Product Review: Bravity Bras Defy Gravity

By [Katie Sotack](#)

The breast lymphatic system “is a network of tissues and organs that help rid the body of toxins, waste and other unwanted materials,” according to *LiveScience.com*. Simply stated, breasts are essential to a properly working immune system. That said, many women have a hard time and are

uncomfortable with their breasts when it comes to sleep. They can get in the way at night, causing discomfort and inhibiting the proper lymphatic cleansing process. However, we stumbled upon a bra that just might resolve this issue.

If you're searching for comfort and the latest health trend while you sleep, get the best of both worlds with Bravity. Learn more about the bra's perks in this [product review](#).

Anyone with breasts can attest to the challenges they present when it comes to sleeping. Whether they're falling to the side or preventing you from lying on your chest, breasts can be a nocturnal hazard. That's where Bravity bras come in. Specially crafted with a Y-strap feature so the breasts are exposed, yet still cradled, these bras support the chest during sleep without the discomfort an underwire bra would cause. Here are some benefits:

1. Anti-wrinkle: Aside from the health boost of a properly cleansed lymphatic system, you'll begin to look younger, too. At any age and with any size breast, one might encounter cleavage wrinkles. They are completely natural and nothing to worry about, but if you're searching to keep your supple bosom, look no further. Bravity bras lift and separate the breasts to stop wrinkles from forming.

Related Link: [Health Tips: Celebrity Diet Suggests Supercharged Coffee](#)

2. Comfort: The Bravity bra is crafted with padded adjustable straps so that it feels like tiny pillows cradling your cleavage. While made up of nylon and spandex so that the bra is cool to touch and form fitting, the no cup designs leaves

breasts room to breathe.

3. Big breasted babes: Those with larger chests are typically more likely to seek a night-time bra. While Bravity benefits those of every size, big breasts are not left behind like they are in other major brands. We had an ample-chested woman test the product, and she claimed, “Nothing gets mashed up against my chin; it did work”. Avoid the dreaded uni-boob with the y-strap technology made for any size.

4. Sports edition: Bravisport does exist! This is a medium support, racer-back bra made to eliminate the uni-boob. The bra provides extra support by combining the average sports bra with the y-strap design, thus creating two layers of defense. The removable cup pads also allow for customizable shape and comfort.

Product Review: MBTBUDS Wireless Bluetooth Earbuds for the Beach!

By [Mara Miller](#)

Summertime is here, and that means...THE BEACH! We all have essentials we need when packing for a summer getaway like towels, bathing suits, snacks, and shoes. Tiny [travel tip](#): if you're even *slightly* attached to your phone, you'll want it next to you while you soak up the sun and the fresh sea air. While some phones have waterproofing, who would want to risk getting their expensive piece of tech caught in a tide? And, let's not even mention the havoc seawater could wreak on your laptop's delicate internals if you want to enjoy the latest [Taylor Swift](#) or [Katy Perry](#) singles.

Wireless earbuds are a great option when you need a getaway to the beach. In this product review, check out the McAlley Wireless

Earbuds so you can safely keep your tech tucked away from the water.

These Bluetooth earbuds are unique because they are magnetized. They sit together around your neck like a necklace so you can take a jog on the beach or play volleyball without worrying about losing them. They are turned off when they're magnetized. When un-magnetized, the earbuds turn on.

Related Link: [Product Review: My Ever Map](#)

You might need to give the earbuds a few seconds to pair with your device before you can use them. This is normal for any Bluetooth device, so be patient. They're lightweight and won't weigh you down like heavier wireless over-the-ear headphones, which might not fare as well at the beach.

Even better: these wireless earbuds are water resistant. You might not be able to go into the ocean with them, but you can at least enjoy digging your toes into the wet sand while waves splash over your feet. In everyday use, during either your commute to work or jogging, they will also resist water if it rains.

Related Link: [Product Review: Treat Yourself to Beauty and Comfort This Summer](#)

The earbuds have eight hours of talk time, six hours of playtime, and 150 hours of standby time. The package comes with three earbud sizes so they are comfortable while you wear them. They charge in one to two hours through MicroUSB.

These MBTBUDS Wireless Bluetooth Earbuds are \$60 and can be purchased on [Amazon](#).

Product Review: Colored Contacts is the Next Best Dating Advice

What does your eye color say about you and who you are attracted to? It's often said that the eyes are the windows to the soul. They are the first thing we notice in another person and there is much more to eye color than simple genetic pigmentation. Eyes can reveal a lot about your personality and your health. Most shocking, however, is that eye color can also determine who you're most attracted to! Evaluating eye color could be the best [dating advice](#)!

Product Review: SmartBuyGlasses Offer Dating Advice!

It may be no surprise to you that many romantic couples share a few physical traits, but attractiveness to a certain eye color could come from a surprising source. According to a paper published by Lisa DeBruine and her colleagues at the University of Glasgow, people tend to prefer romantic partners whose eye color matches that of their parents. To demonstrate how eye color affects one's attraction to another, the research team recruited 300 heterosexual and homosexual men and women and made records of their eye color, as well as their parents' and lovers' eye color. The eye colors were then categorized into light (covering blue, green, blue-green, grey and hazel) and dark (covering light brown, dark brown and black).

