If your partner has been married before, what are some things of which to be cautious?

Cupid’s Advice:

Having been married and divorced once before isn’t necessarily

a bad thing, but there are certain things you need to consider before entering into a marriage with someone who has experienced a union like this before. Cupid has some advice:

1. Being hasty: If your partner seems in a rush to tie the knot, you may want to put on the brakes for a while and take things slowly. You need to make sure the marriage is going to last before you jump into it.

2. Commitment: Make sure your significant other is completely committed and ready to be in a marriage for the long haul. Let him or her know that divorce is not an easy out in your view.

3. Prior obligations: Be aware of the obligations your potential new spouse has to his or her former partner. If they had kids, then they may have financial responsibilities. Get the facts before you tie the knot.

Paul McCartney to Marry In Small Intimate Wedding This Weekend

Intimacy with a dash of elegance is the feel for Paul McCartney's upcoming nuptials to fiancée Nancy Shevell. The wedding, taking place this weekend at McCartney's farmhouse in England is the first of two celebrations the couple has planned. A source tells UsMagazine.com, "It will be a small intimate wedding. It's going to be very elegant and classic." With an engagement ring worth \$650,000, it's no surprise that the pair's up close and personal ceremony will be nothing short of sophistication. Hopefully McCartney's third marriage holds, as he's dealt with the death of one spouse and an extremely public divorce with the other.

Is a small intimate wedding for you?

Cupid's Advice

Small-scale weddings are a unique spin on the traditional large wedding route that many couples take. If you're still unsure which size is best for you, here are a few incentives to having an intimate wedding:

- 1. Intimate feel:** Small celebrations provide a romantic and relaxed atmosphere for the bride, groom and their guests.
- 2. Smaller budget:** With less of the obvious glamour of an

over-the-top wedding, petite weddings give your pockets a little more breathing room.

3. Lavish honeymoon: With the money you saved by having a more intimate ceremony, you can take a longer or more upscale honeymoon with your spouse.
