feelings can keep rolling after the director screams “cut!” The lines between fiction and reality can get blurry with all those hormones raging. No matter how professional an actor claims to be, when it comes to love, sometimes you just can’t fight the resistance for too long. For many TV fans, the reel-to-real romance is exactly what they want. Take a peek at some of Hollywood’s romantic couples, on-and-off screen.

1. Ashton Kutcher and Mila Kunis: What started out as a

dysfunctional high-school relationship between characters Jackie Burkhart (Mila Kunis) and Michael Kelso (Ashton Kutcher) on Fox's *That '70s Show* finally came to reality earlier this year. The cute Wisconsin couple was on-and-off again for the first 4 seasons of the show, which began airing on August 1998. However, it wasn't till about a decade later that Kutcher, 34, and Kunis, 29, decided to date off-screen. Before that time, Kutcher was married to ex Demi Moore. Now, sources report to UsMagazine.com that Kutcher has always had a thing for Kunis.

2. Lea Michele and Cory Monteith: *Glee* fans everywhere simply adore the on-screen relationship between characters Finn Hudson (Cory Monteith) and Rachel Berry (Lea Michele). Fortunately, the off-screen actors are just as happy to turn Finchel into a reality. The twosome, playing a high school couple, has been dating since last fall. Michele, 26, has gushed to *People* that she loves working with Monteith, 30. "He really, really inspires me, and he motivates me and I think he's just so talented," the *Glee* club diva professes.

Growing their family, Paquin, 30, recently gave birth to twins last month. No news yet as to the gender or names of the newborns. Although the twins were born a few weeks early, both babies and mom are said to be doing fine, according to Usmagazine.com. 4. Will Chase and Debra Messing: On the *NBC* television series *Smash*, a steamy love affair ensued between Broad lyricist and musical's co-writer Julia Houston (Debra Messing) and musical theater star Michael Swift (Will Chase). Just last year, Messing, 44, ended her 10 year marriage to theater guru Daniel Zelman. Prior to his relationship with Messing, Chase also left his wife of 2 years, actress Stephanie Gibson. It looks like both of them made the right decision and are happily enjoying each other's company.

Ashton Kutcher and Mila Kunis Enjoy Romantic Thanksgiving Weekend in Rome

By Nic Baird

Mila Kunis and Ashton Kutcher found themselves in Rome this Thanksgiving, UsMagazine.com reports. The two recent lovers, also former co-stars of *That '70s Show*, have been staying in the Italian capital as Kunis films *The Third Man* Orson Welles remake with Liam Neeson and James Franco. This didn't stop them from taking a night out on the town for an intimate meal at Chechino, Friday. And besides their romantic stroll to take in the sights last week, the two enjoyed a three-course feast with the film's director, Paul Haggis.

How do you know when it's time to go on vacation with a new beau?

Cupid's Advice:

Everyone fantasizes about a lavish and exotic vacation with a date, but be cautious not to elope without your partner's full commitment. Follow these tips to see if you two are ready for a romantic vacation:

1. Familiarity: You can plan much of your vacation ahead of time, such as scheduled activities, and where you're going to stay. However, a lot can change when you get there, and any type of travel involves a certain degree of spontaneity. It is

very important that you know your partner well enough to make decisions you'll both enjoy. Besides knowing your date's threshold for excitement, being familiar with their interests lets you find adventures better suited for your relationship. Being able to rely and trust your partner is also crucial as you need those qualities in a travelling companion.

2. Comfort: Going on vacation means spending time together constantly, so make sure your relationship is prepared for that. If there's always a day's space between seeing each, you have to wonder what non-stop dating is like with your partner. If you're just getting to know each, make sure you two won't be too nervous to fully enjoy yourselves.

3. Excitement: Before you start booking resorts, make sure your partner not only agreed on the vacation, but that they're excited about it. You don't want your date to go into this half-heartedly. There's lots of preparations, and you shouldn't have to do them alone. A couple's getaway won't be romantic if one of you leaves your heart at home.

