

Celebrity Couple Predictions: Angelina Jolie, Sharon Osbourne and Tori Spelling

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention, one of which is a high profile split that no one saw coming between Angelina Jolie and Brad Pitt; while two other long term marriages are fighting to survive after celebrity cheating scandals (Sharon and Ozzy Osbourne, and Tori Spelling and Dean McDermott). But who's stepping out this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Angelina Jolie and Brad Pitt: When it was announced that Angelina Jolie had filed to divorce Brad Pitt, gasps were heard around the world. The fairytale was officially over. But was their relationship really as wonderful as everyone thought it was? While most people were surprised that their marriage is ending, I was surprised that it's lasted as long as it did. There were clues that their marriage wasn't filled with unicorns and rainbows. Anytime a couple gets married due to pressure from their children, it isn't a good sign. This relationship should have ended a long time ago. Jolie is so ready to move on. Their pack of kids can beg and plead for her to go back to Pitt, but it's a wrap. Rumor has it that she has

already moved into a private residence in Los Angeles that cost \$30,000 per month! It's time for both of them to move on. While Pitt is a bit devastated now, he will see that this is for the best. Don't be surprised if Angelina's next lover is a woman. Brad will be fine, women are already getting information to swoop down and grab him. My relationship advice to him is to stop picking high maintenance women.

Sharon and Ozzy Osbourne: Look's like Sharon and Ozzy Osbourne are having a real lovefest after Ozzy's alleged affair with a celebrity hairstylist earlier this year. He recently surprised Sharon by showing up on *The Talk* and giving her a diamond ring for her birthday. Ever notice how men like to make things better with diamonds? There are those who feel like their happiness is staged. Maybe it is, but then again what hasn't their relationship been through at this point? I don't see anything that will actually cause this celebrity couple to break up for good. Their marriage has been a bit of a rollercoaster since day one. Sharon is a ride or die when it comes to Ozzy. They will continue on with their sweet gestures in the press. It is what it is. They are basically a famous couple that at the end of the day is just like everybody else.

Tori Spelling and Dean McDermott: Remember all the drama that Spelling went through with her husband McDermott. It looked like their marriage was going to end, but Spelling took one for the team and stuck with it. The couple recently announced that their fifth child is on the way. There is still conflict in their relationship that stems back to the Dean's 2-day affair when he was working in Canada. Let's not forget that Tori actually got together with Dean because they had an affair while filming a Lifetime movie. McDermott also recently

proposed again to Spelling right before their tenth anniversary with their kids in attendance. That's all good, but I say this marriage is still a hot mess. Spelling can do so much better than him. When will she see the light? With baby number five on the way, she may never leave. Being a single mother with five kids doesn't sound so sexy when it comes to dating. McDermott is sneaky and it looks like he just may bring more heartbreak to Spelling; that may be just the thing that she needs to let him go and find love with another. Let's just say that he is the lucky one in the relationship.

Celebrity News: Find Out Why Sharon Osbourne Took Ozzy Back

 By [Mallory McDonald](#)

In recent [celebrity news](#), Sharon Osbourne decided to fix her [celebrity marriage](#) to Ozzy Osbourne. Some people may question her decision to get back together with Ozzy after his cheating scandal. However, according to [EOnline.com](#), she “adores” Ozzy after their brief split and says, “I’m in a really good place.” She has been with Ozzy for decades, and despite the downfalls in their relationship, she has decided to not let things faze her as much. Sharon shared, “I am trying to learn—I try to not let things faze me. Before I was like [she makes a loud roar], ‘How dare they this and how dare they that.’”

In celebrity news, a cheating scandal almost broke up Sharon and Ozzy. What are some ways to determine whether you should get back together with a cheating ex?

Cupid's Advice:

Cheating can be a devastating blow to a relationship and, for many, the relationship ends because of it. Cupid is here to help determine whether you should stay or go:

1. Family: One of the biggest things to motivate working out a cheating incident in your relationship is when you have a family with that person. There are other people involved, and sometimes trying to work on the issues that led them to cheat can fix the relationship. However, if you think it cannot be resolved and will hinder the family more if you stay, then it may be time to walk away.

2. History: History with a person can be a common reason to stay despite infidelity. But that isn't necessarily the right reason to stay. Determining whether or not to stay can only be determined when the relationship's issues are addressed and worked on.

3. Repeat offense: If it is a one-time incident and the trust has not been completely broken, then it may be worth it to stay and save the relationship. However, if it has become a reoccurring event, it is time to realize that unless you walk

away, it is going to keep happening.

