Celebrity Couple Predictions: Pauly D, Leonardo DiCaprio and Chloe Grace Moretz

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention, two of which are celebrity relationships that have been in the works for some time now, such as with Pauly D and Aubrey O'Day and Chloe Grace Moretz and Brooklyn Beckham. But one of the newest Hollywood couples is Leonardo Dicaprio and Nina Agdal. Who's stepping out in Hollywood this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Pauly D and Aubrey O'Day: Pauly D and Aubrey O'Day are definitely an interesting pair. It's a rollercoaster kind of love. The latest celebrity news is that Pauly is abstaining

from sex with O'Day to slow things down. At this point, it might be a very good move so they can figure out where their relationship is going. This famous couple works because they are both a hot mess when it comes to relationships. Either they will continue to break up and get back together or they will have a secret wedding then divorce quickly. Eventually, O'Day will decide that she can do better because she can. Pauly can't give her the kind of love that she craves. Let's just say, it's a learning experience for both of them. The best partner option for O'Day is actually an older gentleman who is stable with a nice bank account. I ain't sayin' she's a gold digger, but she likes to be pampered. What lady doesn't?

Leonardo Dicaprio and Nina Agdal: It's no surprise that Dicaprio has found another model to cozy up to. This time, it's *Sports Illustrated* model, Nina Agdal. They have recently been spotted frolicking around Greece together. Right now it's looking like a regular Leo, love 'em and leave 'em relationship. In several photos, he already looks bored with Agdal. She is beautiful and all, but don't expect to see Agdal at many events with Leo. Basically, the best thing about their relationship for her is more attention for her career. She should bask in the photo opportunities and trips while she can. Unless she has some tricks up her sleeve, their celebrity relationship will be a short one. Dicaprio likes his freedom which is why he continues to select the women that he does. When he does find his match, he is going to pull a George Clooney move by putting a ring on it quickly and walking down the aisle.

Chloe Grace Moretz and Brooklyn Beckham: Slowly but surely Moretz and Beckham are becoming the cutest Hollywood couple.

They have been dating since May of this year and Moretz's mom has posted on social media that she approves of their relationship. Moretz recently spoke at the Democratic National Convention, while Beckham made the smooth boyfriend move of showing up as a surprise. Then Beckham's mom, Victoria Beckham, praised the speech on Instagram! It looks like a major love-fest is going on. Beckham is clearly smitten. He is consistently declaring this love and support for Moretz on social media. If they weren't so young, I would say to be on the lookout for wedding invitations. It's nice to see young love without the drama. They compliment each other in the best possible way. I can see them walking down the aisle in the future.

What are some ways to cope with an abrupt breakup?

Cupid's Advice:

Sometimes breakups happen quickly, and there's nothing you can do about it. Cupid has some advice on how to deal:

1. Spend time with friends: After you go through a breakup, it's a good idea to spend some time catching up with your loved ones. They'll be there to lend you a shoulder to cry on and they won't pass any judgment on you.

2. Keep busy: One of the best things you can do after a sudden breakup is keep yourself distracted. Continue to carry on with your daily routine as you normally would do. Hang out with your family and friends. Take up a few new hobbies. Over time, you won't need as many distractions, but for now, it'll help with the pain you might be feeling.

3. Pamper yourself: Take yourself out on a "me" day. Get a makeover or spend the day relaxing at a spa. Don't just spend your time pondering on what could have been. You're single now, so that means you need to be the best "you" you can be for the next cute girl/guy who catches your eye.

Celebrity Couple: Adam Levine Dating Nina Agdal Go Public With Their Relationship

By Petra Halbur

Adam Levine and his new girlfriend, Nina Agdal, were spotted together in Los Cabos, Mexico on June 22. The two were seen playing with a volleyball and enjoying the summer sun. An insider told UsMagazine.com that the *Maroon 5* frontman is “having fun” with the *Sports Illustrated* model but that their relationship is “still new.” That’s not to say that Levine is against the possibility of marriage, though. In an interview on *Oprah’s Next Chapter* from June 5, Levine insisted that, “I’m a fan of marriage. People think that I keep pooh-poohing marriage, but I love it. I want to probably be married at some point.”

What are some ways to announce your relationship to family and friends?

Cupid’s Advice:

Introducing your new girlfriend or boyfriend to the people in your life can be intimidating. Cupid has some ideas:

1. Show your partner off: Invite your friends to meet your new

beau somewhere where his or her talent's really shine. For example, if your new partner is bilingual, you might consider inviting your friends to a restaurant where your partner can show off his or her linguistic skills by ordering in another language.

2. Avoid dinners: Advice #1 set aside, if you are particularly nervous about what your friends might think, it might be best not to stage the introduction at a meal. While it is the traditional setting for such get-togethers, eating is a stationary activity and so there is little to distract you from awkward pauses and failed attempts at humor if your friends don't take to your partner right away.

3. Skype: If distance or hectic schedules separate you from friends and family, go ahead and announce your relationship via Skype. It's far more intimate than a phone call or Facebook because it offers your friends and family to opportunity to both see and talk to your new partner.

Celebrity Couple: Adam Levine Dating Nina Agdal After Behati Prinsloo Split

By April Littleton

According to comments made to UsMagazine.com by multiple insiders, the Maroon 5 singer Adam Levine has been dating *Sports Illustrated* supermodel Nina Agdal since early spring. Levine was recently linked to Victoria's Secret Angel Behati Prinsloo, whom he began dating in May 2012. A source close to Levine said, "Behati was in and out, but they finally ended it. It wasn't an abrupt ending." Levine has yet to comment publicly on their split.

When is it the right time to start dating someone new after a recent breakup?

Cupid's Advice:

Getting over a breakup can be rough, especially when you're faced with the option of getting back in the dating pool. People move on at different speeds. Some can get back in the game in a matter of weeks, while others take months to fully feel OK with the idea of giving their heart away again. Ultimately, if and when you decide to date again is entirely

up to you. To help make the decision a little easier, Cupid has some tips:

1. Mentally ready: Have you played around with the idea of moving on? If it hasn't even crossed your mind yet, then it's not the right time to let someone into your life. Don't rush yourself into dating someone new when your head is still filled with memories of your ex. Getting into a relationship you're not ready for will just make matters worse for you and your potential beau.

2. Emotionally ready: Have you stopped doodling your ex's name all over your notebook? If you have, it's safe to say you're ready to open yourself up to new love and possibilities. Do you still get emotional every time you hear "your song" on the radio? If you still tear up when that song plays and every little thing reminds you of your former boo, you still need time to heal.

3. You've met someone: If you have already met someone who completely takes your mind off of your former flame, this may be a small sign that you are ready to start dating again. If you find yourself thinking more about the new guy than your ex, you might want to consider taking things to the next level.