Ashton Kutcher and Mila Kunis Share a Romantic Night in Rome

By Jennifer Ross

A little rain doesn't stop these two from romancing the night away in Rome. On Sunday, Hollywood couple Ashton Kutcher and Mila Kunis was spotted dining at Rome's Antica Pesa Restaurant. The lovebirds ordered an array of mouth watering delights, such as Parma ham crudo and mozzarella, eggplant parmigiana and a salad with marinated anchovies. The pièce de résistance – a thousand layer pastry with cream and fresh berries. Kutcher and Kunis were also seen walking hand-in-hand in the center of Rome. Sharing their love for each other around the world, it's exciting to wonder where their next stop will be.

Where are three of the most romantic locations to visit with your partner?

Cupid's Advice:

When you are in love, you want to tell the entire world. As a result, many lovers take a romantic trip together, creating lasting memories. Whether you decide to shout your love from the highest mountain or write "I love you" on a white sandy beach, here are a few destinations to get your journey started:

Hollywood Stars Who Rebounded With a Hot and Heavy Romance

By Daniela Agurcia

The best revenge is happiness. You may feel like wallowing in your sorrows after a breakup with someone who you once thought was “the love of your life,” but the best thing to do is get back on your feet and start dating again. Feeling sorry for yourself won’t get you anywhere, and won’t help you move on to bigger and better things, which is what you should want. Regardless of the reasons of why you and your partner ended things, you should want to look better than ever and get back into the dating scene.

You rebound to find that hot and heavy romance you were lacking in your previous relationship, and that’s just what these celebrities did:

1. Kim Kardashian and Kanye West: We all remember the infamous divorce between Kim Kardashian and NBA player, Kris Humphries that lasted a total of 72 days. We all thought that Kardashian, 31 would avoid dating for a while after all of the accusations over her divorce with Humphries, but just months later she was reported dating none other than Kanye West. The reality tv star bounced back quickly and looks happier than ever in her new relationship. Kardashian has been living the fabulous life with West from driving his luxurious Mercedes to taking a trip together to one of the most romantic cities in

the world, Paris. Regardless of what people are saying, the couple is currently unstoppable and this must be driving Humphries absolutely crazy.

2. Eva Longoria and Eduardo Cruz: It was a tragic ending for Desperate Housewives star Eva Longoria's three-year marriage with Tony Parker when he was found cheating. Longoria was absolutely devastated when the trust was lost and she found herself filing for divorce in November, 2010. Just months later in February, 2011 the latin beauty began dating a man ten years younger than her, Penelope Cruz's brother, Eduardo Cruz. The on and off again couple keep laying on the PDA that has the unavoidable sparks flying between the two. Post-divorce has never looked so good, having now dated someone younger has the star looking younger and hotter than ever.

3. Ashton Kutcher and Mila Kunis: Even though Ashton Kutcher and Mila Kunis were always rumored to have a fling with one another after years of filming That 70's Show together, it's finally official. It was never the right timing between the two since Kutcher was married for the past six years to 49-year-old Demi Moore. But ever since last November, when Moore and Kutcher split, rumors have been flying and Kunis was finally captured smooching Moore's ex at an LA party. We can't all help but wonder how it feels for Kutcher, 36, to go from dating a woman 13 years older than him to almost ten years younger than him. Even the new pair is trying to keep their distance in public as a respect for Moore, their chemistry is raging and you can see the love from miles away.

4. Kate Winslet and Louis Dowler: Kate Winslet made a complete 180 when she went from dating behind the scenes director, Sam Mendes to the hot model, Louis Dowler. Winslet has taken an

immediate upgrade in the looks department, dating the Burberry model shortly after her separation to Mendes. Is the oscar-winning actress looking to settle down after her 7 year marriage to Mendes, or is she just looking to have fun with the popular British model...and others? There's no harm in getting back on your feet after a long marriage and sudden split and testing out the waters. Some hot and heavy romance with a model could be just what the doctor ordered for a sad case of the blues.

