Sims certainly knows a thing or two about making a transformation – whether it’s with her hair color or her career. “My parents really taught me that I could be whoever I wanted to be,” she shares in our celebrity video interview. It’s important to have a positive attitude about change too: “Everyone gets stuck in a rut. You kind of just have to dig your way out.”

Of course, we had to ask the style icon about her best fashion and dating advice. She encourages women to keep it simple: “You feeling good in whatever you wear is the number one most important thing.” She recommends a leather jacket, tank, and great jeans with a pair of boots for your next date night.
