Product Review: Rock Long Hair on Date Night with Barely Xtensions

By [Mara Miller](#)

Have you ever lopped off all your hair and then immediately regretted it? Maybe you planned a [date night](#) with a new guy from your favorite dating app, and now you regret losing those locks. Or, perhaps it's not because you want to impress a guy at all—you can't decide if you want to grow your hair out for a change. Hair extensions are great for those moments in life where we feel indecisive, and Barely Xtensions at Sally Beauty has you covered with 18" and 20" options.

Check out these great hair extensions from Barely Xtensions in our product review.

These extensions are made with real hair.

Barely Xtensions uses Remy hair—real human hair—in their hair extensions. Human hair versus plastic or other synthetic material works best if you plan to style your extensions. You

have your stylist cut the extensions to blend in with your hair so it isn't obvious you have them in. The biggest perk to wearing extensions is the ability to take them out after a hot day so you don't have a heavy curtain of hair around your shoulders. Since it's real human hair, you can style them however you want—with a curling wand, flat iron, or whatever style you're in the mood for that day.

Barely Xtensions look natural.

Each extension provides a revolutionary, micro-thin weft that blends in with your hair. It won't stick up like some other extensions and appears more natural since the wefts are made from real human hair. Every extension is hand-picked for silky, tangle-free hair that is thick from top to bottom, instantly helping you get that added length to your own locks. The clips are no-damage, meaning they will not get stuck in your hair after you're finished wearing them for the day.

Purchase Options: Barely Xtensions includes five wefts: (1) 9-inch weft, one (1) 6-inch weft, one (1) 4-inch weft, and two (2) 3-inch wefts. All you need to do is pick your color, although packaging may vary. You can find the 18" Barely Xtensions on [SallyBeauty.com](#), ranging from \$167.99 to 184.99, depending on the color you need. With 11 shades, you're sure to find one to match your hair color!

Product Review: Chocolate Stuffed Marshmallows Are a Perfect Treat For Your Next Campfire!

By [Emily Green](#)

Summertime is the prime time to sit out and relax with friends and family, having a bonfire, making one of the best snacks of summer: s'mores! Next time you want to break out the graham crackers and marshmallows, try Stuffed Puffs. Stuffed Puffs are marshmallows that give you the perfect s'more—by stuffing the chocolate INSIDE of the marshmallow, giving the s'more the most delicious flavor you will ever have!

Stuffed Puffs solve the problem everyone has while making s'mores—getting your chocolate hot enough to melt. Learn more about it on our product review.

While anyone can love a good s'more, many people hate making them—getting sticky from the marshmallow, trying to squish it enough to melt the chocolate waiting on the graham cracker. You can easily get the perfect gooey s'more by roasting a Stuffed Puff over the fire, the chocolate inside the marshmallow will melt to the perfect consistency.

Product Review: Wink Brow Bar for Independence Day!

By [Mara Miller](#)

Do you want to look extra special this upcoming July 4th holiday? If you live in New York City, you might be searching for something that makes you sparkle and stands out from the crowd during the Independence Day fireworks. This could mean American Flag-inspired nails, or maybe a hairstyle with red, white and blue. For us here at Cupid's Pulse, we opted for a new set of lashes and matching eyebrow extensions from The Wink Brow Bar in NYC. Yes, you heard right. Eyebrow extensions!

The Wink Brow Bar can help you look fabulous this 4th of July. Check out our [product review](#)!

The Wink Brow Bar has three locations in Manhattan and one in Brooklyn. This little gem started out as a luxury threading studio in New York City's West Villiage, by UK Native and licensed cosmetologist Umbreen Sheikh. Wink Brow Bar really put the art of threading on the map as an alternative option to waxing, which as many of us know, can peel off layers of skin and hurt.

However, Wink's services are not limited to threading (which by the way is organic), they also offer the following services: brow tinting, brow extensions, lash extensions, keratin lash lift, waxing microblading, custom facials, manicure/pedicure, and in some locations they offer hair color and cuts. For the purpose of this review, we will discuss the lash and brow extensions, and threading as an option for children ages 12 and up.

Insta Good Brow Extensions:

Above you will find an incredible before and after of one of your staff members who opted for Winks' "Insta Good Brow Extensions," a service that uses single strands of hair (similar to lash extensions) and places them right on the brows using strong, gentle, colorless adhesive. This is an amazing option for those who do not wish to microblade or color in their eyebrows everyday. This treatment lasts up to two weeks and ranges from \$95.00 to \$195.00 depending on how thick you want your eyebrows.

Fablash Extensions:

In addition to the eyebrows, you can also see that our staff member has a nice full set of lashes as well called "Fab Lash Extensions," which is a service that applies single strand lashes to each eyelash one by one. The service is done while

the client is laying down so that they can relax during the service. The lashes last for a few weeks and refills are done every 7-14 days. Prices vary depending on whether you want your lashes to be natural or full of volume.