Mila Kunis' Rep Shoots Down Pregnancy Rumors

By Nic Baird

"She is not expecting," actress Mila Kunis' rep told the [Daily Mail](#) on Monday to address circulating rumors that she was pregnant with former *That 70's Show* costar Ashton Kutcher's baby. The couple has been dating for five months. The speculation began after Kunis was spotted in a baggy tanktop with horizontal stripes while on a coffee date with Kutcher, according to [UsMagazine.com](#). Kutcher is currently the highest paid US actor after taking over the *Two and a Half Men* leading role, and had been married to actress Demi Moore from 2005 to 2011.

What are some ways to announce pregnancy news to friends and family?

Cupid's Advice:

While you may be excited to tell a few people in person, how do you let everyone know you're having a child? Besides wearing a sign, you should take a methodical approach to inform the people in your life. They'll want to know, and here's how you tell them.

1. Picture Postcards: Anyone interested by the news that you had a child will want to see a picture of the baby. A shot of the newborn with family is something people will stick on their fridges. If you're having a baby shower, you could use the postcards to get the details out.

2. Baby Shower: Civilization designed baby showers as a template to announce an upcoming child. Once you've told your inner circle of friends and family, you can send out baby shower invitations to everyone else. If you haven't been caught by surprise, you should have ample time to plan your baby shower by scheduling it closer to the due date. The invitations will serve to let the word out, and you'll probably get some gifts out of it.

3. Other Rituals: Baptisms, and other religious ceremonies have friends and family congregating. Any sort of family ritual is a good opportunity to assemble the important people in your life for such an important day in your life. Cigars are a traditional way for a new father to spread the word to friends, and perhaps work colleagues. It's just something you can give out, besides cupcakes.

Top 5 Celebrity Couple Predictions

By Yolanda Shoshana

It can be hard keeping up with the love life of celebrities. If you blink, you just might miss a breakup or a week long relationship between two costars. I pulled out my crystal skull to do predictions on some of the celebrities everyone wants to know more about:

1. Blake Lively and Ryan Reynolds: This was the surprise wedding of the summer. Some media outlets have called Lively a trophy wife, because they believe she nothing but arm candy. I say, take a good look at Reynolds, because last time I checked, he was quite easy on the eyes. If anyone won a trophy it is Lively. Their age difference actually evens out since women tend to mature faster than men; they meet right in the middle. I predict that Lively and Reynolds will have a fabulous marriage and stay pretty quiet when it comes to

Hollywood drama. Let's root for these two, as their future is bright. By February, there will be baby news from this sexy couple.

Related Link: [Blake Lively and Ryan Reynolds Are Married!](#)

2. Kristen Stewart and Robert Patterson: Can you say hot mess? The rumors continue to fly that they are on again, spending time apart or can't live without each other. The list goes on. Who knows what we should believe at this point. Stewart and Patterson are attempting to figure out what is going on between them, because they do care for each other. Once the *Twilight* hype is over, it will be the end of their relationship. The movie is the glue that holds them together, and Patterson will end up finding love with another actress which will prompt his ending the relationship with Stewart for good.

3. George Clooney and Stacy Keibler: Despite breakup rumors, these two are still a couple. But tick tock! Can't you hear the clock ticking on this relationship? The main reason people are saying the pair is close to splitsville is because it's about that time when Clooney calls off the relationship. Keibler can take a deep breathe; she will make it to the Oscars with Clooney. However, her days are numbered. She will love again, and you know Clooney will. In a few years, I see that Clooney will pull a "Warren Beatty type move" and find someone younger than him with whom to settle down. They will never marry, but she will be around for the long haul.

4. Mila Kunis and Ashton Kutcher: This pairing is interesting indeed. Did you know that Kutcher was Kunis' first kiss? From what we have seen, we know that Kutcher has it in him to be in a long term relationship, but it is said that Kunis wants to take it at a slow nice pace. This is not to mention the fact that Kutcher is still married to Demi Moore. Kunis and Kutcher will have a nice run, but eventually she will want someone a little more grown up, which will break Kutcher's heart. What

goes around comes around, dear Ashton.

