If you want to channel your favorite celebrity on your next beach vacation or trip to the pool, look no further than [Plumeria Swimwear](#)! These artisan-crafted bikinis are sure to catch the eye of that gorgeous lifeguard on duty. With their sleek and stylish Italian and Turkish materials, it's hard to believe that these stunning pieces are available for less than 130 dollars.

Gabrielle Cimon, the creative director and designer of the bikinis, wanted to create swimwear that was unforgettably sexy and that perfectly embraced a woman's body. She

crafted unique, exotic, and fashion-forward designs that are accessible to the everyday woman. Now you can look like a *Sports Illustrated* model without paying typical designer prices! After all, every woman should have the chance to look like she just stepped out of the pool and into a photo shoot.

Let's start with the At the Copa bikini. This strappy, Brazilian style helps you show off that great summer body with pride. You'll look and feel beautiful, and your crush is sure to notice. This suit leaves just enough to the imagination that every man in eyeshot will be wondering how to turn your confident stride in their direction.

Next up is the Caliente bikini. This fashionable suit will make sure you're the apple of any guy's eye, especially your summer fling's. The high cut bottoms and spaghetti straps add a little more oomph to your legs and cleavage that won't go unnoticed. You'll have him begging you to stay with him even after the weather starts to cool down.

With their Mediterranean influences and high-quality materials, these suits are unlike anything else you've seen in stores or magazines. With a style of their own, you can be sure that no other woman at the beach will stand out quite as much you.

This week, CupidsPulse.com is giving one lucky reader the chance to win one of these two bikinis in any available color. With these bikinis, it's important to get the correct size, so before sending us your entry, make sure to check the size guide on each bikini's description page linked above!
