In celebrity couple news, Megan Fox has moved on from Brian Austin Green with Machine Gun Kelly. What are some ways to keep hurting your ex to a minimum when you move on with someone new?

Cupid's Advice:

Once you break up with someone, it can take your ex a little bit longer to get over the relationship than it did for you. If you've moved on with someone else after a break-up, but you don't want to hurt your ex, Cupid has some advice for you:

1. Just tell them: Although this may seem like a hurtful tactic, letting your ex know before they find out from social

media or a mutual friend is going to work out in their favor. This way they have time to adjust to your new relationship and when someone else brings it up to them, they won't be surprised at all.

2. Don't be spiteful: Your ex may still be going through a rough time getting over you while you're in this new relationship, so don't do or say anything that you know would make them upset. Even though you may not be doing anything intentionally to hurt your ex, you could still be hurting them. Take a broader scope to all of your actions and do your best to be considerate of their feelings.

New Celebrity Couple Shawn Mendes & Camila Cabello Kiss

in Miami

By [Katie Sotack](#)

It looks like love is on the horizon for major PDA participants and new [celebrity couple](#), Camila Cabello and Shawn Mendes. According to *UsMagazine.com*, the two were spotted locking lips on the beach in Cabello's hometown, Miami. The "Senorita" singers have been rumored to be dating since early July, though Mendes feverishly denied the rumor. The pair have been good friends since their 2015 duet, "I Know What You Did Last Summer," and are still publicly stating such friendship after their respective breakups with model, Hailey Bieber and relationship expert, Matthew Hussey. However, since the denial, the two have been seen at numerous dinners and concerts, cuddled up to each other. Could a relationship announcement be next?

In [celebrity couple news](#), Shawn and Camila got hot and heavy in a pool in Miami. What are some ways to show your affection for your partner in public?

Cupid's Advice:

Whether you take it nice and slow or get hot and heavy, on occasion we all get swept up in PDA. There's a style for all of us, be it hand holding to a hardcore make-out session. These are the ways to declare your partner yours in public:

1. Cuddle up: In order to bring in new customer, movie

theaters have brought the experiences of home to movie goers. This comes with nifty new reclining seats whose arm rests lift up. This gives you free rein to enjoy snuggling up to your partner while watching the newest flick. Plus the dark area of a movie theater will have your PDA flying total under the radar. Of course, if your more brazen you can take a tip out of Camila and Shawn's playbook and cuddled up while sharing food at a restaurant.

2. Hand holding: Vastly underrated and criticized for the potential of sweating palms, holding hand is the perfect amount of PDA. The tiny physical intimacy says to the world that you're in love, but your still your own person. It does so by connecting the partners, but not cutting them off from their surroundings like kissing would. Out of all forms of PDA, it's also the most likely to be tolerated by those around who are not very much in love with public affection.

3. Forehead kissing: This simple intimacy is easy to get away with in public. Soft lips on the forehead is very much an act of care which won't produce an eye roll. It's also a gentle reminder to your partner that you're there for them whenever they need you. Pair with cuddling or holding hand as aforementioned will add a new layer to PDA which is still publicly acceptable.

There may be a new celebrity couple in the works! What are some ways a one night fling can turn into a long-term relationship?

Cupid’s Advice:

The number of people you know who ended up engaged because of a one night stand might be a very low number, but that doesn't mean a hook-up can't turn into a relationship! Here are some ways to turn your one night fling into an every night fling:

1. All about the follow up: Make sure you've got a name and a phone number, and once you, do don't be afraid to use it. Wait a day or two, then text or call your one-night-boo. Let her or he know you had a good time, and make plans to meet up again. If you don't contact your hook-up, there is no way a relationship will form between the two of you.

2. Make your intentions clear: Ideally this would have been done before the one-night festivities began, but it's never too late to define the hook-up. Let the person know that you may be looking for something long-term. Who knows? Maybe they are, too.

3. Play it cool: If you put yourself out there and the person you hooked up with isn't responding at all, drop it. Coming on too strong after a one night fling could freak the other person out. Give them some time before you get angry.