Related Link: [Product Review: The Essentials for a Night In](#)

The researchers found that overall, heterosexual women and homosexual men were twice as likely to have a lover with similar eye color to their father's, while homosexual women and heterosexual men were more likely to have a lover matching their mother's eye color. While dreaming about your next [date night](#), consider changing your eye color to boost the attraction.

Related Link: [Product Review: Your Date Night Secret Weapon](#)

In general, the eyes are what many people describe to be the most important facial feature in a potential partner, according to another study by FastLife.com. The survey stated that the majority of male and female participants found blue to be the most attractive eye color. Other than blue, they found men preferred women with green eyes over brown, whereas women were more attracted to brown eyes over green in men.

While it's true that there can be many reasons behind why you

may be attracted to a certain physical quality, beauty is in the eye of the beholder, so what people find attractive is totally subjective. Nonetheless, if you've always wondered how you might look with a different eye color, colored contact lenses are a popular bet. There are numerous sources for colored contact lenses; however, finding good quality, affordable and comfortable choices can be tough!

Check out [SmartBuyGlasses](#) to get your own colored contact lenses!

Oscars 2019: Celebrities Line Up for Rafi's Gifting Lounge at the Waldorf Astoria Beverly Hills

By [Lauren Burczyk](#)

Rafi Anteby, owner of ShaDang and Bullets 4 Peace, knows just how to create big events and promote celebrities. His jewelry, made out of old bullets, and coated in diamonds and other precious gems, have made it around the necks of celebrities like Rihanna, Beyoncé, and Jamie Foxx. The celebrity fashion icon has participated in nearly 50 Hollywood gifting suites and has given away over \$100,000 worth of bling to help promote celebrity style. This year's *gifting lounge* was held at none other than the Waldorf Astoria in Beverly Hills and it was the perfect place, since you immediately feel like royalty upon entering. The event was held on Friday, February 22nd, 2019. In addition to rewarding [celebrities](#) for their name and likeness, Rafi donates \$100 per attendee to purchase school supplies to a group of orphans in Myanmar.

Find out why *Rafi's Gift Lounge* was the pre-Oscar event you

didn't want to miss!

Unlike other suites that tend to feel convention-like and over-crowded with vendors, Rafi's gifting lounge was intimate, warm and inviting. For example, guests were immediately greeted with mimosas and celebrities were given decorative Fydelity Big A\$\$ bags (big enough to fit a teenage child) to fill with goodies from the various brands. No need to worry about breaking your back from all that weight in the bags either, because designated Rafi staff kindly carried the bags around for the celebrities who requested it. Talk about living in luxury.

The bags come in various designs including donuts, money bills, marijuana or in shiny laminate-looking black or gold. There was nothing more amusing than sitting in the lobby of the grand and prestigious Waldorf Astoria watching grown men and women carrying these enormous decorative bags on their back at the end of the event. I brought my daughter to the event, and the bag was bigger than her.

Walking into the lounge, it felt like you were walking into an exclusive party, with couches and tables decorating the center of the room, and finger food lining the various tables. In the center of the room was a wonderful display of Tequila by Gran Cava de Oro Extra Anejo which was sampled in beautiful glass. Guests invited to the lounge were treated to a live concert with performances throughout the event by Rock N' Roll Hall-of-Fame groups *The Temptations* (Louis Price) and *The Platters* (Sonny Turner), as well as the Grammy-winning group *Mary Mary*.

Surrounding the outside walls of the room were at least two dozen brands including, attachable Poopy Poo bag dispensers,

cassette coin purses, trendy pre-tied bows and tie chokers for women, along with one of our favorites, Save The Girls clutches and messenger bags. When it came to skin and face treatments, we were excited to learn more about the Stem Cell Lift with Nathan Newman M.D. Although, tucked into the right corner of the room, there was no denying the fight to get to Dr. Newman's booth for the wonderful gift certificate that awaited celebrity fans.

There were so many products and brands to view throughout the

day, and due to the wonderful atmosphere and friendliness, it could take a while to make your way through. However, two booths that were not to be missed included the gifted trips to Bali and Uganda, where celebrities were given gift certificates to these two amazing destinations. Next to the Bali display was a beautiful table of Passion Roses with a complimentary bouquet going to each guest.

Rafi's lounge even featured his own luxury jewelry brand, Bullets4Peace which was surrounded by a flurry of celebrities every time we looked or approached it. The event was a star studded affair and guests including Spike Lee, the director of Oscar nominated film *BlackkKlansman*, [Jared Haibon](#), known for his time on the *Bachelor* franchise, and Peter Farrelly, Best Screenplay Oscar nominee for *Green Book* were all in attendance. The best encounter was Lilian Bowden from my daughter's favorite show, *Andi Mack*. That really made her day. The event was a great way for celebrities to discover new

brands and products.

