Celebrity News: 10 Hot Latin Celebrities

B

y Jennifer Harrington

It's no secret that the influence of Latino celebrities is growing every day (Latino celebrities have 600 million followers on Facebook and Twitter!). And with a new South American pope in office, Cinco de Mayo quickly approaching,

and frequent news coverage of the growing Latino population in the United States, we figured it was a good time to look at the hottest Latino/Latina celebrities. Here's Cupid's opinion of who is sizzling!

Jennifer Lopez

Jennifer was born in New York City to Puerto Rican parents, and she's been a staple in the entertainment world for years – as a dancer, actress, entrepreneur, fashion designer, singer, and *American Idol* judge. When J-Lo joined *American Idol* as a judge, it was seen as an important move because the show is very popular with Hispanic audiences, and she brought a kinder, more positive attitude to the show. While she's moved on from the popular show, there's no question she will continue to remain a staple in pop culture.

Alex Rodriguez

Like Jennifer Lopez, Alex was born in New York City. He was raised in a Dominican family and currently plays baseball for his hometown team, the New York Yankees (although he grew up a Mets fan!). In addition to making plays on the baseball diamond, Alex has also been linked romantically to several major celebrities, including Kate Hudson, Cameron Diaz, and Madonna.

Eva Longoria

Eva is a Mexican-American, and best known for her roles on *The Young and the Restless* and *Desperate Housewives*. Her role as the saucy Gabrielle Solis on *Desperate Housewives* may have ended when the series wrapped last year, but Eva remains in the spotlight. Most notably, she was actively involved in President Barack Obama's re-election campaign in 2012, and she

even spoke at the Democratic National Convention!

Mario Lopez

Mario is a close friend of Eva's, and like Eva, he is of Mexican descent. Mario is best known for his role as A.C. Slater on *Saved by the Bell*, and in recent years, he's remained in the limelight with an appearance on *Dancing with the Stars* and as host of the daily entertainment program, *Extra*. Recently, it was announced that Mario's family with dancer Courtney Mazza is expanding; the couple is expecting their second child in the fall.

Sofia Vergara

Sofia is a Colombian-born actress, television hostess, and model – and if you watch television, it's hard to miss her. A star of ABC's hit TV show *Modern Family*, Sofia is also featured in advertisements for Diet Pepsi and Cover Girl cosmetics. Sofia has also made a splash within the Latino community because many wonder if she takes the Latino stereotype too far with her portrayal of loud and boisterous Gloria on *Modern Family* and remarks she made in a 2012 interview with *Esquire* magazine about common Latino stereotypes.

Enrique Iglesias

Enrique was born in Spain, and his father was a well-known singer and entertainer. Enrique established himself as a singer in the late 1990s with songs such as "Bailamos" and "Hero". He has performed at the Super Bowl, and has been dating tennis star Anna Kournikova for the past decade. Enrique is extremely private about his relationship with Anna, and has even remarked that marriage is not a priority for the couple as long as they are happy and committed to each other.

Penelope Cruz

Penelope was born in Spain, and is well-known worldwide for her work as an actress. She first burst on the scene with films such as *Blow* and *Vanilla Sky* (this movie also sparked her three-year romance with co-star Tom Cruise; the couple allegedly broke up because she refused to embrace his Scientology beliefs). She's now married to Spanish actor Javier Bardem, and she is expecting the couple's second child later this year.

Antonio Banderas

Antonio is also Spanish. He was in several high-profile movies in the 1990s, including *Evita*, *Interview with the Vampire*, *Philadelphia*, and *The Mask of Zorro*. He is married to fellow celebrity Melanie Griffith. Today, Antonio does voice work for movies such as *Shrek* and focuses on parenting his daughter, Stella. He's spoken out about the importance he places on fatherhood by saying that he takes Stella out on "daddy-daughter" date nights once a week.

Shakira

Shakira is a Colombian singer-songwriter. She crossed over into the English market in 2001 (a native Spanish speaker, she's fluent in English and Portuguese, and can speak some Italian, French, and Catalan) with hits like "Whatever, Whenever" and "Hips Don't Lie". Shakira is featured on this season's installment of *The Voice* and recently welcomed her first child (son Milan) with her boyfriend, a Spanish football player.

