Exes Kate Hudson and Owen Wilson Have Surprise Reunion at Oscars Bash

Kate Hudson and Owen Wilson prove that exes can be friends after a breakup. The former couple who dated from 2006-2007 after working together on the set of *You, Me and Dupree*, had a surprise reunion at the *Vanity Fair* Oscar party on Sunday. A partygoer told UsMagazine.com that the two “totally had a moment” as they “hugged and kissed each other on both cheeks.” The source also revealed that the two stars talked about their kids and how old they are now (Hudson welcomed son Bingham in July 2011 with fiancé Matt Bellamy and Wilson

and Jade Duell welcomed son Robert Ford in January 2011; Hudson also has son Ryder, 8, with ex-husband and Black Crowes front man Chris Robinson). “They pulled out their phones to show each other pictures,” the partygoer said. “They both oohed and ahed over them.”

What are some ways to become friends with your ex after a split?

Cupid's Advice:

So you and your ex didn't make it to the altar like you thought would, but that doesn't mean the two of you still can't be friends. Don't know how to get over the awkwardness ? Cupid has some tips:

1. Give yourself some time: You may not be ready to immediately come face-to-face after your relationship ends, which is understandable. Allow yourself time to heal after splitting, especially if it ended on bad terms.

2. Get over the grudge: The breakup might not have ended so well, but if it's been years since then, you shouldn't hold onto a grudge forever. Sometimes, not holding a grudge with your former flame can be what you need to move on to the next best thing.

3. Be friendly: If you have the same friends, you might run into each other often. When this happens, smile and make small talk. This may not reignite the spark in your old relationship, but it may lead into becoming friends again.

Hall Pass with Owen Wilson, Jason Sudeikis, Jenna Fischer and Christina Applegate

Two married men (Owen Wilson and Jason Sudeikis) are given free week passes by their wives to do whatever their hearts desire with other women. The dream come true quickly turns into a nightmare when their wives (Jenna Fischer and Christina Applegate) start abiding by the rules of the *Hall Pass* as well. It doesn't take them long to discover that this agreement was more imperfect than ingenious as they realize that their marriages are put to the ultimate test.

Is it ever healthy to practice an open marriage?

Cupid's Advice:

Having consent to see other people while you're married doesn't necessarily mean there aren't going to be any problems. Cupid had some things to consider:

1. Jealousy: Whether they admit it or not, some people get jealous in a relationship when their partner is even so much as talking to the opposite sex, let alone sleeping with them.

If you and your mate are considering having an open agreement, make absolutely sure that your consent isn't halfhearted or the jealousy won't eat at you (and your marriage).

2. Attachment: When you spend time with someone that makes you happy, there's a good chance you'll want to keep them around. Therefore, if you or your partner are having an affair with someone refreshing and new, you may just find yourself too attached to say goodbye. In fact, you might have to say farewell to your marriage instead.

3. Children: Even if you and your partner don't have kids of your own, you probably have younger siblings, neices or nephews closely watching your choices. Being intimate with someone other than your spouse might confuse those looking to you for a role model.

How do you know when you're in love?

Cupid's Advice:

It's touch to know when lust turns to love. Here are a few tell-tale signs:

Kate Hudson Muses About New Beau

Kate Hudson has finally broken the silence about her new boyfriend, Muse singer Matt Bellamy. Hudson calls Bellamy, “lovely” in the new issue of [Elle UK](#). She says, “Matt and I are just learning about each other and it’s wonderful.” Hudson has a long history of heartache, including ex-husband Chris Robinson and former flames Alex Rodriguez, Owen Wilson and Lance Armstrong. But Hudson hasn’t let her romantic past cloud her future. [Us Weekly](#) reports that although she’s not looking to marry again, she is still open to a new relationship. “I think a lot of times people are terrified of love and stop themselves from experiencing it. I don’t ever want to get that jaded. I do believe in love.” **How do you avoid being jaded by past relationships?**

Cupid’s Advice:

It’s easy to feel like giving up and turning into a reclusive cat lady when you look back on your history of failed affairs. Cupid has some ideas about how to stay open to new relationships:

1. Gain perspective: Don’t assume that just because your

relationship's ended, you failed. Remember that every partner teaches you something about yourself and what you want, so that next time, maybe you *can* make it work.

2. Don't let your past dictate your future: Just because your past boyfriends were jerks, doesn't mean the next one will be. It's up to you to make sure history doesn't repeat itself.

3. Be optimistic: Kate had every reason to give up on finding the right man. But by staying open-minded and never losing her faith in love, she eventually found someone "lovely."