5. Kim Kardashian and Kanye West: Who else is surprised that they are still together? This couple has lasted longer than Kardashian's last marriage. That deserves a round of applause. Then again, according to the media, Kanye has always had a thing for Kim. They are a good match since they both love the spotlight, expensive things and causing a commotion. Kardashian and West may taunt the public with an engagement, which they may actually mean (at the time); the wedding will, however, not take place. Media and money aside, Kardashian wants love just like anybody, but has to get her self love in check before that happens. Kardashian really loved Reggie Bush and continues to seek that type of love. Also telling the media that she thinks she will marry West was a bad move. It's like giving a guy an ultimatum in front of a live audience. The stars are coming into play for these celebrities, so stay tuned into their love stories because now only time will tell.

Demi Moore Is 'Jealous and Frustrated' by Ashton Kutcher and Mila Kunis' Relationship

By Jennifer Ross

It can be extremely painful for a woman to tolerate an ex finding a new love; even celebrities are not immune to this sadness. Demi Moore has had a rough year, starting with ex Ashton Kutcher's cheating scandal, leading to their divorce and now – coping with his new love, Mila Kunis. Moore, who will celebrate her 50th birthday this November 11, has been described by a close source as “jealous and frustrated.” Also, many sources have reported to [People](#) that friends are worried she hasn't fully recovered. On the other hand, a separate source maintains that Moore is moving forward and doing well. “...despite the depression of going through a divorce, she came through it.”

What are some ways to cope with your ex's new relationship?

Cupid's Advice:

Your relationship has broken up. You are trying to move on. So far, you are doing a pretty good job. Then, you hear your ex has a new love and the pain feels like you are back to the day after the breakup. Have no worries. Coping with the news can be easier by considering these three tips:

1. Accept the sadness: Unfortunately, the wound is open again

no matter how “over it” you believe to be. Feel the pain, again. It’s useless and hurtful to your future to ignore it. Realize that it will not last long and will not hurt nearly as bad as the breakup.

2. Find a new hobby: Want to learn how to surf? Or cook? Involve yourself in a new hobby, something you have always wanted to do. By focusing your mind on yourself in a positive manner, you are gaining confidence. This will help to alleviate the sadness much quicker.

3. Support your own relationships: Remember those friendships you had before your ex that slowly disappeared? Rekindle those again. Reach out to old friends and start anew. Also, go out and meet new friends. Thankfully, a partner is not the only form of love and support in this world.

Patti Stanger Explains How to Reconnect Like Ashton Kutcher and Mila Kunis

By [Jessica DeRubbo](#)

Love and relationship expert Patti Stanger is doling out some love advice yet again, this time related to new couple Ashton Kutcher and Mila Kunis. Only romantically linked since April, the celebrity duo met on the set of *That 70's Show* more than 14 years ago, according to [People](#). Although Stanger is not picking Kunis over Kutcher's ex, Demi Moore, she loves this new relationship development because it gives her a chance to discuss how to spark a new love after touching base with someone from your past. One piece of advice she gives it to set yourself up now for a romance in the future. She advises not to dwell on relationships that aren't ready to happen as of yet and to continue meeting new people and trying new things. According to Stanger, space and experience are key.

What are some ways to reconnect with an ex or crush after much time has passed?

Cupid's Advice:

Sometimes reconnecting with someone you used to have a connection with in the past can spark a new love. Here are some ways to approach it:

1. Social media: In this day of technology, social media may

be the best way to go about reconnecting with a past crush. Log on to Facebook or Twitter and compose a quick flirtatious message meant to spark new conversation.

2. Mutual friends: Chances are that you may have mutual friends to lean on. If you want to reconnect with someone, ask your mutual friend to plan a group activity. This will give you a no-pressure way to see each other again.