Salma Hayek

Like Eva and Mario, Salma is Mexican-American. She's known for her roles in films like *Desperado*, *Dogma*, and *Frida* and the television show *Ugly Betty*. She is married to French billionaire François-Henri Pinault, and the couple has a young daughter. Her charitable work over the years has increased, and she focuses her efforts on raising awareness of

violence against women and discrimination against immigrants.

- 1. Communicate:** Even if your child is present, make sure to speak to still incorporate adult conversation as well.
- 2. Touch:** Just taps on the hand or rubs on the back throughout the date can keep things intimate.
- 3. Share dessert:** Share a sweet treat while the kids make their own mess at the other end of the table.

How do you make your partner's birthday special?

Cupid's Advice:

Birthdays are the one holiday a year where you and you alone get to feel special. So, it's important to honor your partner the best way you know how on his or her big day. Cupid's got some tips:

- 1. Throw a surprise party:** It may seem generic, but if you can really pull it off, a surprise party will make your partner feel all sorts of special. Just the fact that you went to the trouble says a lot!

2. Plan a vacation: If you want to go all out, plan a trip for two to somewhere tropical. If you're married, consider it a second honeymoon. There's so much thought that goes into planning a vacation, and your partner will surely appreciate it.

3. An "out of the box" gift: It's easy enough to stick with candy, jewelry and flowers for a woman and sports tickets, cologne or a watch for a man. Try to think outside of the norm for your partner's present so he or she can see how much you truly know him or her.

Penélope Cruz and Javier Bardem Find Time for Romantic Dinner

V

icky Christina Barcelona stars and now-spouses Penélope Cruz and Javier Bardem found themselves with some free time last week, reports [People](#). The couple, who just had their first child together, were able to get away for a romantic dinner in London at Gordon Ramsay. Onlookers say the two couldn't keep their hands off of each other and that they were looking very cozy.

How do you find time for romance when you have a baby?

Cupid's Advice:

It's easy to focus all of your attention on your new bundle of joy, but in order to main both your sanity and your relationship, make sure to take some time out to focus on romance:

- 1. Schedule it:** It may not be the most romantic idea, but if you don't schedule some alone time, no one will. So make dinner reservations for two, and get a babysitter.
- 2. Find a pattern:** Does your baby's nap time always seem to fall around the same time as when your partner gets home?

Take advantage of it, and cuddle together in the rare silence. Just make sure there's a baby monitor nearby in case both of you fall asleep.

3. Create inside jokes: Nobody will be spending more time around your newborn than you and your spouse. To create a connection during a less than private time, mention something that only your honey will understand. The inside information will bring a smile to his face.

Penélope Cruz and Javier Bardem Are Expecting

Leading lady Penélope Cruz and husband Javier Bardem have just announced that they are expecting their first baby, reports [E! News](#). Since many have been speculating about Cruz's pregnancy for some time, this revelation did not come as a shock. The sizzling Spanish actress is currently four months along. There is still no word on the gender of this future celebi-tot. However, it is sure to grace the covers of magazines everywhere upon entering the world.

What are the advantages and disadvantages to knowing the sex of your baby before it 's born?

Cupid's Advice:

When a couple first announces they are expecting, "Do you know what you're having?" is always one of the first questions asked. While some couples are dying to know the gender of their unborn child, others would rather be surprised. Cupid has some things to consider:

1. Gender bias: Though society has advanced, stereotypes surrounding men and women still exist. It may be a good idea to keep your child away from labels as long as you can in order to shape them not as a boy or a girl, but as a person. This starts with keeping the sex of your unborn child a surprise!

2. Pink or blue?: One of the best ways to "nest" as you prepare for a new baby is by decorating the baby's room together. To do so, you need a color scheme and/or theme. Though there are some gender-neutral themes such as ducks and yellow, most are clearly one or the other.

3. There are no guarantees: Even with today's technologies, the gender prediction of an unborn baby can still be inaccurate. You'll never truly know what you're having until the day your son or daughter is born, so try to keep an open mind. Bringing life into the world is amazing itself!
