

Celebrity Couple Predictions: Pauly D, Leonardo Dicaprio and Chloe Grace Moretz

By [Shoshi](#)

In the latest celebrity news, three famous couples have caught the public's attention, two of which are celebrity relationships that have been in the works for some time now, such as with Pauly D and Aubrey O'Day and Chloe Grace Moretz and Brooklyn Beckham. But one of the newest Hollywood couples is Leonardo Dicaprio and Nina Agdal. Who's stepping out in Hollywood this time around hand in hand? Join me as I look into the crystal ball of relationships and love. Below, I share my predictions for these [celebrity couples](#).

Celebrity Couple Predictions: Celebrity Relationships That May or May Not Last

Pauly D and Aubrey O'Day: Pauly D and Aubrey O'Day are definitely an interesting pair. It's a rollercoaster kind of love. The latest celebrity news is that Pauly is abstaining from sex with O'Day to slow things down. At this point, it might be a very good move so they can figure out where their relationship is going. This famous couple works because they are both a hot mess when it comes to relationships. Either they will continue to break up and get back together or they will have a secret wedding then divorce quickly. Eventually, O'Day will decide that she can do better because she can. Pauly can't give her the kind of love that she craves. Let's just say, it's a learning experience for both of them. The best partner option for O'Day is actually an older gentleman who is stable with a nice bank account. I ain't sayin' she's a gold digger, but she likes to be pampered. What lady doesn't?

Leonardo Dicaprio and Nina Agdal: It's no surprise that Dicaprio has found another model to cozy up to. This time, it's *Sports Illustrated* model, Nina Agdal. They have recently been spotted frolicking around Greece together. Right now it's looking like a regular Leo, love 'em and leave 'em relationship. In several photos, he already looks bored with Agdal. She is beautiful and all, but don't expect to see Agdal at many events with Leo. Basically, the best thing about their relationship for her is more attention for her career. She should bask in the photo opportunities and trips while she can. Unless she has some tricks up her sleeve, their celebrity relationship will be a short one. Dicaprio likes his freedom

which is why he continues to select the women that he does. When he does find his match, he is going to pull a George Clooney move by putting a ring on it quickly and walking down the aisle.

Chloe Grace Moretz and Brooklyn Beckham: Slowly but surely Moretz and Beckham are becoming the cutest Hollywood couple. They have been dating since May of this year and Moretz's mom has posted on social media that she approves of their relationship. Moretz recently spoke at the Democratic National Convention, while Beckham made the smooth boyfriend move of showing up as a surprise. Then Beckham's mom, Victoria Beckham, praised the speech on Instagram! It looks like a major love-fest is going on. Beckham is clearly smitten. He is consistently declaring this love and support for Moretz on social media. If they weren't so young, I would say to be on the lookout for wedding invitations. It's nice to see young love without the drama. They compliment each other in the best possible way. I can see them walking down the aisle in the future.

'Jersey Shore' Star Pauly D Welcomes Baby Daughter with Ex

By

Kristyn Schwiep

'Jersey Shore' star Pauly D is now a father to a baby girl with an ex fling. The two hooked up in Las Vegas and according to [UsWeekly](#), the ex fling is living with their daughter in New Jersey. Pauly D told TMZ that he is a proud father and excited to start a new chapter of his life.

What are some ways to stay involved in your child's life after a breakup?

Cupid's Advice:

Breaking up is always a difficult time in any relationship, but breaking up when a child is involved is even tougher. So what are some ways that you can stay involved in your child's life after the break up? Cupid has some advice for you:

1. Call: If it's hard to see your child every day make sure you call or Skype with them as often as you can. Taking the time to talk to your child keeps you updated on what he or she is doing or how they are doing.

2. Take them out: Make time to spend time with your child. Make sure you take them out to dinner, the movies or the park so you get to spend some quality time with each other. It doesn't matter what you are doing as long as you are spending more than once a month with them.

3. Holidays: You and your ex should take turns spending time with your child on different holidays. One should get to spend Christmas with your child and the other gets to spend Thanksgiving together. You and your ex can plan a schedule of what holiday's you each get and try and switch off every year.

Chloe Sevigny Says She Isn't Dating Jersey Shore's Pauly D

After they were spotted sitting together courtside at a Knicks-Spurs game, rumors about actress Chloe Sevigny and *Jersey Shore*'s Paul "DJ Pauly D" DelVecchio were an item. When asked by *Interview* magazine about the possibility of dating Pauly D, the *Big Love* star called the idea "hilarious," reports *People*. Sevigny added, "That would be the weirdest couple in the world. It would be like the apocalypse. We represent extremes, in opposite directions. So for us two to come together, it would be a very strange meeting of the minds or colliding of two worlds."

Is it true that opposites attract?

Cupid's Advice:

"You say 'yes,' and I say 'no.' You say 'stop,' and I say, 'go, go, go!'" Can this complicated relationship (courtesy of the Beatles) really work? Cupid has some ideas:

1. People are complex: No two people are completely opposite (or completely alike). When opposites attract, it may just be two people who find that the few things they have in common are more important than their differences.

2. Scientists say no: According to a [2003 study](#) where researchers quizzed 978 heterosexual residents of Ithaca, New York, about what they look for in a partner, the results were clear: The majority look for mates who are similar to themselves.

3. Opposites attract, but do they stay together?: You may be attracted to someone who is different from you because they seem to fill a gap. But it's up to you to make the relationship last.