3. Text: If you still have your ex or past crush's number, texting may be the way to go. It's not quite as in-your-face as a phone call, and you can easily keep things simple. A quick, "How's it going?" may be just what you need.

Sources Say Ashton Kutcher 'Always Had a Thing' for Mila Kunis

By Nicole Weintraub

Mila Kunis and Ashton Kutcher are still going strong after five months, according to UsMagazine.com. The once on-screen lovers in the hit television show *That 70's Show* have been living together in Brooklyn while Kunis films her latest movie. "He always had a thing for her," says a source, calling their feelings toward one another infatuation. Recently, the two have been photographed together around the New York City area from brunch dates to public displays of affection in Central Park. Kutcher, who is currently separated from Demi Moore, and Mila Kunis, who was once engaged to Macaulay Culkin, seem to have found happiness in each other.

How do you act on a longtime crush?

Cupid's Advice:

We all have crushes; though some may last a mere few weeks while some may last for years. In the case of Kutcher and Kunis, the two have held a torch for one another since their television days. Here are some tips on how to act on that crush:

1. Don't involve others: If your longtime crush currently is in a relationship or is married, then steer clear. Even if

they are being flirtatious, it is better to not get involved with someone who is already involved. If someone truly has feelings for you, they will find a way to be with you.

2. Be realistic: If your longtime crush is Johnny Depp, then I would advise you to move on. Is your crush plausible? Does this person live on the other side of the world? Think about the possible problems that you could face if you became involved with this person. Would you be willing to sort through those issues?

3. Make a bold move: The only way you are going to move from the crushing stage to the dating stage is if someone makes a move. Rather than waiting for what may be ages, why don't you speak up and make a move? Flirt; ask them for coffee, anything! You've been crushing this long, don't you think it's about time to do something about it?

Do you have a longtime crush? How would you pursue it? Would you? Share with us below.

Ashton Kutcher and Mila Kunis Spend a PDA-Filled Weekend Together

By Jennifer Ross

It appears that love is still in the air. The PDA sightings of Ashton Kutcher and Mila Kunis last week in Central Park continued on through the weekend and were photographed throughout New York City. From holding hands through dinner at The Lion on Friday night to matching blue T-shirts and jeans while watching football in a sports bar on Sunday, Kutcher, 34, and Kunis, 29, could not go long without a hug or a kiss from each other. As reported to [People](#) by an observer, the love birds even had a cozy dinner with another couple at Spasso restaurant on Saturday night and were “all lovey-dovey.” It looks like the love that began April is still holding strong.

What are the benefits of being affectionate in public?

Cupid's Advice:

We've all done it. At one point in our lives, we have all either participated in a little PDA or watched from a distance. That feeling you get inside that makes you want to hold their hand or give them a sweet kiss, regardless of where you are, is a wonderful feeling. However, have you ever thought why do we do this? Here are a few reasons to understand what's good about PDA:

1. Confirming your feelings: Reaching out to hold your mate's hand, or give them a kiss, in public is a great way to confirm your feelings for them, if they are insecure about the relationship. It boldly states that you care and you what you don't care about is who knows. So the next time your partner questions your love for them, show it in public to get the message across.

2. It can boost a person's mood: Against what most people might think, being affectionate in public can have a positive effect on the people watching. A scientific study has shown that whether you are actively involved in PDA or simply watching, both have a strong and positive effect on your brain. So give your partner that extra kiss; it may lift someone else's spirit.

3. It just feels good: Let's not forget about ourselves. As the initiator of PDA, we do this simply because it feels good to us. With all the stresses of our world, why not allow ourselves to indulge in a little positive action with our loved one? After all, we are attracted to them and we genuinely care. So, if your urge is to give your mate a hug or kiss out in public, do it! Just remember to keep it "family friendly" for the little ones that may be watching.

Who Was Mila Kunis' First Kiss?