First Time Treatment for Tweens

One more thing that our team loved about Wink Brow Bar was that the products they use are organic and natural. Does that mean that they are safe on young children ages 12 and up? The answer is yes!

Our Executive Editor Lori Bizzoco's tween daughter received The Perfect Organic Threading at Wink Brow Bar. Photo: Courtesy Lori Bizzoco

We set up an appointment for one of our youngest team members to try Wink for her very first eyebrow experience. We used The Perfect Organic Threading as a safer and milder alternative to waxing. In fact, Wink is a perfect choice for the young lady in your life who has never had her eyebrows done but desperately wants to give it a try without all the pain. As

you can see from the photo above, her eyebrows are natural looking and the threading left no redness or irritation.

Nourishing Lash Fortifier + Keratin by Wink Brow Bar

Before we forget, do not go home without trying their Nourishing Lash Fortifier + Keratin. It's like a conditioner for your hair, except it is for your lashes. Easy to apply and makes those gorgeous eyes pop!

Wink is the perfect choice for both mom and daughter to look great before those upcoming barbecues. Why not give it a try? It only takes a few minutes to make an appointment online and walk-ins are welcome too. Product Review: Harlow's Harvest

By [Mara Miller](#)

Do you have little chefs in your kitchen? Harlow knew it was important to learn how to cook nutritious, wholesome meals because most schools aren't teaching kids how to cook, and it is often a life skill they lack by the time they go to college. Together with her mom, Ashley, they put together a subscription box, called Harlow's Harvest.

Harlow and single mom Ashley put

together Harlow's Harvest to help teach kids how to cook in this fun subscription box. Learn more about it in our product review.

It's important to note that at this time, Harlow's Harvest does not include actual food in their meal kits, unlike other food subscription boxes. You'll be signing your child(ren) up for the Harlow's Harvest Cooking Academy, and each month they will get a kit that includes three recipes, a budgeting card, a cooking tool (such as a cookie cutter), and a pin of the month.

Related Link: [Product Review: Cinco De Mayo with Prepara Taco Accessories!](#)

The recipes are laminated so your kid(s) won't need to worry about ruining them. You can save it for later if they love the recipe! They'll learn to make things like pizzas, cookies, biscotti, and rainbow veggie pasta. The same box will never be sent twice.

Related Link: [Product Review: The Night Sky Star Maps](#)

Each Harlow's Harvest box puts a strong emphasis on history, geography, and budgeting. Your kids can learn about the food they're cooking, and you can teach them to budget while buying groceries at the same time, something they will definitely need to know how to do when they are older.

If you want to try this great, educational subscription box for your kids, you can sign them up at the Harlow's Harvest [website](#). If you want it on a monthly basis, one box starts at \$23. The six-month subscription is \$126. And, if your kids really love Harlow's Harvest, you can get them a yearly subscription for \$228. The subscription is meant for kids

between 4 to 15.

Product Review: Yes-No Tarot for Millennials

If you are a millennial who wants to find an alternative to the traditional tarot reading where you can actually get precise “yes” or “no” answers to your questions, then the Yes-No Tarot deck of cards is the perfect choice for you. Like the traditional tarot reading, if used correctly, the Yes-No deck can guide you in your life’s journey.

In this product review, we explore why Yes-No Tarot can help you make important decisions.

You can ask the Yes-No Tarot deck of cards about anything that concerns you. Remember to ask the right questions if you want to receive the right answers. Here are a few examples:

1. Your daily concerns: Yes-No Tarot can ease your stress and put your mind at peace like traditional tarot cards. Ask questions pertaining to your education or about every day life problems. The cards can even help you decide on a time and place for travel!

2. Your work: Have you doubted your career choices recently? It's understandable to be uncertain about what you want to do with your life career-wise. Yes-No Tarot may be able to guide you regarding your work.

3. Your love life: Love can be a tricky, but fun topic to ask the Yes-No deck about. Be sure to narrow down the question when asking questions about love. Think before you act, especially if you are asking a question regarding marriage.

4. Your finances: Are you having trouble managing your finances? Be sure to ask questions that are realistic. Tarot is only a guide to achieving your financial dreams, so you must do your part as well.

TIPS ON FORMULATING A QUESTION

Remember you will only get "yes" or "no" answers from these tarot cards. Adding time frames and names will avoid any confusion on your part because Yes-No Tarot will only answer one way or the other. You can use the same technique for questions about your work, love, finances, and other topics. Look at some of the examples below to help:

1. Vacation:

- Will next month be the right time to go to (*name of the place*)?
- Is (*name of the place*) the right vacation spot for me?
- Should I file my vacation leave on (*time of date*)?