5 Celebrity Couples That Fight Dirty

By [Whitney Johnson](#)

It's no secret that mean words and angry actions can be detrimental to a relationship. Still, it's easy to get caught up in the moment and say or do something you don't mean. Even celebrities are guilty of this inappropriate behavior – and unfortunately, their arguments are often caught by paparazzi and splashed on tabloid covers for all the world to see. In order to learn from their mistakes, here are five celebrity couples that fight dirty:

1. Emma Roberts and Evan Peters: This past summer, the 22-year-old *American Horror Story* actress and her boyfriend were caught in a violent fight that led to Roberts being booked in a Montreal jail. When the cops arrived at the scene, Peters was found with a bloody nose and a bite mark. Fortunately, no charges were pressed, and the couple remains happily in love.

2. Mary Delgado and Byron Velvick: Season 6 *Bachelor* Velvick was engaged to the show's winner for five years before they finally split in 2009. The couple first showed signs of

trouble when Delgado was arrested for assaulting her fiancé in 2007. According to the police report, she was under the influence of alcohol when she punched Velvick in the mouth.

3. Rihanna and Chris Brown: It was hard to miss that infamous picture of Rihanna after an argument with Brown escalated and he repeatedly attacked her following a pre-Grammy party in 2009. Still, the couple reunited and has since been in an on-again, off-again relationship. The pop star most recently referred to the incident as “the biggest wake-up call.”

4. Kourtney Kardashian and Scott Disick: You can still fight dirty *without* being physically violent, and this reality star couple is proof of that. Thanks to E!’s popular show *Keeping Up With the Kardashians*, they have to relive their many arguments and sometimes work through the issue more than once – even months after the initial disagreement occurred. Even so, Disick recently told Ryan Seacrest that the couple is “decently happy.”

5. Sharon and Ozzy Osbourne: Early in their marriage, during Ozzy’s drug- and alcohol-filled days, the rocker reportedly beat his wife, even trying to strangle her once. Somehow, though, they worked through their issues and have been married for over 30 years, briefly separating earlier this year.

How do you help your partner through breaking an addiction?

Cupid's Advice:

It's never easy when your partner is battling an addiction, let alone trying to break their bad habit. It's essential for you to be in their lives as much as possible and guide them on their way to sobriety. There are numerous ways to help your significant other in this fight. Below, Cupid offers three ways that you can be a positive influence:

1. Support Them: It is necessary to provide your mate with as much support as physically possible. You're one of the few people who know your partner best. This being said, you know how their mind works and what they need to hear in order to keep themselves in check. To help them, be by their side through every meeting, appointment and session. It will not only help their recovery stay on track; it will also show them just how much you care.

2. Get Help: Even though you may think you're capable of breaking your beau's addiction on your own, you're not. Your partner needs professional help. Make sure you can afford it; make sure that it's nearby; and make sure it's with someone you can trust. Most of all, make sure that your partner is willing to go. It's essential for your mate to be open-minded and willing to truly try.

3. Show Love: Your partner is going through one of the hardest times in their life. Every chance you get, remind them how much you love them. Buy them small gifts and do special things to brighten their day. Love will make the process easier for them. Remember that love makes the world go around and start spreading it!

Celebrity News: Celebrities In Trouble with the IRS

By [Whitney Baker Johnson](#)

Everybody dreads tax season – and celebrities are no different. Sure, it's a huge pain to gather all of your receipts and organize your files, but it's even worse if you owe money to Uncle Sam. Of course, you can always ignore that looming deadline and file late, although some people take this extension for granted. Many folks – famous or not – try to avoid payment for years, resulting in millions of dollars owed. Let's take a look at a few celebrities who have gotten in trouble with the government.

1. Nicolas Cage: It's no secret that Cage makes a lot of moola. It's estimated that the movie star brought in over 40 million dollars in 2009 alone. Still, he managed to blow every penny – and then some. By 2010, he owed the IRS around 14 million dollars. At the time, he owned 15 houses, four yachts and a Gulfstream jet. Ultimately, the bank repossessed his home in Bel Air, and the Internal Revenue Service (IRS) auctioned off a few more. He's now living a modest life in Las Vegas and still paying off his debt. Lesson learned!

2. Ozzy and Sharon Osbourne: In 2011, it was reported that this Tinseltown twosome owed more than 1.7 million dollars in back taxes. Fortunately, the couple acted immediately and paid off their debt only a few days later. Sharon even released a

statement saying that she hoped “none of this reflected negatively” on their moral character. Good for them!