Stars of *That's 70's*

Show Mila Kunis and Ashton Kutcher had their first onscreen kiss in 1998, and Kutcher had no idea that he was Kunis's first *real* kiss. Not only did Kunis feel extra pressure since it would be on camera, but she was going to be kissing a model. "I was like, 'Oh, he's so cute, it's the Calvin Klein model!'" the actress told [People](#). "Then I was like, 'I have to kiss him?'" I was so nervous and uncomfortable. I had the biggest crush on him." *The Black Swan* actress kept her cool with helpful advice from the crew, and it was Kutcher who was sweating the thought of the two locking lips. "I was so nervous. She acted so cool. She seemed as if she'd done it a thousand times," Kutcher said. "I was the one with the butterflies in my stomach. I mean, here's this little girl and I have to kiss her. It was nerve-racking."

How do you make your first kiss memorable?

Cupid's Advice:

Your first kiss should be a moment that you never forget.
Cupid has some tips to make it special:

1. Who: Don't let your first smooch be from just anyone. Save the moment for someone special so that you won't have to regret thinking about it every time you reminisce.

2. When: It doesn't matter how old you are when you get your first kiss. It will be more enjoyable if you wait, so that it's not from the weird kid in your class during a game of spin the bottle or a guy you met drunk at the bar.

3. Where: It doesn't matter where you are because butterflies are going to make your heart flutter and your head spin. Don't try to plan it out. Just relax and let it happen.

Mila Kunis Denies Dating Ashton Kutcher

Mila Kunis cleared up all rumors that she is dating Ashton Kutcher with Ben Lyons at CinemaCon 2012 in Las Vegas. According to [Extra](#), the cast mates were seen together multiple times during the week. “It’s absurd!” said Kunis. “A friend is a friend.” Kunis was at CinemaCon promoting her new film *Oz: Great and Powerful*.

How do you turn a platonic friendship into a relationship?

Cupid’s Advice:

Stepping out of the friend zone and into a hot relationship is actually a leap. Here are some tips on how to jump without falling:

1. Drop hints: While hanging out with the friend you have feelings for, come clean about how you feel about them. Try making it into a joke, and see how they react. Say, “Hey, how crazy would it be if we dated?” Judging by their response, you will have an idea of whether or not to pursue your feelings.

2. Go on a date: Ask your friend on date. Asking them to give things a try is a lot different than committing to a relationship. Or, take your crush out as a friend and at the end point out that it was a date. See how they react. Try

something out of the “friend zone.” Rather than burgers, go to an intimate restaurant and pay for dinner.

3. Make a move: If you think your friend will go for it, jump right in and make a move. Have a fun, have some drinks, flirt a little and then spring the idea of you becoming a couple.

Mila Kunis Keeps Promise and Attends Marine Corps Ball

Mila Kunis is a woman of her word. The actress made headlines last summer when she accepted an invitation to a Marine Corps Ball from Sgt. Scott Moore, reports [People](#). The *Friends with Benefits*

star kept her promise and attended the ball, in Greenville, North Carolina, on Friday. “She’s going to get a chance to learn about the Marine Corps, and we’re all going to have a great time celebrating the Marine Corps birthday,” said Marine spokesperson Capt. Scott Sasser. Sgt. Moore asked Kunis to the event in a YouTube video after making a bet with a fellow marine. “I always thought I had a chance, and sometimes, that’s all you need,” he said.

What do you do if your partner continuously breaks promises?

Cupid’s Advice:

If your partner frequently goes back on their word, you may need to take a deeper look at your relationship. Here are a few suggestions:

1. Raise the stakes: If you make it harder for your partner to go back on their word, they may be discouraged from breaking promises. Talk about how much an upcoming date means to you, or stress the importance of a certain event. Hopefully, your partner will recognize that this is not something of which they can back out.

2. Limit your patience: Though being forgiving is a virtue, too much of it can harm your relationship. You can let a few broken promises slide, but be careful not to become a pushover.

