By

[Jessica Gomez](#)

In [celebrity news](#), Bella Thorne and Patrick Schwarzenegger shared their thoughts on what makes and breaks a relationship, and it's good advice! Thorne and Schwarzenegger, who star in *Midnight Sun* which premiered on Friday, opened up about how their first crushes were the ones that taught them about their relationship wants and deal breakers. According to [UsMagazine.com](#), Thorne said: "If you're dating someone that's not going to motivate you or encourage you, don't date them. You should straight up just be out of the relationship right

then and there. I dated somebody and sent him a song that I recorded and he was like, 'This is honestly not very good at all. I'm sorry. I kind of hate this song. You sound awful.' I was like, 'That feels like s-t. That hurts on the inside, man.' "It's the worst thing when you're dating somebody who is just like, 'You're sh-t.'" Schwarzenegger agrees. "I think that having a significant other is meant to make you a better person and bring out the best in you and you bring out the best in them, he explains. "It's about surrounding yourself with people that root for you and expect more from you. I think those are the types of people you want to surround yourself with." Yep, that is good [love advice](#)!

In celebrity news, 'Midnight Sun' actors Bella and Patrick talk things that make or break relationships. What are three things that can be considered a relationship deal breaker?

Cupid's Advice:

Many things can break a relationship, here are three we think are on the top of the list:

1. Cheating: Infidelity is a big one. It is a big betrayal, and it is deceitful as well. It ruins trusts, too. However, some couples are able to work through an indiscretion like cheating – but then again, many others can't. Cheating is a big deal breaker that many of us choose to not deal with.

2. Lack of trust: Cheating is not the only thing that can break trust. And sometimes, trust is just not there from the beginning either. In any relationship, it is important to have trust, if there isn't any you're headed for an extremely rocky road. Do yourself a favor, and work on this big issue before it gets worse, because it can definitely be a deal breaker.

3. No common ground: In a romantic relationship, you need to have things in common. No, you do not need to have everything or even most things in common, but you do need a base for the foundation you're building. It's okay to have differences, but after everything, you should have things in common to keep the relationship going. There isn't a choice for "inconsolable differences" on divorce papers for nothing!

Miley Cyrus Is 'Hanging Out' With Celebrity Ex Liam Hemsworth Post-Split from Patrick Schwarzenegger

By

Meranda Yslas

Love may be rekindling for this former [celebrity couple](#)! According to [UsMagazine.com](#), singer [Miley Cyrus](#) and her celebrity ex, Liam Hemsworth, have been hanging out in L.A. together. A source close to the *Hunger Games* star reveals that “dating could definitely happen.” Cyrus recently broke up with Patrick Schwarzenegger, who she had been dating for five months. The two went through a celebrity break-up after Schwarzenegger was caught flirting and doing body shots off another girl in Mexico.

It looks like these celebrity exes are amicable! What are some factors to consider before seeking comfort from your ex?

Cupid's Advice:

After experiencing a break-up, it can be hard trying to figure out where you stand with your ex. Are you two able to be friends again or has that relationship been deemed irreconcilable? Just like Cyrus has confided in her celebrity ex, here are a few tips to consider before reaching out to a past lover:

1. Possibility of platonic: Before you begin any type of relationship with your ex, you must be prepared for it to only amount to a friendship-nothing more. That way you won't get your hopes up if a romantic relationship isn't a possibility.

2. Time: Make sure enough time has past between the rekindling of the relationship and the break-up. If it was a particularly nasty break-up, more time is probably needed for wounds to heal.

3. Start off slow: Before you pick up or phone and give your former mate a call, understand that your relationship isn't going to be exactly the same as it was before. Start off the conversation casual and friendly to test the waters before diving into heavy or serious topics.

Single looks good on you Miley! According to [E! News](#), [Miley Cyrus](#) is moving on after [celebrity break-up](#) from Patrick Schwarzenegger. The singer was spotted hitting the gym sans shirt on Thursday morning. Wearing only black leggings, a sports bra and letterman jacket, you can't help but notice Cyrus' bod is looking fierce! The celebrity break-up came after a six month relationship and love life, which dissolved quickly after the pictures came out of Schwarzenegger with another girl on his college spring break.

Another celebrity break-up has gone down in the record books! What are some steps you can take to move on after a split?

Cupid's Advice:

Post break-up life can be hard to navigate. But never fear, Cupid has some tips on how you can move on just like Miley:

1. Distract yourself: Hit the gym like Miley or pick up a new and exciting hobby, like an outdoor sport (rollerblading) or something with your hands (knitting).