2. Career:

- Have I chosen the right kind of work even though it is far from where I live?
- Should I take the job offered by (*name of company or employer*)?

3. Love Life:

- Will (*name of the person you like*) talk to me tonight?
- Should I try talking to (*name of the person you like*)?
- Will (*name of the person you like*) ask me out on a date?

4. Finances:

- Instead of traveling next month, should I save my money?
- If I will reduce my electricity bills, can I save enough money to buy a new gaming console by December?

5. Education:

- Is (*name of school*) the right kind of school for me?
- Will I be ready to take the entrance exam of (*name of school*) next week?
- Should I study (*name of subject*) first, instead of (*name of subject*)?

BE CAUTIOUS

Again, like traditional tarot readings, the Yes-No deck is only a guide. If you receive a “yes” to a question you asked, think twice before you act on it, especially when it comes to life-changing decisions. Do not base your decision solely on tarot cards.

HOW TO USE A YES-NO TAROT DECK

The preparation of Yes-No Tarot is the same as a traditional tarot reading. Be sure to shuffle the cards first. After shuffling, pull one card from the deck and look at the answer based on the interpretation you have made or the guide that you followed. However, you should note that there are different tarot spreads you can use in Yes-No Tarot.

INTERPRETING THE CARDS

With regards to interpretation, you can either make your own or follow an online guide. If you want to make your own, then there are two ways:

▪ UPRIGHT AND REVERSED TAROT

Keep it simple! If the card you pulled is in an upright position, then give it a “yes.” On the other hand, if the card you pulled is in a downward position, then give it a “no.”

▪ ASSIGNING A YES, NO OR MAYBE

Another option is to assign each card a yes, no, or even a maybe. The “yes” or “no” can be based on your intuition or on the image that you see. For example, if you pulled the Strength or Sun tarot, then it can be an automatic “yes.” If you pulled the Hanged Man tarot, then it can be an easy “no.”

When making your own “yes” or “no” tarot decisions, it is important to stay true to the answer even if you did not like the answer you received.

LOOKING FOR MORE INFORMATION?

Find out more about [Yes-No Tarot](#). This article can teach you about formulating questions, tarot spreads, and other kinds of information. Also, more than just a “yes” or “no” answer, the article can provide you with a short explanation for each card. Just click the link, and you can enhance your knowledge

about Yes-No Tarot.

By Bre Gajewski

No matter how old your child is, back to school can be time-consuming, expensive and all-around stressful.

Product Review: These back-to-school products will score you a parenting win with your kids!

CleanWell's Botanical Hand Sanitizer Spray, ~\$4

Whether your kid is going to elementary school or college, they are going to be surrounded by germs (and lots of them). This is why we love [CleanWell's Hand Sanitizer Spray](#).

It is free of harsh chemicals and has a delicate citrus scent. The bottle is small enough for your kids to carry it in their pocket all day if they want to. The best part? You can buy it on Amazon or directly from CleanWell in a bundle with other amazing products!

Edushapes's Magic Shapes – 81pcs, \$20

For the littlest learners, it is extremely important to continue their education at home each night. This is why we love [Edushape's Magic Shapes!](#) They are fun and encourage open-ended play which allows children to freely express themselves and helps with brain development.

Magic Shapes stimulate your child's imagination and teach them about shapes, colors, magnets and more. They will have so much fun creating designs and when it is time to clean up, all of the shapes fit into one EZ clean-up jar.

Vaya TyffynKids Dino Lunch Box, \$49

Lunch-time is sometimes the best part of the school day for kids. We love the [Vaya TyffynKyds](#) lunch boxes that will keep food hot or cold for 5-6 hours and come with partitions so you can pack more than one dish in each lunchbox. Kids will love the fun designs and you will love that it is BPA-free, leakproof and that you can pack food directly into the sections so you will have fewer containers to wash later.

FAITH Backpack, Fenrici Resilience Collection, \$35

|

All children need a backpack for school to hold their belongings. These backpacks from Fenrici are unique, durable and help a good cause. 5% of their proceeds go to Global Genes, a non-profit organization that funds the education and research of rare pediatric diseases.

You can buy these backpacks knowing your children will love the designs and that your money is being spent to help other children get the care that they need.

Well-Kept Screen Cleansing Towelettes, \$6

These screen cleansing towelettes from [Well-Kept](#) are perfect to throw into your teen's backpack for school. Teenagers are constantly touching their phones, tablets and computers which tend to have about 60 times more germs than a toilet seat. Use the towelettes to wipe away all those germs!

Game Day Tote's Berkeley Crossbody in Rose Gold, \$56.50

When shopping for school, you can't forget about your college-aged kids. Fall semester for college kids means football season. These bags from [Game Day Tote](#) are the perfect back to
