Cupid's Advice:

Getting to know someone before you dive into a relationship is crucial. If you're looking for ways to get to know a potential partner, Cupid has some advice for you:

1. Explore your feelings: If this is a potential partner that you've met on a dating app, try keeping it virtual for a while. Continue talking via texting and phone calls to build a layer of trust before you jump into a relationship. By getting to know each other on this level, you can be open and honest without it getting physical or too much too soon. Be aware of your emotions and move forward when you are ready.

These celebrity exes didn't exactly have an idyllic reunion on *The Bachelor* recently. What are some factors to consider before getting back together with an ex?

Cupid's Advice:

Getting back together with an ex is a tough decision to make, and you want to make sure you're doing it for the right reasons. Cupid has some factors to consider:

1. Remember why it ended in the first place: Look back at your relationship and think about what went wrong and if those problems can be fixed. Starting from the beginning will allow you to analyze the pros and cons for the future. If the issues that plagued your relationship are hard to come back from, think about whether a second chance is really worth it.

2. Ask yourself the big questions: Has this person really changed? And if they haven't, am I prepared to deal with that? Reconciliation can be a positive and wonderful thing, but not at the expense of your mental health. If they aren't ready to commit to you in a way that illustrates growth and understanding, then maybe they aren't the person for you.

3. Take charge: Have a genuine and honest conversation with this person about what you are looking for in this relationship and respectfully allow them to do the same. Acknowledge each other's feelings and desires transparently and realistically. If the two of you aren't on the same page, then maybe it's time to move forward.
