This celebrity wedding went off without a hitch! What are some ways to personalize your wedding festivities?

Cupid's Advice:

Celebrity weddings aren't the only weddings that can be amazing and personal; yours can be, too. Cupid has three tips on personalizing your wedding festivities:

1. Add a shared interest to your theme. Do you have a favorite TV show or book series? Add it to your wedding theme to give your celebration a personal touch. It doesn't have to be anything huge or the whole thing. You can add little nods to your shared interest in small ways. If you're both into, say, Disney, you could use Disney wine glasses.

2. Have a theme you'll both enjoy. We've all heard that the wedding ceremony is all about the bride. But remember, your partner is part of this, too. If he thinks *Twilight* is strange and really doesn't like it, making *Twilight* your theme wouldn't be the best idea. Make it a shared interest theme if possible instead. Something that is just really "you two".

3. Pick food and drinks that reflect you. Pick your favorite dishes and drinks for your wedding, even if they're unconventional. After all, food and drinks are playing a big role in your celebration so they might as well be some of your favorites!