Celebrity Couple Predictions: Bobby Flay, Robert Pattinson and Miley Cyrus

By

[Shoshi](#)

The latest celebrity news has been filled with hot relationship gossip, including a celebrity marriage coming to an end, a famous couple finding true love, and a pop star who won't be settling down any time soon. Check out my predictions for the three [celebrity couples](#) below and find out what's next in their relationships and love lives!

Latest Celebrity News About Three Celebrity Couples

Bobby Flay and Stephanie March: It looks like the celebrity marriage of Chef Bobby Flay and actress Stephanie March is going up in flames. On television, Flay seems like a nice guy, especially when he's standing behind the grill wearing an

apron. On the flipside of that, I have only heard negative things about him that make him sound like a real douche (for lack of a better word). Therefore, some of the claims about him from March are no surprise. If memory serves me right, she left acting to help him with his restaurants.

A “close source” to him says he’s heartbroken about his celebrity divorce. When I look at this relationship and love, it looks like he can’t get out of it soon enough. Word on the street is that March is not happy with the prenup. Of course, she isn’t! When you’re in love, money doesn’t matter as much, but when the love is over, you want to take them for all that you can. That doesn’t make her a bad person; it makes her human. I see other female energy around Flay. I’m not saying he has a mistress, but maybe he put his utensils in someone else’s kitchen, if you know what I mean.

Robert Pattinson and FKA Twigs: Word on the streets is that singer FKA Twigs and actor [Robert Pattinson](#) are engaged. One thing’s for sure: Pattinson never looked so happy until this whirlwind celebrity romance. If you look back at some of his photos when he was with Kristen Stewart, he looked a bit miserable.

This famous couple is on a roll and won’t be slowing down anytime soon. They are both equally invested in their relationship and love, and I see them going to the chapel and getting married soon. Pattinson knew that she was The One immediately. When a man finds what he is looking for, he doesn’t waste time. They could tie the knot by the end of this year. There is also a bit of baby energy swirling around these two. Within the first year of their celebrity marriage, a little girl just might show up.

Miley Cyrus Will Not Announce Celebrity Engagement Anytime Soon

Miley Cyrus and Patrick Schwarzenegger: Where do I begin with this celebrity relationship? It seems like Patrick Schwarzenegger has been spending more time with his “friends” than with [Miley Cyrus](#). Does he only know women? I don’t see this relationship ever getting serious. If it does, Cyrus will always be questioning what he is doing with his so-called friends. It’s not that Schwarzenegger should stop having women friends, but does he have to *always* look so cuddly with all of them?

Schwarzenegger doesn’t seem to want to settle down at all, and Cyrus isn’t ready to be married with kids either. They have a relationship that is kind of like the ones you may have had in high school, where the loves lines are always kind of blurry.

For now, the two of them are getting what they need from each other: some fun and frolic. No need to wait for a celebrity engagement announcement from them. This will fizzle out sooner rather than later. The next guy Cyrus dates will be a long-term relationship. As for Schwarzenegger, until he falls in love, he will go through girlfriend after girlfriend.

Trust and honesty are both key elements in a successful relationship. Especially if you are like Schwarzenegger and Cyrus, traveling and working a lot. Cupid has some tips on how to deal with trust issues:

Celebrity love can get sticky when

the paparazzi capture infidelity. What are some signs that your partner is being unfaithful?

Cupid's Advice:

When it comes to infidelity there isn't always hard and fast evidence to back up the cheating. But Cupid wants you to be aware of the signs of a partner who might be looking elsewhere for love:

1. Random schedule changes: Is your partner coming home a lot later or leaving suddenly with vague explanations? This could be a sign that they are meeting someone else or up to something suspicious. Don't be afraid to have honest conversations if you are feeling confused by these changes, communication is key to trust.

2. Phone is on lock and key: Do you notice your partner being extra protective or secretive about their phone? This can be a big red flag. Affairs can be much harder to track with apps, messaging tools and numerous outlets for your partner to be in communication with someone else. Should you hack into your partner's phone...absolutely not, but be aware of any changes they make when it comes to their personal technologies.

3. Personality shift: Is your partner having intense mood swings or becoming cold and distant? Careful here, you might be looking at a cheater. They might be defensive or angry towards you for what seems like no reason, but the reality is that it is stemming from guilt and fear of you finding out.

Again you want to always be in direct communication with your partner about their feelings and your relationship. If you are suspicious, call your partner out!