Product Review: Dysport & Restylane for Natural-Looking Skincare Success

Written by [Courtney Shapiro](#)

Getting older doesn't necessarily mean you need to look your age or go through extensive surgery to achieve a younger appearance. Healthy and smooth looking skin is possible for everyone.

Galderma, a global leader in skincare, has created several

products which are key to retaining effortless-looking beauty. Two of their most successful products to date include Dysport and Restylane.

Our founder, Lori Bizzoco found out first hand when she visited Brian D. Cohen, M.D., a board-certified plastic surgeon with offices in Great Neck and Manhattan. First, she was given Dysport which was injected in her forehead, around her eyes, and on her glabellar lines.

“I have very strong muscles in my face, and there is one stubborn line on my forehead that never seems to go away or soften with make-up or creams,” she said. “I wasn’t sure if Dysport would really do the trick, but after only a few days, my line has completely faded away.”

Dysport is an FDA-approved prescription injection for the treatment of moderate to severe frown lines between the eyebrows. The great news is that with Dysport, it's the frown lines between the eyebrows that are minimized, not your expressions. It is a good choice for anyone under 65 who wants to give their skin a little rejuvenation.

Related Link: [Product Review: Giuliana Rancic Launches Fountain of Truth, a Clean-Beauty Skincare Line](#)

In addition to treating the lines around her forehead, Bizocco also opted for a lip plumping procedure using Restylane Silk. "I have extremely thin lips," she said. "But, I was always nervous to use a filler because I didn't want them to look overdone."

Restylane® can be used to add volume and fullness to the skin to correct moderate to severe facial wrinkles and folds, such as the lines from your nose to the corners of your mouth. Restylane offers five different product options all given in the form of injection including, Restylane Silk, Restylane

Lyft, Restylane, Restylane Refyne, and Restylane Defyne. Each treatment is suited for any healthy person over 21 who wants to improve their skin quality.

“The injection to my lips did hurt a little more than I expected and there was some bruising and swelling for a couple of days,” she admitted. “However, the end result was worth it because my lips look fuller and lipstick goes on much smoother.”

Thanks to Dr. Cohen and his staff, our founder’s concerns were alleviated because the team took their time explaining the procedures thoroughly. The best part was that Dr. Cohen reassured her that she would walk out of the office with natural-looking results!

“Nothing was overdone or noticeable,” she said. “In fact, I was able to go back to my normal day the minute I walked out the door.”

You can follow Cohen Plastic Surgery on Instagram [@cohenplasticsurgery](#) or on [Facebook](#).

[Tropical Smoothie Skin Polish](#), \$26.50

This sugar scrub is like being on vacation! They come in three other amazing scents and make your skin feel like butter. You can use it in a bath or shower and as you scrub, you removed dead skin cells and leave your skin smooth. The fact that it's made with all-natural ingredients make it even more appealing.

[Golden Ocean Marine Extract Collagen Eye Gels, \\$5.25](#)

These eye gels are infused with marine extracts and do wonders to revive your eyes. What we love most about them is that they make you look awake and relaxed. They also do wonders at brightening your complexion. Their cool and soothing sensation on your skin makes it feel like you're having a spa day at home at a fraction of the cost!

[Blemish Blaster Starter Kit, \\$29.50](#)

Acne is something that many of us have dealt with at one point or another and this kit includes four products that can be used when your skin just isn't behaving:

2 oz. Bamboo, Mud, and Bentonite Clay: Bentonite clay is one of the most powerful healing clays and when it comes in contact with toxins, it absorbs them. We used this at night before bed and it left us with such a refreshing feeling. You can feel how clean it makes your skin and it doesn't leave any residue behind.

4 oz. Blemish Blaster Scrub: This is one of our favorite products because it makes our skin feel so soft after using it and it's multifaceted. This scrub is made with sugar and acne-fighting essential oils, which smell heavenly. We like to keep this in our gym bag to use after a workout because that's when we tend to have to most sweat and oils on our face, but this can be used in the shower, as well.

1 oz. Blemish Blaster Makeup Cleansing Oil: This oil is made with the same essential oils that are in the Blemish Blaster

Scrub so not only do these products go hand in hand, you can use this oil to remove makeup while fighting your acne. We love using this oil because it's much gentler than your typical makeup wipes and you don't have to use much, either.

Full-size Conceal it by Beauty Kitchen: Though we fight to get rid of acne, we may not be able to do much about the scars and that's where this concealer comes in handy. Like the other products in this kit, it contains essential oils that not only smell amazing but help to support troubled skin. A little goes a long way and this concealer has lasted a long time for us.

Pink Diamond Flake Collagen Eye Gels from [The Diamond Collection Face & Eye Gel Set](#), \$21.50

These collagen- and antioxidant-infused eye pads feel amazing on your skin. What's great about them is that you can use them to prep your face before makeup or as a revitalizer after a long day out. We like to use them to de-stress and tone ours under eyes.

ACV Buildup Removing Hair Rise, \$14

This rinse is so clarifying and makes your scalp feel clean after use. What makes it even better is that it is infused with the smell of orange so there isn't a strong vinegar scent. We found that it's best to use this type of product once every 1-2 weeks, that way you don't make your hair too dry.