3. Wesley Snipes: Poor guy ended up in jail for his tax debt! He received a three-year sentence for tax evasion and owed over two million dollars to the IRS. Unlucky for him, he spent his 50th birthday in a minimum security Pennsylvania prison last August.

4. Lindsay Lohan: This girl just can't stay out of the tabloids. In December 2012, it was reported that Lohan's bank accounts were frozen until she paid off her debt of over 230 thousand dollars. Allegedly, she owes taxes from as far back as 2009. Given that she's already facing court cases on both coasts, let's hope she gets this situation taken care of before she ends up in any more trouble.

5. Pamela Anderson: This beach babe knows what it's like to be on bad terms with the IRS too. With a tax bill of over 450 thousand dollars, she joined the cast of *Dancing with the Stars* during its tenth season, hoping to make some extra money. Unlike other celebrities, she was open about her problems, working hard to pay off her debt.

Top Five Celebrity Couples Who Have Made Love Last

 By Tammy Warner

It sometimes seems like every married couple in Hollywood is filing for a separation, an annulment or a divorce within a few months of their wedding day. There are a few celebrity

marriages, however, that have managed to last despite the unique challenges that fame can present. Here are some couples who have defied the odds:

Related: [What Can We Learn From Celebrity Divorces?](#)

1. Sharon and Ozzy Osbourne: Perhaps the most unique couple on this list are Sharon and Ozzy Osbourne, who have been married since 1982. The Osbournes say that their relationship is stronger now than ever. Their marriage has definitely faced obstacles, but the two have beaten a hectic touring schedule and even a drug addiction. The pair have stood by each other through many life events, even working together on projects, and their 30th anniversary is this year.

2. John Travolta and Kelly Preston: *John Travolta* and Kelly Preston were friends for several years before dating, but once they were both finally single, Cupid's arrow struck. The duo were married in a quick ceremony in Paris, France, in 1991. Their relationship has overcome allegations of infidelity—an unfortunately common problem for many celebrity couples—and the loss of their son. However, the two are still going strong.

3. Tom Hanks and Rita Wilson: Tom Hanks and Rita Wilson met in 1981, but romance didn't blossom until 1985. The couple recently celebrated their 24th wedding anniversary, and both claim that they continue to fall more and more in love with each other. When most other celebrity marriages seem to be falling apart, Hanks and Wilson's is a glowing exception.

4. Jon Bon Jovi and Dorothea Hurley: Like the Osbournes, Jon Bon Jovi and Dorothea Hurley have dealt with difficult touring schedules, drug abuse and infidelity throughout their long marriage. Despite the presence of these major issues, the couple always works through them. Bon Jovi still states publicly that Hurley "is the best ever."

5. Will Smith and Jada Pinkett Smith: Even though rumors have claimed that the marriage between Will Smith and Jada Pinkett Smith is over, both of them state that nothing could be further from the truth. Married in 1997, they are happily raising two children who appear to be following in their parents' famous footsteps. They state that the reason they have made it in Hollywood is because they "continue to grow together," and they will celebrate their 15th wedding anniversary this year.

These five couples aren't the only celebrities who have managed to make their relationships succeed, but they are some of the brightest glowing examples. As they show, whether you are a celebrity or not, relationships can last with enough work, patience and determination.

Jack Osbourne Announces Engagement and Soon-to-Be Fatherhood

 Newly engaged Jack Osbourne, son of Ozzy and Sharon Osbourne, is about to be a father. Osbourne shared the news less than two weeks after he confirmed his engagement to actress Lisa Stelly, reports [People](#). "I'm excited," said

Osbourne on *Piers Morgan Tonight*. "I'm a little nervous."

How do you balance an impending marriage and soon-to-be parenthood?

Cupid's Advice:

Though both wedding planning and pregnancy are exhausting, it is possible to balance both. Here are a few suggestions:

1. Enlist help: Planning a wedding is difficult even for people who aren't pregnant. If a wedding planner is outside the budget, rely on your bridesmaids or phone a close friend for some extra help.

2. Remember your schedule: If you're planning on getting married while pregnant, make sure to keep your biological calendar in mind. For example, don't buy a wedding dress that will soon be too small.

3. Take it one step at a time: If planning the wedding is too stressful or if you're having a rough pregnancy, it's okay to put the wedding on hold. Extend your engagement and wait for a time when you're feeling up to the task.
