Dr. Philip Trigiani was a sponsor of the event. He practices acupuncture & massage in Manhattan and is reported to be aiding "Big Ang" throughout her medical & health journey. Imagine a bowl full of sardines, all trying to swim to the top, or in this case, a bar of *Mob Wives* fanatics swarming to catch a glimpse of Big Ang. Once she came out, there was no chance of moving anywhere. It's a miracle no one was hurt. In fact, Dr. Phil even had to stop and give a massage (we have a picture of it) to the night's main event organizer, who did a great job in the beginning but after a while the scene was just out of control.