3. Talk to your partner: If you feel your partner will only respond to a direct approach, then talk to them. Tell them how their broken promises are insulting you and hurting your relationship. Hopefully, your partner will apologize and make a change.

Mila Kunis and Justin Timberlake Confirm Marine Corps Ball Invitations

Talk about being patriotic! What better way to give back to our armed forces than by going on a date with a Marine? Mila Kunis and Justin Timberlake are doing just that, reports UsMagazine.com.

Kunis, 27, was invited by Sgt. Scott Moore to the Marine Corps Ball in Greenville, NC and Timberlake, 30, was invited by Corporal Kelsey De Santis to the Marine Corps Ball right outside of Washington D.C. The two are both planning to attend the November balls with their dates. Timberlake said he wasn't doing it as a favor, but because, "I don't ever get asked out ever! So I was very flattered by that."

How do you let someone you're not interested in down gently?

Cupid's Advice:

While Justin Timberlake and Mila Kunis were happy to accept their invitations to the Marine Corps balls, sometimes you're just not interested. Cupid has some tips on how to let someone down gently:

1. Make excuses: It may not be the most moral thing to do, but telling a little white lie makes things a lot easier. If someone asks you out and you say you already have a boyfriend or girlfriend, they won't get hurt by your rejection.

2. It's not you, it's me: Instead of saying "I don't like you," just say you're not looking to date right now. This takes the focus away from the person asking you out and puts the blame on you.

3. Honesty is the best policy: If you want to be honest, just admit you're not interested. Tell him or her it's not personal, and most people will get the hint and leave you alone.

How Social Media Changed Mila Kunis' Dating Life

By [Imani Brammer](#)

Surrounded by dust tracks and equipped with camouflage and war gear in the middle of Afghanistan, there is a Mila Kunis fan.

This Kunis fan likes Mila so much, that he set aside time from his Marine Corps schedule to make a [video](#) asking Kunis to the Marine Corps Ball, November 18, in Greenville North Carolina. This fan goes by the name of Scott Moore ... and that's Sergeant Scott Moore to us.

It turns out that the *Friends With Benefits* star had no idea what was going on until the topic was introduced to her during an interview with [Fox](#). When Fox broke the news to her, though she was shocked, she automatically said “yes,” after a bit of persuasion from her co-star, Justin Timberlake.

“Do it for your country,” said Timberlake.

“I’ll do it for *you*,” Kunis said into the camera, speaking to Moore.

Let’s face it – Moore has guts, not only when it comes to fighting for his country, but also when it comes to putting

himself out there for love. What he did was such a sensation that his video can now be viewed on the Internet, from anywhere in the world. If it weren't for his public invitation, the news would have never landed in Kunis' ears. Social media has officially changed his dating life.

Fortunately, Moore's image will be altered for the better too. But social media isn't always healthy for your dating life. It can make, break, destroy and rebuild. Though a cliché, this remains true. Here are five ways the media can change a dating relationship:

1. Over the river and through the woods are rumors and rumors galore: Gossip has a bad effect on a relationship. However, it can be difficult to ignore when it's so easy to locate via social media vehicles. The worst thing you can do is allow it to take over your life.

2. How about some privacy, eh?: No. No, no, no. With media in your life, there is no privacy...unless you're really, really good at being secretive. If you want some intimacy in your relationship, don't post conversations on Twitter or your Facebook wall.

3. Live up to what he/she expects: People try the best to live up to what the public expects of them. Social media can lead to pressure to portray yourselves as a "perfect couple." The fact is, there's no such thing. Let go of expectations as much as you can, and live in the present.

4. Lasting impression: Social media can leave a lasting impression on your love life. You never want to regret the memories you've had, but if all of it revolved around false rumors on Twitter and drunken tagged pictures on Facebook, it can be hard to look back positively on your relationship.

5. Growth: Then again, there's always a bright side to it all. Social media makes it so much easier to stay in touch or check-out a potential partner. Of course, you can't rely

solely on the new technology but it is a good method of finding out information about someone you're interested in dating.
